BUCHAN'S VEGETABLE DOMESTIC MEDICINES, prepared from the Prescriptions of the late Dr. Buchan, Fellow of the Royal College of Physicians, &c., &c.—Cures are daily made, and their efficacy proved in thousand of cases, attested before the Aldermen at Guildhall,

THE RIGHT HON. THE LORD MAYOR OF LONDON,

and sitting Magistrates of Marlborough Street, Westminster, Worship Street, Bow Street, &c. Used by the most celebrated Medical Men, Clergymen, and others,

Dr. Buchan's Sugar-Coated Sarsaparilla Pills.

It is a WELL-KNOWN FACT that SARSAPARILLA is the greatest purifier of the blood in the world. KEEP YOUR BLOOD PURE!—The Bowels regular!!—And DEFY the DOCTOR!!! These Pills strike at the root of each disease, and are for the cure of every ailment incidental to Man Woman and Child, such as all eruptions on the Skin, Indigestion, Bilious, Liver, and Stomach Complaints, General Weakness, Gout, Rheumatism, Lumbago, Pains in the Limbs, Headaches, Sore Throats, and every complaint caused by irregularities of the bowels, obstructed perspiration, and deteriorated and unhealthy blood. These Pills work their way to the very roots of each disease, cleansing in their passage, especially where mercury has been taken, and removing every unhealthy accumulation, till the blood is purified, the whole system renovated, and all the functions acting according to nature, the duties of life become a pleasure, where before they had been sad and weary burdens. Do not hesitate—do not delay! a clean stomach must make a clean body. A clean body will contain pure blood, when the stomach, body, and blood are pure, from regulating and cleansing the bowels, health is certain. Begin at the beginning, waste no time to strike at the root of your ailment. Again, I say, look to your stomach. One trial of these Pills will force conviction.

My son suffered for nearly four months from Inflammation in one of his eyes, during which time I procured the best medical aid within my reach, to no purpose. The inflammation continued; the boy suffered, and I began to entertain serious apprehension that he would lose his sight. I accidentally heard of effectual cures having been made by Mr. H. W. Peck's Eye Water, and procured two vials of it from him—*the application of which has effected A CURE.* My son's eyes are now well. I have much pleasure in certifying to the above facts, and recommend the use of Mr. Peck's Eye Water to all persons afflicted with Inflamed Eyes. JOHN HISCOP.

Richmond Hill, July 15.

In the month of February last, I had a severe attack of Inflammation in my right eye, and suffered very much. I tried several remedies, and obtained medical advice, but my eye continued to get worse. I was recommended to call on Mr H. W. Peck, who gave me a vial of his Eye Water; in three days I felt relief, and in about five days was able to use my eye. It is now well, and I have much pleasure in stating that I believe it is Mr Peck's remedy that cured my eye. I have also recommended the use of it to others, and know that the result has been attended with complete success. J. M. DAVIS.

A NEW STORY

IN THE

Scottish American Journal:

A FIRST-CLASS INTERNATIONAL NEWSPAPER.

ON May 9, 1862, was commenced a new story in the SCOTTISH AMERICAN JOURNAL, entitled:

DELLBURN HOUSE:

A Tale of the Scottish Rebellion of 1745,

BY THE AUTHOR OF

'Chapters from the Life of Jas. Tacket.'

This tale will prove to be one of the most interesting ever published, and cannot fail to be appreciated by all classes of readers.

The SCOTTISH AMERICAN JOURNAL is a paper peculiarly adapted to meet the requirements of the British people and their families from all parts of the old country resident on the American continent. It is, in fact, a family paper in the highest and best sense of the term. Its Home and Foreign News is amply given and carefully prepared, from a wide range of British and foreign sources, and omits no fact or feature calculated to interest its readers, whether ladies or gentlemen; so that the SCOTTISH AMERICAN JOURNAL contains (presented in a concise and readable form) all the local, personal, and political intelligence which could be only found scattered over a vast number of Scotch, English, Irish, and Continental newspapers. Another most important feature of this journal is, that it gives the leading articles of the prominent British newspapers and other periodicals upon the principal topics of the day. In reference to the 'editorials' of the SCOTTISH AMERICAN JOURNAL it is a significant fact that the British press frequently acknowledges their intrinsic truth and force by copiously extracting from its columns, and declaring that the SCOTTISH AMERICAN JOURNAL is the most able and interesting paper published in America.—A well-digested weekly summary is also given of the principal items of American news.
