An Essential of Modern Life.

BANKING Service is one of the essentials of modern life. It assists in the production of every article and in the transportation of every commodity. Without it, distribution would be impossible. Yet Banking functions so smoothly that we are scarcely aware of our dependance upon it. By taking Panking Service for granted we pay our greatest tribute to its efficiency. Each year an increasing number of depositors and clients affords evidence of the character of Service offered by the Canadian Bank of Commerce.

The World Grows Smaller

The Arthur Enterprise says: "In a letter received by his parents recently from E. W. Brocklebank now of London, England he told of standing one day at an intersection in old England where the traffic was very heavy, waiting his chance to get across and probably feeling that in the fullest sense of the term he was a stranger in a strange land. Naturally he was greatly and pleasantly surprised when he heard a voice close by remark familiarly, "You had better take a running shot at 'it, 'Brock. The voice was that of Chief Justice Wright, of Toronto, formerly of Flesherton. In days gone by the two were opponents in many a hard-fought game at tournaments on the bowling green, and the Chief Justice had not forgotten our former townsman's preference for running shots.

New Church At Wareham Dedicated

Sunday, October 27th, was a red-letter day for the little community of Wareham, being the occasion of the dedication services of their beantiful new church. In the moruing the Rev. Dr. F. L. Brown, B.A., D.D., preached, and assisted by the pastor, Rev. A. F. Bamford, conducted the dedication ceremony. During this service the Trustees and Session of the church came to the front and formally handed to Dr. Brown the key of the new church, that it might be dedicated to the glory of God and for His worship. Rev. Dr. Brown took as his theme Kings 1: 7, "The Lord was with him." He dealt with young King Hezekiah and showed how he set his heart to do God's will and establish afresh the pure worship of Jehovah and how God was with him and blessed him.

In the afternoon Rev. Jas. Brown now pastor at Malton, formerly pastor at Wareham, conducted the service. Rev. Brown preached from Eph. 5: 25 "Christ also loved the church." Love is the highest manifestation of Christ in the church. Mr. Brown expounded his theme in a masterly manner and backed it home by very apt scripture quotations. In the evening Rev. Dr. Brown again preached, taking as his text Acts 4:20 "For we cannot but spread the things which we have seen and heard." He dealt with the apostles' whole and earnest witness for Christ, and its results in the lives of others—the winning of 3.000 and 5,000 to Christ and daily ther was added to the church such as were being saved, and this challenge to us to-day who are followers of Jesus. It was a powerful sermon and all were conscious of the presence of God's Holy Spirit in their midst.

The church is a beautiful little structure, capable of seating 150 people comfortably, but easily accommodating at least 100 more. At each service the church was well filled, the afternoon and evening it was packed to the doors. It measures 40 feet 6 inches by 28 feet 6 inches. it is built of brick, with a particularly fine front and has fine twin windows, three pairs along each side. A nice vestry, platform for the choir and entrance to the basement is at the front. A nice basement with kitchen accommodation serves for mid-week activities and suppers. It is heated by furnace and lit by Coleman gas lamps. Altogether the people of Wareham are to be very heartily congratulated on the beautiful little structure which they have erected for the worship of Almighty God.

The choir throughout the day, gave most excellent music, and was finely augmented by old members, such as the Drs. Henderson and Murray.

The services were continued by a fowl supper and concert on Tuesday evening.

A chicken pie supper will be held in the Army Barracks at Feversham on November 11th, under the auspices of Providence Ladies' Aid. Supper from 6 to 8 p.m., and program to be given in the church. Admission 40c. and 20c., Come and enjoy yourselves.
