CARD OF THANKS

To the Electors of South Grey:

Ladies and Gentlemen,—In view of the fact that the Ferguson Government made tremendous gains in the election and that every effort was put forward to defeat your candidate, we can appropriately term our victory a magnificent one. Throughout the campaign I have had the ever able support of Miss Macphail and other speakers, but even this would not have won the day except as was the case in co-operation with our loyal workers throughout the riding. Through the columns of the press I publicly thank my workers and supporters and even in the face of stupendous odds I will do everything possible to be worthy of the mandate renewed on October 30th.

Yours very sincerely,
—F. R. OLIVER.

Open Letter to Mr. Cooper

In the Flesherton Advance of October 16th, the Eugenia correspondent devoted considerable space to the Conservative meeting in that place and said in part, "Mr. Stewart, assistant to Mr. Cooper, delivered a brief, but emphatic address. Under the Conservative Government we have Hon. J. Martin, Minister of Agriculture, with whom no fault can be found as he uses untiring efforts to bring Agriculture to its best." I made some comments on this extract. I have no apology to offer.

Sincerely,
—AGNES C. MACPHAIL.

CARD OF THANKS

To the Electors of South Grey:

Ladies and Gentlemen,—I wish to thank all those who worked so earnestly in my behalf during the election campaign.

I cannot express in words the gratitude I feel towards those who took such an active part in any capacity whatsoever, as well as voting to put South Grey in the government ranks.

The defeat is regretted as much on behalf of my supporters as on my own account, and I hope to always cherish and remember the many good friends I met during the political contest. It is a great satisfaction to know that the electors of Ontario were of the same opinion as ourselves.

Again thanking every supporter, I remain,

Yours faithfully,
—J. N. PERDUE.

The Owen Sound police received many complaints about people burning leaves in their yards, and they were warned by the chief to desist.
