Grey County Peas For Chicago Fair

One of the exhibits of field peas shown at the Champion School Fair held at Meaford on Saturday, October 12, will be placed in competition with the world's best, and will be shown at the International Grain and Hay Show to be held at Chicago early in December, These peas, which are known as the Golden Vine variety, were exhibited at Meaford by Master Geo. Lee, son of Mr. and Mrs. R. S. Lee, of Holland township, R. R. No. 1, Chatsworth. Mr. Lee and his son have already taken the necessary steps for the exhibition of these peas, which at the present time are at the Ontario Agricultural College in Guelph. There the peas, a bushel of them are to be regraded in the Field Husbandry Departmnet, and a peck of them will go to Chicago.

This is just one of the results of the excellent work being done through the school fairs held in September each year throughout Grey county, and it will be a great encouragement to the boys and girls of the country to perfect themselves in their farm work and to grow only the best. The result of this experiment will be watched with much interest.

Cost of Living in Town

"What does it cost to live in town?" We heard this question rather warmly debated by residents of urban and rural Alliston Saturday night. The man who lives in town cited the fact that the garden is the only producer which a resident can depend even to a small extent. He stated that the necessity of buying chicken feed made buying eggs about as cheap as keeping hens. He stated that everything must be bought by the town resident and enumerated a long list of things he now buys but when on the farm either raised or made. The rural resident was not convinced that an income of at least $2,000 is necessary if the town resident is going to live comfortably and have some of the pleasures to which he is entitled. Some years ago a farmer retired and came to live in town. He discussed the matter of living expenses with us and when he was told that $1200 a year wouldmean very economical domestic management he laughed. But this same man told us a few years later that he had no idea living expenses are so high in town. This man is no longer in the flesh, but his last years were not so pleasant as he thought they would be because of inadequate means to indulge some very legitimate desires. When all the milk, butter,cream, poultry, most of the meat, all of the potatoes, vegetables, eggs apples and some other items of the domestic budget are never counted in the expenses of living it makes a big difference when those items become part of the cost of supplying the dinner table.—Alliston Herald.

Sold 5 Legged Calf

Among the registered Holstein cattle disposed of by auction, and belonging to Charles Rutherford of Peel township, was a five-legged calf, 10 months old. The extra appendage was attached to the shoulders of animal and, although curved in shape, was of normal size. The other four legs were perfectly formed and the calf is in a splendid condition. The extra limb does not impede the animal in any way. It was sold for $27. The herd of Holstein cows was all disposed of and the prices were all over $100 and up to $150.—Mt. Forest Confederate.

The Markdale Standard carried the following curious advertisement:"Any person or persons accusing me of causing the death of my wife's cow which died on my premises on Oct. 7th, 1929, will be prosecuted according to law." The advertisement is signed by the wife's husband.

VANDELEUR

Mr. and Mrs. H. F. Ready of St. Marys and Mr. and Mrs. Jim Cochrane of Colbourne have returned home after attending the funeral of the late Mrs. Davis Sr. The family and friends have the sympathy of the community in their bereavement.

Our teacher, Miss Bown, has returned to her duties here after being called home on account of the death of her father. Much sympathy is felt for Miss Brown in her sorrow.

Dr. A. P. Brace of Toronto, Field secretary for the Sons of Temperance occupied the pulpit in Vandeleur church on Sunday afternoon and preached a fine sermon. He will also address a meeting in the church on Friday evening. Everybody is welcome.

At the election here on Wednesday of last week the vote was, Oliver,85, Perdue 27. There were not sufficient ballots sent for the poll and the Deputy Returning Officer had to phone to Hanover to have more sent over, when the supply became nearly exhausted.

The Vandeleur Womens Institute held their October meeting at the home of Mrs. P. J. Thompson of Markdale on Thursday of last week and a fine program was given. Dr. Carefoot gave a very interesting address on Goitre. Mrs. Frank Davis and Miss Myrtle Freeman gave readings. Miss Thompson gave a recitation and the Misses Thompson piano solos. A dainty lunch was served at the close of the meeting.
