Purity Fruit Cake

...sugar, 2½ ...s, ¼ lb. ..., ½ tea- ...ginger, 2 eggs, ½ cup ...s, ½ cup sour cream or fruit juice, ½ teaspoon soda. Flour the fruit. Bake in moderate oven (375°).

How to get Better Results in Cake and Pastry Baking

A baking expert says "Purity is a strong, rich flour with great expanding qualities . . . if your cake recipe calls for ordinary pastry flour use 1 tablespoon less per cup of Purity and if milk is called for use half milk and half water (lukewarm), and your cakes will stay moist longer.

New Recipe for flaky pie crust—For two pie shells use 2 cups Purity Flour, ½ teaspoon salt, ½ cup shortening, ½ cup cold water. Mix flour and salt, cutting in the shortening until the mixture is like fine meal. Mix thoroughly with the water. Roll out thin, keeping it thoroughly dry. For extra rich pastry use half butter and half lard.

Being milled only from selected Western hard wheat, Purity Flour has the strength and quality to make it "best for all your baking."

Nominations Monday

Nominations for both Flesherton and Artemesia Councils will be held in the new town hall on Monday next Artemesia from 1 to 2 o'clock and Flesherton from 7 to 8 in the evening. Locally there is not much public talk, but nevertheless an election is conceded. As to who will oppose Reeve Findlay, is not known. The Reeve will be able at this time to give some explanation of his attack on Clerk W. J. Bellamy made last spring in the Municipal world. It has seemed as though he has expected the people to forget his past actions.

It has been stated that several of this year's Council will retire at the close of their present term.

In the township there are rumors going the rounds that Reeve Aex. Cameron will be opposed by Deputy-Reeve, Herbert Corbett and that Councillors John Davis and I. B. Whittaker wil fight it out for the Deputy-Reeve job. The interested parties though have not given out any information and it is not expected that they will make their stand public until nomination day. In event of the above taking place it is not known who will attempt to fill the vacant seats, as quite often the nomination brings out men who have no idea of running until their name was brought forward.

Car Accident and Swan at The Island

EUGENIA CORRESPONDENCE

While Master Glenn Pedlar and his mother were motoring to Flesherton on Tuesday of last week they had the misfortune to collide with a car just as they emerged from the 8th line at the sideroad. Glenn did not see the oncoming car, as his view was partly hidden by the rail fence, so when he reached the road he saw the car, but too late to avert the accident. The occupants of the other car were Mr. and Mrs. Ezra Fawcett and little daughter of Kimberley. Mrs. Fawcett was thrown up against the windshield and received a nasty gash across her forehead, which required a number of stitches. Dr. Milne attended the injury. Mrs. Pedlar also received a shaking up and a small cut in her forehead. The other escaped uninjured. We wish the women a speedy recovery. We are glad that the accident was not more serious.

A SWAN AT THE ISLAND

A beautiful large white swan has made its way to Pheasant Island from "Somewhere". It is quite at home—no wonder, because through the kindness of Manager H. Johnston and his assistants, the lovely bird receives its meals regularly. Perhaps it will continue to make his home there.

Mrs. Badgerow, 4th line, and daughter, Mrs. Laurie Betts, and babe of New Liskeard visited recently with the former's daughter, Mrs. Stanley Campbell.

Mrs. Beecroft and son of Flesherton visited the former's mother, Mrs. Turner.

The hunters have returned from their annual hunt and had a successful and pleasant time.

The Hydro Electric Power Commission are working at the dam in the village at present. We understand that the work will continue for some weeks. A number of local men are employed at the work.

Mr. and Mrs. W. E. Gordon and son, Earl, accompanied by Mr. and Mrs. Chas. Camack of Kimberley went to Hamilton on Sunday to visit Eunice, Hilda and Enid Gordon, who are in a hospital there. We are pleased to hear that Enid is restored to her usual good health and will be coming home shortly. We hope the other girls will also be soon recovered.

Rev. Mr. Bamford of Maxwell, pastor of the church here, has been making house to house calls the past few weeks. We are pleased with his visits.

The teacher, Miss Acheson, and pupils have commenced practice for the annual Christmas concert. Mr. Sam McDonald is also making preparations for a Christmas concert at his school at Victoria Corners. We wish both success in their undertaking.

Miss Mary Weber was assisting Miss Lucy Walton for a few days the past week.

Reeve Alex. Cameron is attending County Council in Owen Sound this week.

We offer congratulations to Master Teddy Dixon of Flesherton, and formerly of Eugenia, in his success in public speaking. Teddy is only 11 years old and did well in the oratorical contest at Guelph.

In the item re Conservative meeting in Oct. 16th issue of The Advance in referring to Mr. Stewart who spoke I mentioned him " as assistant to Mr. Cooper" merely to designate to the readers which Stewart was meant, as there are many Stewarts and I did not know his full name or initials. Miss Macphail need not cast the blame on me. At this time Mr. Stewart's duties were terminated with the Department of Agriculture, as he only assists in judging at the school fairs.

An auction sale will be held by Mr. George Johnston, 1 mile east of Rock Mills, on County highway, on Wed., Nov. 27th at 12.30 p.m. See bills and list in next week's paper. Geo. Duncan, auctioneer.
