C.P.R. TIME TABLE

Trains leave Flesherton Station as follows:

Going South	Going North
8.08 a.m.	11.52 a.m.
4.10 p.m.	8.34 p.m.
8.11 p.m.	4.33 p.m.

The mails close at Flesherton as follows: For the north at 11.00 a.m. south at 3.30 For morning train south mail closes at 9.00 p.m. the previous evening.

Local and Personal

Mail your Christmas parcels early.

The stores in town are now assuming their Christmas tones.

Mrs. R. Dunn of Bellingham, Algoma, spent the past week with her sister, Mrs. W. J. Meads.

Mrs. Harry Bellamy of Toronto is the guest this week of Mrs. H. A. McCauley.

Mr. Geo. McTavish and F. J. Thurston were in Toronto for a couple of days last week.

Mr. and Mrs. F. Cairns left on Monday to spend the winter at Weston and Mactier.

The new snow plow, purchased by the town this fall has been put to use the past week and has done excellent work.

Springhill public school will hold the regular Christmas concert on Fri., evening December 20th. Everybody invited to attend.

A euchre and crokinole party will be held in Clayton's hall on Friday evening, December 6th at 8 p. m. under the auspices of the O. E. S. Admission 35 cents. Everybody given a cordial invitation to attend.

—The Durham Review advocates the formation of a band in that town, but it is a task to keep a band together let alone raise funds to pay the necessary running expenses. A band in a small town or village is just about a thing of the past.

A very successful bazaar was held by the Ladies' Aid of St. John's United Church on Saturday afternoon. Over ninety dellars was taken in, which was extraordinary when one considers the stormy day.

Miss Ida Fisher has returned from visiting her sisters in London where she has been undergoing treatment since her accident on July 12 th in Toronto. She is gaining nicely and expects to return to Toronto in a few weeks.

The snow cars are on the road now. Zero weather accompanied by heavy storms, hit us on Wednesday night last and for three days a blizzard raged that left the roads impassable for motor cars and snow plows had to be used to open the roads for sleigh traffic.

Markdale hockey club was organized last week and an intermediate team will be entered to play in competition with Durham and Arthur. It is expected that several of the local lads will be signed up to play with Markdale. Woods of Chatsworth, who played with Markdale last year, is playing with the Owen Sound juniors this season.

A social evening of games. contests, etc., also sale of Christmas gifts, homemade baking and candy, etc., will be held in the basement of the United church, Eugenia, on Tuesday, December 10, at 7 p.m. Hot dogs and lunch will be served during the evening. Come and enjoy an evening of fun.

The special services in St. John's United Church on Sunday were not well attended, owing no doubt, to the very stirmy weather prevailing at that time. Rev. D. D. Robertson of Toronto gave three splendid addresses at the morning, afternoon anl evening services. The re-opening of the Sunday School room took place at the afternoon service.

D. McTavish is New Reeve of Flesherton

The largest vote in the history of the village of Flesherton was cast on Monday at the municipal elections when Mr. D. McTavish was victorious over Mr. H. A. McAulay, the total vote being 116 to 100. There was one spoiled ballot. Both contestants had vehicles out working all day and practically the entire vote was polled despite the high drifts which prevailed.

Five years ago Mr. McTavish was Warden of the county, and since that time has been out of active municipal politics. Mr. McAulay spent one year in the village council. It is to be hoped that Mr. McAulay will, at some future time, come back to the Council Board and give his talents to serve the welfare of the village as he has done in the past. The following is the Council for 1930:—Reeve D. McTavish; Councillors, C. N Richardson, J. F. Mathefson, G. B. Welton and J. O. Dargavel.

CARTER SCHOLARSHIPS FOR GREY

Principal Wallace Elmslie, of the Owen Sound Collegiate Vocational Institute has been informed of the awarding of the Carter Scholarships for the County of Grey. The first prize winner is Miss Frances Clarke, who received $100 in cash, and the second, Mr. Richard Payne, both of Owen Sound. The third prize winner is Miss Ruth Dingwall, of the Dundalk High School. She spent but a single year in Upper School work. She obtained honor standing on every subject on which she wrote and in mathematics her rank was very high. Miss Dingwall is now attending Normal school at London.

H. Corbett is Reeve

Mr. Herbert Corbett of Proton Station was elected Reeve of Artemesia Township on Monday, with a majority of 74 over Mr. Alex. Cameron, who has held that office for the past two years. For the position of Deputy-Reeve the race was much closer with Mr. John A. Davis just nosing out Mr. I. B. Whittaker by 12 votes. The voters turned out well, considering the weather, as will be seen in another column. Up until noon only eleven votes hal been polled at the Flesherton division, but the afternoon saw a rush of voters to exercise their franchise. The following is the list of votes pilled by divisions:

	Cameron	Corbett	Davis	Whittaker
Orange Valley	25	55	67	14
Flesherton	34	42	37	37
Proton	29	55	42	32
Ceylon	49	54	19	83
Priceville	24	64	42	48
Vandeleur	17	25	29	15
Eugenia	87	36	52	62
Portlaw	26	34	37	22
	291	365	325	313

A Sad Passing

Last spring three sisters, daughters of Mr. and Mrs. Will Gordon of Eugenia, developed lung trouble and were taken to the Hamilton hospital devoted to such cases. On Thursday morning of last week, Miss Eunice passed away and was brought home for interment in Salem cemetery. The funeral was to have been held on Saturday last, but owing to the terrific storm it was postponed until Sunday. Miss Eunice was only 18 years of age.

The other two younger sisters are still in Hamilton and it is expected that both will recover. The case is a very sad one and very much sympathy is expressed for the parents.

FLESHERTON PUBLIC SCHOOL.

Jr. 3.—R. Wolstencroft, M. Duncan, N. Thistlethwaite, G. Macdonald, G. Gibson, F. Patton, E. Croft, H. Love, D. Whitehead, E. McRae, J. Alexander C. Plester, D. Scott, W. Graham, M. Miller.

Frozen fish from Lake Athabaska, several hundred miles north of Edmonton, are successfully marketed in Chicago and other cities of the United States.

Santa Claus Will be Here December 14

The following letter was received through the mails on Tuesday noon from Santa Claus announcing his 1929 visit. He said:

Dear Children—

I will be in Flesherton to visit you all on Saturday, December 14th, and hope to meet as many of my little friends from the surrounding country as can come to town that day. I will give each boy and girl a bag of candy and nuts and in each bag will be a special prize. A ticket inside will direct you where to get it. I am leaving everything in the hands of a committee in Flesherton who will also see that you have a good time. I will see you all in Flesherton on Saturday. December, 14th.

SANTA CLAUS.

Besides the reception for Santa Claus there will be dog races, cat shows, prizes for best dressed dolls, by little girls, display of fowl, including geese, ducks and chickens, for which prizes will be given. An extra special event will be a prize to the largest family coming the furthest distance to town. Other special prizes will be announced in full next week.

Santa Claus wishes to see all the boys and girls of the district to visit him in Flesherton that day and assures them that they wll have the time of their lives.

High School Inspector Gives Fine Report

The following is an extract from the report of Inspector W. A. Jennings of his visit to the High School on October 24 and 25:

"The building is in first-class condition and bespeaks careful attention by the janitor. Very satisfactory additions have been made to the library and equipment. A good timetable has been provided. I saw a great deal to commend in the lessons I observed. The Principal is a good teacher with several years' High School experience, and, although the others have not taught previously in a secondary school, they are giving excellent service. The Board is to be congratulated on having a staff of young and enthusiastic teachers who are performing their duties in a satisfactory manner. There is evidence of good organization and there is a fine relationship between the pupils and their teachers. Several classes are in a very backward condition but with very hard work they may reach the proper standard by the end of the school year. The trustees are evidently desirous of giving the teachers the necessary equipment to make their work effective. I had the pleasure of meeting Mr. Henry and discussing the school's affairs with him."

CARD OF THANKS

We wish to thank all our neighbors and friends for their kind help anl sympathy, also floral tributes, during our sad bereavement.—Mr. and Mrs. J. H. Healy, Glen Huron, Ont.

CARD OF THANKS

I take this opportunity of sincerely thanking the friends and neighbors for their wonderful kindness and help in our recent sad bereavement; also for the beautiful floral tributes sent.

Henry Coulthard anl family.

EEL GRASS INSULATION.

Utilization of large quantities of eel grass in the manufacture of insulating material is in prospect in the Atlantic coast provinces, and new earning opportunities for the people in many fishing districts are likely to follow this development.

Eel grass grows in great quantities in the shore waters at many places along the Atlantic coast of Canada, but up to very recently it was regarded as so much waste matter. A year or so ago, however, a company in eastern Nova Scotia began experimental manufacture of insulating blankets from this eel grass. The experiment was successful and a profitable market for the blankets has been found in the United States. Now it is believed that an increasing business can be developed in Canada, the United States, and elsewhere, and a group of business men and financiers in Nova Scotia are forming a second company to carry on manufacture.

The price paid fishermen who have engaged in gathering eel grass for use in this new branch of manufacturing is stated to be approximately $14 or $15 a ton, f.o.b. shipping point.
