Total Abstinence.

As an example of what can be accomplished in the direction of Temperance when sensibly and reasonably managed, and its beneficial results, it may be mentioned that the population of the County of Victoria is 32,000, of this number 6,000 are members of the Catholic Church, forming the parishes of Lindsay, Carden, and Fenelon Falls. The official list of convictions from the last quarter ending first of March, contains the names of twenty four offenders, not one of whom is a Catholic. This happy condition of affairs may be attributed mainly to the efforts of the Rev. Mr. Stafford, who by personal example and calm and dispassionate argument, has induced his parishioners to form strict habits of Temperance To enforce sobriety by the Act of Parliament is an impossibility, it would be the tyrannical act of a majority to which the minority would not submit. Spasmodic ravings about Prohibition, by advocates who are here to day and gone to-morrow: and by people who are total abstainers during the spasm, and when the spasm is over, revert to the old "Tonic," "purely vegetable," is next to useless. The course pursued by the Rev. Mr Stafford, that of a reasonable and persistent moral suasion, is the proper one, and were it more generally adopted by our pastors, the results would be incalculably beneficial.—*Bobycaygeon Independence*

Golden Information!

Awhile ago, said Mrs. Dr. A. A. Jordan, 51 Lincoln street, Worcester, Mass., one of my friends from the South spoke to me very highly of St Jacobs Oil. I resolved to try it on my patients, and I must confess that I was surprised at the results. It has never failed to cure all that it claims to, and I prescribe it willingly and confidently to those of my patients who suffer with rheumatism, sprains and all bodily pains. It is certainly a wonderful remedy, and I can highly recommend it.

AURORA.

R. Newberry, always to the fore when artistic workmanship is concerned, has introduced the new process of photography in Aurora, by plates which are prepared in England, the most difficult subjects, such as animals or children can be taken in a flash and with surprising accuracy. It is called the dry plate process, and is used principally in the larger city studios.

Some half dozen gentlemen from Schomberg took the train here for Manitoba on Tuesday morning. They were a hearty looking lot of grangers—just what are wanted to break up the prairies of the Nor' West.

Isaac Hartman and his nephew, Erse Graham, left Aurora for Gunnison city, Colorado last week.

Frank Button has erected a handsome picket fence between his lot and the railroad which adds materially to the appearance of the premises. He is fitting up the hotel property nicely.

—BOREALIS

A Good Filter.

To have pure water in the house every family should have a good filter, the health and comfort depends largely upon the use of properly filtered water. The liver is the true filter for the blood, and Burdock Blood Bitters keep the liver and all the secretory organs in a healthy condition. It is the grand blood purifying, liver regulating tonic.

Newmarket.

BADLY SCALDED.—On last Friday a little girl, daughter of Mr. Councilman Ramsden, of East Gwillimbury, while playing in the yard, accidentally upset a pot of newly-made soup on herself, scalding her neck and breast very badly. Dr. Forest, of Mount Albert, attended the little sufferer, and we are glad to learn she is getting better.

Worse than War.

"The throat has destroyed more lives than the sword," by imprudence in eating and intemperance in drinking; but when the health becomes impaired the miserable dyspeptic may find prompt relief in Burdock Blood Bitters It regulates the bowels, acts upon the liver and kidneys, purifies the blood and stimulates all the secretions to a healthy action.

Rest and Comfort to the Suffering

"BROWN'S HOUSEHOLD PENACEA" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels Sore Throat, Rheumatism, Toothache, Lumbago, and any kind of a Pain or ache. "It will most surely quicken the Blood and heal, as its acting power is wonderful." "Brown's Household Penacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds and is for sale by all Druggists at 25 cents a bottle.
