TESTIMONIALS.

TORONTO, April 12th, 1881.

MESSRS. R. S. WILLIAMS & SON'S.

GENTLEMEN—I have much pleasure in testifying to the great excellence of your Pianos. I have put them severely to the test, and find them possessed of those qualities of tone and touch so acceptable to the true musician and lover of classical music—a charming singing tone, easily graduated from the most delicate pianissimo to every degree of loudness and fullness, and a touch which answers readily to every shade of feeling.

I consider these instruments a great acquisition in musical society, and am much pleased at finding a piano which I can recommend with perfect confidence

I am, Gentlemen, yours very truly, CHAS. W. EWING, (Of London, England,) Organist of St Peter's Church, Coburg, Ont.

TORONTO, Nov. 4th, 1882.

MESSRS R. S. WILLIAMS & SONS—

GENTS—Having thoroughly examined the Workmanship of your Pianos, I have no hesitation in stating that, in my opinion, they are equal to those of any other of the best Makers that I have seen

I can only speak in the same high terms regarding their musical qualities; for their fine full singing capability of tone, pleasant touch, &c, are such, that there seems to be no necessity to purchase foreign instruments, when our home enterprise can produce such Pianos, and at one-third less cost

I am glad to hear that the extensive sale of your instruments shows that you are meeting with the success that I think you justly deserve.

I am, Gentlemen. Your Obedient Servant,

GEO. W. STRATHY, Mus Doc.
