Robert Burns "Nicht"

An illustrated lecture on the birthplace of Robert Burns, the Scottish bard, was given by Mr. John McQuaker of Owen Sound to the Men's Club which met in the Sunday school room of the United church on Monday evening and which took the form of a "Burns Nicht." Mr. McQuaker gave an excellent address and was given rapt attention throughout the hour he was speaking. Most of the pictures were taken by himself while on his visit to Scotland in 1921 and included views of Glasgow, Ayr, Dumfries, and many other beautiful spots in that locality. A hearty vote of thanks was given to Mr. McQuaker at the finish of his address. Another interesting number was given by Mr. Jas. Robertson on the life of Robert Burns, depicting his fight with poverty his success in his literary pursuits and finally his passing at an early age. Several musical numbers were given by the Club orchestra and by other members. Lunch was served at the close of a very enjoyable evening.

Co-Operative Company Had Second Best Year

The Osprey and Artemesia Co-Operative Company, Limited, held their annual meeting in the town hall, Flesherton, on Saturday, January 27, when the directors reported one of the best years in the history of the company—in fact it was the second best year. The Company shipped more live stock than in 1928, the total money value being $20,157 more than in 1928.

The report of the shipper, Mr. Harold Spofford, showed that 93 cars of stock were shipped, the total number of head of stock in the cars being 6,583, and the money value totalling $137,917.15. There lies in the bank a credit balance to the insurance fund of $532.54. The increase in stock shipped was 800 head over that of 1928.

The turnover in the store operated in Flesherton, during the four months of its organization is as follows: 5,000 dozen eggs to the money value of $270.49; poultry $$2,210.50; groceries $5,575.76; flour and feed, etc., $7,497.01, making a total business of $17,473.75.

The result of the year's work was so satisfactory to the shareholders of the company that they elected the old board again to conduct the business of the Company during 1930. The officers are: President, A. F. Pedlar; Vice-President, Thos. J. Sled; Sec.-Treas., G. Magee; Directors, W. Beaton, R. McMullen, W. Magee, W. Poole.

Mr. Harold Spofford resigned from the position of shipper for the Company after several years of successful work. Mr. Frank Taylor of Osprey was appointed as shipper in the place of Mr. Spofford, who will continue as manager of the store.

St. John's Annual Meeting

The annual meeting of St. John's United church was held on Thursday evening of last week in the Sunday school room of the church, when a fair attendance of members was present to review the work of the year and receive the reports of the various departments of the church. The pastor, Rev. W. J. Scott, presided over the meeting. The auditors' report on the church finances showed that while there was a debit balance of over $160 the future outlook for the church was very bright. The Maintenance and Extension Fund was reported several hundred dollars in arrears of its objective, but the books were being kept open to the end of this month in order to enlarge the amount of the givings for 1929. The Woman's Missionary Society, Ladies' Aid, Sunday school, organized classes and the building committee all gave reports and showed satisfactory progress. The church was newly decorated last fall and a new roof was laid in the summer, the total expenditure coming to about $1600.

The election of four members to the Board of Stewards resulted in the following being appointed: Messrs. John Parker, Gordon Irwin, Robert Richardson and Bert Sparks being appointed for a three year term. Dr. W. D. Bryce and F. J. Thurston were appointed auditors for 1930.

About forty persons of different ages joined Streetsville United church last Sunday morning. The service was conducted by the pastor, Rev. G. H. Purchase.

Tenders are being asked for the removal of the old mill at Eldorado. In days gone by this was one of the busy mills of the county of Peel. It was owned by the late K. Chisholm, afterwards purchased by Walter Ward who in turn sold it, with what is now the Eldorado park property, to the park company, and is now owned by the Canadian National Railways.
