Curlers at Markdale

Flesherton curlers gave a good account of themselves at the bonspiel in Markdale on Wednesday of last week when a rink skipped by Jim Dargavel won one game from Rocklyn, won one game from the crack Tipling rink of Shelburne, losing out on the last end and lost to a Markdale rink. The rink was composed of skip. James Dargavel; Vice Skip, M. Wilson; Second, G. McTavish, Lead, F. H. W. Hickling. Considering that none of the above men ever curled before this year, their display at Markdale is therefore exceptional. Another rink skipped by Walter Akitt vice A. Down, second T. Fisher, lead G. Johnston failed to win a game, but gave a good account of themselves in every contest.

We were in Dundalk Tuesday afternoon and the trip of a mile into the village from the highway was over one of the worst stretches of road we have ever travelled. The pitch holes were so deep that one of the boys in the back of the sleigh noticed that as we travelled along we drove right over a load of hay that was stuck at the bottom of one of these holes. It sure was a bad road for a farmer to take stock over.

CULTIVATE HABIT OF SENDING IN NEWS

One of the things that ought to become a fixed habit in every household in Flesherton in that of sending The Advance the news items that you may know of; tell us of your news and any neighborhood or other items that will be of interest to yourself, your neighbor or your friends.

Every lodge, church, body or social organization should have some representative who will look promptly and carefully after its news reporting, if you think some organization has better news service than your own, it is probably because that organization looks after such matters better.

Write your items and send them in where possible. Or telephone them, but please don't ask that long lists of names be taken over the telephone as it not only requires much time, but usually errors occur in lists thus given.

Above all, be early. Never wait till the last minute to send an item that can be sent in early.

The Advance telephone number is 18. Fix it in your mind.

CARD OF THANKS

We wish to thank our friends and neighbors for their help and kindness in our sad bereavement in the loss of our mother, Mrs. I. H. Perigoe at Flesherton.

In an effort to curb sheep-killing by dogs, Amaranth township council has decided to pay a bounty of $12 to anyone destroying a dog caught in the act of worrying sheep or to the party giving information leading to a conviction against the owner of the dog. Townships in this district have been hit hard for paying accounts for sheep killed and every effort will be made to kill all such dogs.
