

Interesting Speakers and Reports Heard at W.M.S. Eastern Rally At Ebenezer United Church, Oct. 24

The autumn rally of the Eastern Section of the Ontario Presbyterian of the Woman's Missionary Society was held in Ebenezer United Church on Oct. 24. Mrs. Elton Werry, 1st vice-president, presided.

The morning worship was conducted by two members of the Bowmanville Trinity Afternoon Auxiliary who took as their theme, "Let not your heart be troubled."

An invitation was accepted to have the rally for 1952 meet in Orono United Church.

Presbyterial Treasurer, Mrs. G. C. Pirie, reported no increase over the previous year for the first three-quarters of the year.

Christian Stewardship Secretary, Mrs. C. W. Slemmon, reported on a raise of allocation for all Auxiliaries. Christian Stewardship is the practice of systematic and proportionate giving of time, abilities and material possessions based on the conviction that these are a trust from God for the benefit of all mankind. The amount

of our giving is the test of our consecration.

Mrs. K. C. Hopkins, literature secretary, presented "The Book Shelf."

"Muddles and Models"

Several members of Maple Grove Auxiliary gave an interesting skit "Muddles and Models," which was enlightening as to when and how to re-order the "Missionary Monthly and World Friends" magazines.

Presbyterial President, Mrs. T. G. Norton gave some brief highlights on the work that the W.M.S. does. 1. Supports 300 women; 2. Maintains buildings; 3. Publishes magazines; 4. Ships parcels; 5. Trains leaders; 6. Welcomes strangers; 7. Gives scholarships; 8. Helps rebuild; 9. Brings new dignity to Woman. She also emphasized the needs of the W.M.S. of YOU—Christian women to lead; study; give and pray.

Miss Muriel Taite of Courtois reported on the school for leaders which she attended in August at Whitby. She gave an interesting account of the members and

friends she had made while at the school.

Work In The City Church

The morning speaker was Miss Mary Blair of Oak St. United Church. Miss Blair has had wide experience having spent some years in Saskatchewan, Montreal, the Maritimes and is now in Toronto. Miss Blair spoke of the work which is carried on in a down town city church. Due to growth and change in a large growing city many have moved to the fringes. Oak Street United Church is an amalgamation of St. Giles', Parliament, and King St. United Churches. Many of the original members have moved to other sections and new and younger families moving in are non-church going. Therefore the church has to reach out, call on and invite these folks to make a fresh start. The work of the church and the W. M. S. worker is not as visible as the new housing project which is remodelling the six block section with new homes. Vacation schools are well attended, also there are fresh air camps for underprivileged boys and girls. New experiences and impressions are formed. Teen agers groups and couples groups are formed. Decisions are made and with much prayer and work leaders are coming in to help.

Everyone thoroughly enjoyed the hot dinner served by the Ebenezer ladies.

"A Needy World" was the theme of the worship service for opening the afternoon session which was conducted by members of the Newcastle Evening Auxiliary. Mrs. Chas. Found was at the organ.

Mrs. Donald MacLean, member of the Dominion Board and Secretary of Overseas Missions, gave a very vivid picture of the "United Church Training School" in Toronto. It is the only centre in Canada for the exclusive training of women for full time work in the church and overseas. It is affiliated with Emmanuel College and Victoria University. The young women receive invaluable training for their varied positions that are undertaken. In the training school the students share duties around the residence and have a happy, wholesome varied home life with rich never-to-be-forgotten experiences. The residence at 214 St. George Street and 25 Bedford Road are inadequate and in the early months of 1952 a campaign by the women of the church will be started all across Canada to help raise the needed funds for a new residence.

A playlet, "Christian Stewardship of Abilities" was very effectively presented by members of the King St. Evening Auxiliary.

With Mrs. E. Courtois at the piano Mrs. Robert Muir and Mrs. Lloyd Down sang a lovely duet "Listening at the Heart's Door."

Missionary Speaker

Another afternoon speaker was Miss Elizabeth Mewhort, returned Missionary from India. Miss Mewhort was dressed in a very colorful Indian costume. With her she had an interesting display of village costumes, jewelry and dishes. Miss Mewhort gave a glimpse of the task of sharing the Christian Gospel with the peoples of India. The Hindu is ready to give Jesus Christ a place but always there is the wish to choose the place He will have. They believe in many gods and incarnations. To Canadians as well as the people of India alike, God is unknown until we know Him in Christ.

Act 4:12—Neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved.

John 17:3—And this is life eternal that they might know thee the only true God, and Jesus Christ whom thou hast sent.

The Hindu wishes to temper Christianity so it will lose its dynamic. There is an attempt being made to bring together the three main religions spreading out and taking in all that is good so that Hindus, Mohammeds, and Christians may worship together.

Needlecraft News

by Pauline Roy

LET'S TAKE A few minutes to see how your Christmas plans are coming along. You should be busily working on them now—but if not, you had better start. If you have many gifts to make, you will probably concentrate on smaller items so that you'll have time to finish them before the big day.

other popular fashion items. You can feel assured that the gift of a belt will be appreciated, because a girl can't have too many of them.

Toys

A few suggestions for gift items might be welcome—in fact, they might prove the solution to your problem. For children—and there are probably many children's names on your list—you might want to make toys. Stuffed animals have a charm all their own. They're soft and cuddly—can take punishment without showing it—and are inexpensive to make. Another idea is to stuff a stocking and then dress it in any style you wish. It's lots of fun to do.

Fashion Accessories

In the fashion line there are many small accessory items that you can make, and you'll find patterns for them in any of the pattern catalogues. You can make them in corduroy, velveteen or plaid wool—very smart fabrics for this season. Belts are

For The House

There are so many things you can make for the house. Large projects that are absorbing and interesting, such as tablecloths, bedspreads and rugs. These must be started early if they are to be used for Christmas gifts. They are ideal wedding gifts too and can be given with pride and with the certain knowledge of how much they will be appreciated. From the tablecloth right down to the smallest doily, hand made gifts for the home are always suitable. The range in patterns is wide and a suitable theme can be chosen for the most discriminating hostesses. There are pot holders, hot plate sets, tea cosies, cushions, lamp shades and so on—It's early yet, you have plenty of time to get started, and THIS year greet the holidays with satisfaction.

Stuffed Bunny

If you wish to make a stuffed toy, try making this appealing little bunny. He sits up and begs to be loved. He can be made in any color of either percale, gingham, chintz, or calico-plain or printed—checks or plaids are good too. He has yarn whiskers and bright little button eyes. Children all ages will just love to have him. If you wish to make this BUNNY, a direction leaflet is available. Just send a stamped, self-addressed envelope to the Needlework Department of this paper and request Leaflet No. E-299.

Building Program of Durham High School Board Held Up Due to Lack Of Co-operation of Municipal Councils

H. D. Bigelow, Port Hope, was officially appointed attendance officer for the Durham District High School Board at the monthly meeting of the executive held in Port Hope, Friday, Oct. 19. The new officer's duties began Oct. 1.

Action with respect to building the new Port Hope High School and an addition to Bowmanville High School has been delayed due to an apparent lack of co-operation, at the present time, from municipal Councils concerned, according to D. Alex McGregor. He said the site for the Port Hope school has been secured and legal details completed but little can be done until concerned councils contact the school board.

On motion, the secretary was instructed to write the councils of the Townships of Clarke, Darlington, Hope, and Cavan and the villages of Newcastle and Millbrook requesting permission to hire an architect in order that the Board may proceed with preliminary plans for the construction of new school accommodation. Mr. McGregor urged "immediate action" considering the "overcrowded condition" of both Port Hope and Bowmanville High Schools. The board member estimated construction would take two and one-half years.

Principals Render Reports

Principals of the various High Schools in the Durham County High School District rendered their reports at the Board meeting. For B.H.S., Louis W. Dippe announced that Miss Judith Stenger, Enniskillen, "was successful in winning an award of \$200 for four years." He told the Board Bowmanville was victorious in an inter-school track meet (including Port Perry, Uxbridge and Whitby High Schools) and that the local school intends withdrawing from this group competition next year. It is expected Bowmanville will enter competition with Port Hope and Cobourg.

B.H.S. Commencement Exercises will be held Nov. 27, 28, 29 and 30 in the Opera House this year. Students plan presenting Gilbert and Sullivan's opera "The Mikado." The High School also intends sponsoring the "Earl Grey Players" on Nov. 3.

Lloyd Allen Martin, R. R. 3, Newcastle, received one of the United Counties \$40 bursaris, according to Principal Goheen of Newcastle High School. The principal also informed the Board Commencement will be held during the first week in November. He said Mr. Neil Stewart, music teacher, commenced teaching music in Newcastle High School on Oct. 9, giving one-half hour instruction each Tuesday.

Would Drop Agriculture

Miss Basnett, Principal of Orono Continuation School, requested the Board's permission to teach a science in all grades.

er. The Hindu teaches that all religions lead to the same ultimate truth. They find it hard to understand that God is a God of action and purpose and makes heavy demands upon us. Whether Indian or Canadian we have to come to the place of decision and say with Peter, "Thou art the Christ." May we all share in the spreading of the Gospel throughout the world.

In the absence of Mrs. W. P. Rogers, Mrs. Ross Stevens brought words of appreciation for all who had made possible such a successful day.

Rev. L. M. Somerville pronounced the closing benediction. The wet weather did not dampen the spirits of good attendance of 150 who braved the elements.

rather than agricultural science. She said agricultural science is largely an extension to the science course with agricultural topics added and as a result, both science and agricultural topics suffer in the attempt to cover all the prescribed course. She said many of the topics are of little value (ie: hatching chickens) considering that few of the students leaving school go into farming.

The Orono Principal quoted Mr. Rutherford, a teacher who has had considerable farming experience both past and present, as feeling that a straight agricultural course

would be of value but that any of the necessary information relative to an understanding by the pupils of the agricultural community in which they live can be taught incidentally to the straight science course.

The Board will apply to the Dept. of Education for permission enabling Miss Basnett to teach girls physical education, Miss Gray to teach typing and Mr. Rutherford to teach boys physical education and agricultural science, if that subject is continued at Orono. Mr. McCallion will teach shop work at Orono and Millbrook.

Attendance at Millbrook Continuation School was low during the past month due to illness and also the necessity of some students helping on the farm, according to Principal Miss Black. Field Day was a marked success with Alan Wright winning the boys' championship and Margaret Guthrie the girls'. Miss Black said 16 persons were registered in night classes, and that the total number of persons using the school's typewriters is 56.

prolonged illness.

She was the eldest daughter of the late John Puc and Sara Jane Edger and was born in South Monaghan Township. She was twice married, her first husband being Adam Pimmett of Otonabee Township, who passed away in 1926. She later married Benjamin Johnson and resided in the city of Peterborough for 24 years. He predeceased her in July this year.

Her son, Melville H. Pimmett of Otonabee, four grandchildren and one great grandson, a step-daughter, Mrs. Liace Mabel Thickson, Bowmanville, and two brothers, Alfred and Albert Puc and a sister, Miss Mildred Puc of Napinka, Man., mourn her passing.

The funeral was held on Oct. 26, from the Comstock Funeral Home, Peterborough, with Mather & Son, Keene, in charge of arrangements. Rev. H. B. Harrington, Keene, was the officiating minister.

Bearers were Lorne Pimmett, Keith Pimmett and Wm. Hope of Otonabee; Len Pimmett and Scott Huston of Peterborough and Wm. Steele of Keene. Interment was in Fire's Cemetery, Otonabee.

"There are no warlike people, just warlike leaders"—Ralph Bunche.

During the last ten years, the cheese manufacturing and processing industry in Canada has made phenomenal progress in catering to the varied cheese tastes of Canadians. There are literally dozens of kinds of processed cheese now on the market. In types, a dozen or more types of foreign cheese are manufactured in Canada.

OBITUARY

WM. A. HAMLEY

After a short illness, William Arthur Hamley of Tyrone passed away in Memorial Hospital, Bowmanville, Oct. 17. A son of the late William and Agnes Hamley, he was born in Tyrone, Nov. 7, 1875. After following his occupation as a farmer for a number of years, he became Farm Manager at the Ontario Training School for Boys and was later transferred to Guelph Experimental Farm. He later worked as a carpenter, and following his retirement returned to his home in Tyrone where he pursued his hobby of gardening. He was a member of the United Church.

The funeral was held at the F. F. Morris Funeral Chapel, Oct. 20, with Rev. D. J. Lute, Tyrone, officiating. Mrs. J. Gunn was at the organ. Pallbearers were Clarence Woodley, Luther Hooper, Lionel Byam, Russell Virtue, all of Tyrone; William Staples, Bowmanville, and Lorne Todd, Newtonville. Interment was in Bowmanville Cemetery.

Mr. Hamley was predeceased in 1928 by his wife, Bella Hannah. He was also predeceased by a brother, Wellington, Holland, Man., in 1948, and a sister Laura (Mrs. J. W. Virtue) in April, 1950.

Friends attended the funeral from Peterborough, Port Credit, Newtonville and Oshawa.

OBITUARY

MRS. MARY L. P. JOHNSON

Mrs. Mary Lavina Pimmett Johnson, formerly of 249 Stewart St., Peterborough, passed away in her 77th year in Memorial Hospital, Bowmanville, on Wednesday, October 24, after a

A Law Helps Us To Help You

Many people do not know they have the protection of the Small Loan Law. Our government passed this law in 1939 as a convenience and safeguard to any man or woman who needs to borrow money from time to time to meet money emergencies.

Before this law was passed, "loan sharks" took advantage of people in trouble by charging exorbitant rates and using vicious practices made possible by the lack of proper regulation.

The Small Loans Act has done away with all this. It protects borrowers by limiting charges and requires loan charges to be figured only on unpaid balances.

The business of lending sums of \$500 or less is under supervision of the Department of Insurance for Canada.

Organizations like Household Finance support the Small Loans Act wholeheartedly. It protects you from unfair lending practices and enables us to give the kind of quick, friendly, confidential money help we know you want.

Our booklet "Money Management, Your Budget"—designed to help you help yourself is available at your nearest branch office or by writing our Consumer Education Department, 80 Richmond Street West, Toronto, Ontario.
