Cars have been travelling south and east regularly. Saturday they came from Kimberley over the high route and reported the road in good shape. The plow has been working between Dundalk and Flesherton in spasms during the past few days, but have not made much progress.

The Markdale junior hockey team covered themselvs with glory last week when they won 5-4 in a final game of the Northern Hockey League to tie the round with Listowel, who won at home 3-2. Listowel had a three goal lead on the round at the commencement of the last period when the Markdale lads took the bit in their mouth and ran in three goals in quick succession to win the game and tie the round. Woods of Chatsworth netted four of the five goals. John Nuhn of Flesherton has been playing steady hockey with Markdale and had a lot to do with the success of the club. The play-off game is to be in Durham, if the ice can be secured.

Edward Beecroft Died in Barrie

After an illness of only a few hours there passed away on Saturday, March 8, in Royal Victoria Hospital, Barrie, Mr. Edward Beecroft, aged 51 years. He was born near Flesherton and was a son of George and the late Mrs. Beecroft and spent his early days in this district. In 1898 he was married to Lillie Vesey of Euphrasia township, who survives with a family of five children to mourn the loss of a loving father.

The children are Mrs. Stribell (Clara) of Meyronne, Sask.; Mrs. Gordon (Lena) of Toronto; Eldon, George and Mrs. Wiggins (Grace) of Angus. He also leaves his father George Beecroft of Flesherton; one brother, John Beecroft, of Owen Sound; one sister, Mrs. Salisbury, of Sarnia.

The funeral took place on Tuesday, March 11, from the home of his brother John, 146, 2nd avenue east, Owen Sound to Greenwood cemetery. The Late David Clayton

From the Leader Regina is republished the following correspondence from Lang. Sask:— Funeral services for David Clayton, pioneer of Lang, who died of acute Bright's disease Sunday at Weyburn general hospital were held Wednesday afternoon from the United Church to Lang Cemetery. Hundreds of friends of the family attended the obsequies and followed the body to the grave. Many floral tributes covered the casket.

Deceased leaves to mourn him three sons and his widow. One son W. H. Clayton residing at Turner Valley Alta. Mr. Clayton was born at Flesherton in 1863 and in 1898 came to Sintaluta, and in 1900 married Miss Ethel May Patterson at Collingwood. In 1905 he settled in Lang, where he has since lived.

Deceased took a prominent part in public affairs being secretary of the town and school and has also been a Justice of the Peace for the past number of years. Mr. Clayton has belonged to the Oddfellows and Masonic orders for 45 years. He has also been a very keen curlr and was well known throughout the province for his ability to draw to the button when the occasion demanded it.

Miss Rhoda Best and friend of Toronto motored up and spent the week end at the former's parental home.

Flesherton Boys and Girls in Toronto Form An Association

The Advance man had the extreme pleasure on Wednesday evening of last week of meeting with about 400 ex-Fleshertonians in the Forester's Hall, College street, Toronto, where they had gathered to discuss the advisability of continuing their organization of last summer in connection with the Old Home week in Flesherton, and also to enjoy a magnificent program. Dr. E. K. Richardson occupied the chair.

Dr. Fred Murray gave a statement of finances, which showed that the Toronto contingent had collected over one thousand dollars and had a balance on hand of $98.

Mr. Preston, manager of the Bank of Commerce here reported that Flesherton had a balance on hand of $1104.51.

Reeve McTavish, representing the town, informed the Toronto committee that Flesherton considered that they were entitled to a portion of the balance on hand and asked them to let us know their wishes in the matter.

Mr. Farquhar Oliver, M.L.A. was present and delivered a neat little address. If the organization was continued he was desirous of becoming a member.

A show of honds was taken as to the advisability of continuing the Toronto organization and this was carried overwhelmingly. Dr. Richardson explained that one of the objects of the association would be to look after cases of sickness and want. The organization was proceeded with and 75 families immediately joined at $1 per family. The officers appointed last summer were retained for the new organization, viz.—Chairman, Dr. E. K. Richardson; Secretary, Burton E. Field; Treasurer, Dr. F. W. Murray; Members of Commitee—W. H. Fenwick, Alex Gibson, W. N. Hemphill, Jos. Armstrong, J. T. Clark and Joe LeGard.

During the course of the evening Prof. Leslie with his Gipsy Band of singers gave some of the finest singing we have listened to in a long time. The Band consisted of fourteen female and six male voices, and was enthusiastically received by the large audience. Mr. Bert Petch gave two amusing selections in his inimitable manner. The evening was a delightful one to all concerned.

Those who represented Flesherton at the meeting were D. McTavish, Reeve; C N. Richardson, Chairman of the Hydro Commission; E. A. Preston, Treasurer of the Old Home Week Committee; T. W. Findlay, Chairman of the Committee; Alf Down and W. H. Thurston.

CAMERON-RUSSELL

A quiet wedding took place in Maxwell United church parsonage on Wednesday, March 12th, when Mabel Irene, eldest daughter of Mr. and Mrs. Wm. Russell, Wareham became the bride of William Cameron son of Mrs. Donald Cameron of Tyron. The ceremony was performed by Rev. Bamford. They were attended by Miss Olive Wilkinson of Duncan and Mr. Joseph Porteous of Eugenia. The bride was becomingly attired in a gown of monette flat crepe with hat to match. Following the ceremony the wedding party returned to the home of the bride's parents, where a dainty wedding supper was served to about twenty guests. Over forty friends were entertained in the evening, Miss Mabel Cameron niece of the groom, favoring the guests with several well rendered vocal selections.

The wedding cake which was made and beautifully decorated by Mrs. E. Acheson, aunt of the bride deserves special mention.

The bride and groom were recipients of many beautiful and use ful gifts. The happy couple left for a short trip to Collingwood, where they visited the groom's sister, Mrs. H. Clark. They will reside on the farm formerly occupied by Mr. Frank Taylor, 8th line, Osprey.

The Late David Graham

There passed away at Thornbury on Sunday afternoon David Graham, an old resident of Artemesia township, at the age of 73 years. He was born in Nottawa, Simcoe county and was the eldest of a family of six, of whom J. I. Graham of Vandeleur and Geo. Graham survive. For several years the late Mr. Graham made his home in Flesherton with two of his nieces and was very highly regarded as a resident. Five years ago he moved to Thornbury. The funeral took place on Tuesday afternoon, when service was held at his late residence in Thornbury, interment taking place in Markdale cemetery.

VALUE OF LIME

It has been found through experiments over a period of the past 25 years that lime has direct value to apple trees. The nature of the root system of the apple, penetrating fairly deep into the soil, enables the tree to obtain all the lime it requires from the subsoil. The apple, furthermore, is a plant which prefers a slightly acid soil and does best under these conditions. However, lime is of direct value because it enables the farmer to grow leguminous cover crops in the orchard and thereby supply organic matter and nitrogen which are the two constituents absolutely essential for the maximum production of fruit.

It was decided at a metting of the Old Home Week Executive on Tuesday afternoon to leave the disposition of the surplus funds from the celebration last August to the thirty-two backers of the celebration. Dr. E. C. Murray and F. H. W. Hickling were appointed as auditors and will report to the enlarged committee in a short time. The meeting was held in the Munshaw House and was attended by ten members of the executive.

EVERY BELL TELEPHONE IS A LONG DISTANCE STATION

Ready Now For Bigger Business

Long Distance telephone facilities were never so complete — so effective, speedy and far-reaching as they are today.

Our 1929 building programme added about 14,000 miles of talking channels to our lines. The standard of service was improved —is steadily improving.

And it costs less than ever before, because on January 1st reduced rates on calls to points 75 to 800 miles distant became effective—the second reduction within a year.

Why not lay your plans now to take advantage of this speedy, dependable, time-saving service?
