Giving Up Dry Goods Business—Bargains All Over The Store

Men's Overcoats, Ladies' Coats

We are advertising this week two of the most wonderful bargains in our entire stock, namely : **Ladies' New Fall Coats, Men's or Boys' Overcoats**

These garments were ordered early in June, for September delivery, and made especially for us, having selected our own cloths and linings. We decided to have our Clearance Sale too late to cancel. Now we are offering these to the public on a very small margin above cost, just enough to defray selling expenses.

These garments will not last long at these prices. Compare them with others and convince yourself that you are getting the newest styles and fabrics practically at wholesale price.

LIFE BURDENED BY DYSPEPSIA

Health and Happiness Came With "Fruit-a-tives"

Made From Fruit Juices and Tonics

"Fruit-a-tives", the wonderful medicine made from the juices of apples, oranges, figs and prunes, is one of the greatest means of doing good that this country of ours has ever known.

"Fruit-a-tives" is bringing health to hundreds and hundreds of people who suffer with chronic Constipation, Biliousness and Dyspepsia.

Mr. Frank Hall of Wyevale, Ont., says, "I purchased a box of "Fruit-a-tives" and began the treatment. My condition improved immediately. The dyspepsia ceased to be the burden of my life as it had been, and I was freed of Constipation".

50c. a box, 6 for $2.50, trial size 25c. At dealers or sent by Fruit-a-tives Limited, Ottawa, Ont.

THE BANEFUL CIGARETTE

(Orillia Packet)

Cigarette smoking has become so common that few parents realize how the habit has grown. By encouraging boys of seven and eight years of age to collect cards placed in cigarette packages the manufacturers have made children quite familiar with cigarettes before they know anything about the effect smoking has upon a growing boy. Now a cigarette maker offers to send a free sample package of cigarettes to all boys who haven't learned to smoke. There ought to be some way of protecting boys from such seductive temptations. Next thing we'll have similar offers of samples of other dopes under some misleading name. This summer the use of cigarettes amongst boys of twelve and under has grown rapidly.
