WHERE SOLDIERS MUST SWIM.

In the Dutch army a man must be able to swim as well as to fight. Moreover, if he is in the cavalry he must have a horse which will take a river as easily as a hunter takes a fence. Swimming maneuvers are part of the regular drill there. Collapsible canvas boats, manned by a few earsmen, lead the horses, so that they do not attempt to land on stone quays and other difficult points. The men swim across with their horses and on them. They do it in swimming costume and in all the accoutrements of war. There are few nautical emergencies for which the Dutch army is not prepared. Some of the officers have even reached a degree of proficiency that not only their horses and kit cross the river with them, but their pet dogs sit upon their shoulders and are borne over, almost without getting wet.

Success Must Follow

THE FAIR USE OF DR. WILLIAMS' PINK PILLS FOR PALE PEOPLE.

That is the Experience of Mrs. Sydney Druce, of Deseronto, Who Had Suffered for Many Years with Rheumatism and Catarrh of the Bowels.

From the Tribune, Deseronto.

Our attention was lately directed to the wonderful cure effected upon a resident of Deseronto, which illustrates in a very marked way the merits of that widely known health restorer "Dr Williams' Pink Pills." We refer to the cure of Mrs. Druce, wife of Sidney Druce, caretaker of the High School building. Being desirous of giving our readers the facts, a reporter of the Tribune called at Mrs. Druce's residence, and is therefore enabled to present our readers with the following facts, which can be vouched for by many neighbors and friends of the family. Mrs. Druce had from the early age of ten years been a sufferer from rheumatism and had endured an untold amount of suffering from this dire disease. She had tried scores of different medicines to dispel the malady, but in vain. Doctors told her it was impossible to eradicate the disease from her system and she had at last become resigned to the belief that rheumatism was incurable. In addition to rheumatism, about seven years ago she began to suffer from catarrh of the bowels with its attendant headaches and depression of spirits. The pain of the rheumatism and constant headaches wore her out. The doctors prescribed opiates which only dulled the pain, but did not repel the disease. The two diseases continued to make steady headway and at times she felt such pain that she could not even allow her husband to raise or move her. The neighbors thought she would never get up again. All kinds of remedies were suggested and many of them tried, but all in vain. Providentially, as Mrs. Druce expressed it, the use of Dr. Williams' Pink Pills was mentioned. It was not until the end of the second box that she realized any benefit. She then began to realize that she was regaining strength. Before she mentioned this to others her husband also observed the change, for he remarked one day "those pills are doing you some good, you look livelier than you have for some time." She continued the use of Dr. Williams' Pink Pills until she had taken fourteen boxes, with the gratifying and almost remarkable results that she was completely cured of the rheumatism and catarrh, not a solitary symptom of either trouble remaining. Mr. Druce was present during the interview and confirmed all that his wife had said and was as delighted as she in praising the virtues of Dr. Williams' Pink Pills. Mrs. Druce said that out of gratitude for this wonderful restoration to health she had told scores of other sufferers from different diseases of the virtues of the medicine which had been the undoubted means of prolonging her life. She hoped that others would follow her plan of giving the pills a fair and prolonged trial as she was confident that in the end success would surely follow as in her own case.

Cure Yourself of Rheumatism.

The application of Nerviline—nerve-pain cure—which possesses such marvellous power over all nerve pain, has proved a remarkable success in rheumatism and neuralgia. Nerviline acts on the nerves, soothes them, drives pain out and so gives relief. Try it and be convinced.

A woman, read Mr. Meekton from the newspaper, may argue, but she won't reason Yes, answered his wife. And a man, as a rule, doesn't do either.

Remember

We don't advertise for mere effect, but for business. We know that, if you are subject to cramps, that you should have prompt, efficient remedy on hand. Nerviline—nerve-pain cure—has a wonderful and immediate curative power. It relieves in one minute; it cures in five. Pleasant to the taste and the best known remedy for pain.

CONDUCTOR H. HOGG

And His Deadly Struggle With a Vicious Enemy.

Diabetes was Getting the Victory Over Him When he Began to Use Dodd's Kidney Pills Then the Tide Turned and He Was Saved.

Toronto, May 8.—Still another member of the staff of the Toronto Street Railway comes forward to testify to the unequalled efficacy of Dodd's Kidney Pills, in cases of Diabetes. This time it is Mr. H. Hogg, Conductor No. 207, residing at No. 81 Fuller St. who tells his story.

Here is what he says: "Diabetes kept me in continual misery, and nightly agony for three years. My blood got so impure that I thought I could never get it restored to its natural purity. I was tortured by dizziness, which grew to such an extent that I had to quit work. I lost flesh and strength rapidly, and, in short, I thought it was 'all up with me.'

"I used different remedies, but got no good from any of them, until a friend recommended Dodd's Kidney Pills.

"I had no idea they would help me, as I had been disappointed so often, but I decided to try them. The first box gave me wonderful relief. The dizziness vanished, and my head became as steady as ever it was. Three boxes completed my cure, and to-day I am sound and well, thanks to Dodd's Kidney Pills."

The best way to ascertain the real merit of Dodd's Kidney Pills is to test them. There can be no deceit then. They either will cure, or they will not. A trial costs very little, and it will settle all doubts for all time.

Dodd's Kidney Pills are sold by all druggists, at fifty cents a box, six boxes $2.50, or sent, on receipt of price, by The Dodds Medicine Co., Limited, Toronto, Ont.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,
