PORTLAW

On Monday evening of last week about seventy people of the community gathered at the home of Mr. and Mrs. Thomas Taylor, who have moved to Flesherton. During tht evening, Mr. and Mrs. Taylor were assigned seats of honor and presented with a cabinet of silver and tray, together with an address expressing warm appreciation of these worthy people, who have spent their wedded life in the neighborhood, and who were always zealous in promoting the best interests of those among whom they lived. Mr. Taylor was born on the farm where the presentation took place, his parents being pioneers; and during his life he saw the forest farm transformed to a productive and attractive homestead. Their removal causes a void that is hard to fill; but all wish them unbounded happiness in their new home.
