R. G. Holland Resigns As P. S. Principal

On Friday Mr. R. G. Holland, principal of the Flesherton public school, handed in his resignation to the school board to take effect at the end of his school term. As yet the board has not dealt with the resignation, but it is likely that it will be accepted, as Mr. Holland has not been enjoying the best of health during the past year or so and he feels that it would be better if he retired from active duty. We are sure that it will be with some reluctance that his resignation will be accepted as during the twenty years and six months of teaching in Flesherton he has won high commendation as a teacher, both here and throughout the Inspectorate.

There has ben a good many scores of pupils pass through Mr. Holland's room during his long term in Flesherton and each has left with a great respect for, andwith a sense of having learned something greater than just the lesson instructions, that would fit them for a greater place in life. While many would enter his room with fear and trembling, it was not very long until they would feel quite at ease (if they had their lessons learned.)

Altogether Mr. Holland has been teaching for thirty-six years, one of which was spent in the West. His early life was spent in the Edgely and Woodbridge districts and for a time conducted a store and post office at Penville, a corner near Tottenham. He came to Flesherton on January. 1st, 1910, and since that time has been the head of the public school teaching staff.

Much regret is expressed that Mr. Holland is forced to relinquish his duties at this time, but it is hoped that his health will improve and that he will have many more years of usefulness in the ommunity, where he has faithfully served the past years.

Mrs. John Phillips Died In Toronto

After suffering for nearly five months from a broken bone in the hip, Mrs. John Phillips, an old resident of this part, passed away on Friday, May 30th., in Toronto. Part of the time during her illness was spent in the hospital and remainder at the home of Mr. and Mrs. Jos. Phillips, where she has been residing.

The funeral took place on Monday following the arrival of the body from Toronto, the service being conducted by the Rev. Bamford, pastor of Maxwell United church, at both church and the grave in Maxwell cemetery. The pallbearers were her four sons, R. C. Phillips and Thos. Gamey.

The late Mrs. Phillips was born in Artemesia 74 years ago on the farm now owned by Mr. Thos. Lever, 1¼ miles north of Flesherton and was a daughter of the late Mr. Robert and Mary Ann Clark. Her early life was spent in that neighborhood and she went to public school in the old log school house, near her home, which has long since disappeared. About 41 years ago she was united in marriage to John Phillips of Osprey township and for many years lived on their farm on the Collingwood gravel road. To them were born four sons, Roy, George, Eldridge and Joseph, all of whom attended the funeral on Monday. Her husband predeceased her eleven yrs. ago, following the return of the boys from overseas, and since then Mrs. Phillips has made her home in Toronto.

Besides her immediate family she leaves to mourn three brothers and two sisters, Robert Clark of Flesherton, Richard of Manitoulin, Wm. of Idaho, Martha, (Mrs. Martin Phillips) of Flesherton and Frances(Mrs Thos. Gamey) of Toronto.

Those who attended the funeral from a distance were E. Phillips, Mr. and Mrs. Jos. Phillips, Mr. and Mrs. R. J. Phillips. Mr. and Mrs. Stanley Gamey. Mr. and Mrs. Wes. Hamilton, Mr. and Mrs. Wm. Brown, Mrs. Thos. Gamey, Sr. all of Toronto, Mr. and Mrs. Wilfred Phillips of Hamilton and Mrs. Gamey of Brockville.

Despite the cold, wet weather, there has been substantial growth of cereal crops and grass in the last week or two. In many districts fall wheat looks extremely well and near Klinberg station on the C. P. R. they are boasting that rye was heading out 10 days ago. Alfalfa also promises to be a big crop.

Road Oiling

Three tank cars of oil were distributed on the provincial highway five miles north and south of Flesherton, a distance of ten miles. This will lay the dust raised by the heavy motor traffic and travel on this stretch of road will be a joy in place of an inconvenience. The road south of Victoria Corners will not be treated owing to the state of repair it is in at the present time.

The annual picnic of the Ruthven-Cairns families and friends will be held on Saturday, June 14th, in the Memorial Park, Eugenia. Will all the friends please take notice and be on hand for a good day's sport. Games and races wor old and young. —Geo. Cairns, Sec.-Theas.
