## Cemetery Board To Build Mortuary Chapel

It has been decided to erect a mortuary chapel in the Flesherton cemetery, to take care of funerals held in the winter months. The decision was made at a meeting of the plotholders of the Flesherton cemetery in the town hall on Friday evening, which was attended by only a small number of plotholders. Plans have been made for the erection of a chapel to cost in the neighborhood of one thousand dollars, but the exact location of the building has not been decided upon At the present time Sec.-Treas. Thos. Clayton reports that there is on hand the sum of $500, without any liability against the property.

During the meeting Mr. Thos. Clayton placed his resignation in the hands of the chairman of the Board, but a new appointment has not been made yet. Mr. Clayton has given wonderful service to the town as Secretary-Treasurer of the Cemetery Board, and the present excellent condition in the appearance of the cemetery is largely due to his foresight and initiativeness. In place of an eyesore the cemetery has become a place of beauty for the last resting place of loved ones.
