The trial of Arabi took place on Sunday by court martial, consequent, it is said, on an understanding between Lord Dufferin and the Egyptian Government and the counsel for the defence. The proceedings lasted only a few minutes. Arabi pleaded guilty to the charge of rebellion, and was sentenced to death, but the Khedive soon after commuted the sentence to exile for life. It is thought he will be sent to the Cape of Good Hope.

Free of Charge.

All persons suffering from Coughs, Colds, Asthma, Bronchitis, Loss of Voice or any affection of the Throat and Lungs, are requested to call at McFarlane & Co's Drug Store and get a Trial Bottle of Dr. King's New Discovery for Consumption, *free of charge*, which will convince them of its wonderful merits and show what a regular dollar size bottle will do. Call early. 3.

The Duke of Edinburgh is to be promoted to the rank of vice-admiral.

A Wise Maxim.

"A stitch in time saves nine," not only in making garments, but also in mending health. If Hagyard's Pectoral Balsam were used in the earlier stages of Colds and Coughs, many a "stitch in the side" and many a case of torn lungs might be avoided, that, neglected, rapidly develope into irreparable Consumption. y247.

Lord Macdonald has affected a compromise with the disaffected Skye Crofters.

Mothers!! Mothers!! Mothers!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle. y267

THE INDEPENDENT.

THE INDEPENDENT needs only to be better known to add to its already large list of friends. It has been published for thirty-five years and has acquired a world wide reputation as the best religious and literary newspaper.

THE INDEPENDENT is not denominational. Its creed and field are broader than any sect. As a Christian journal, its aim is to strengthen and extend Evangelical religion and to defend it against the attacks of Materialism, Atheism, and unbelief. It is free to approve or criticise in any of the denominations whatever it believes is designed to advance or hinder the progress of the Gospel of Christ.

In civil and political affairs THE INDEPENDENT will contend for sound ideas and principles. It fought against slavery and the iniquitous system of the Oneida Community. It is now fighting against mormonism. It believes in the reform of the civil service and tariff, in the purification of politics and in cheaper postage, and will maintain those principles which the highest ethics and best intelligence requires.

THE INDEPENDENT is designed to suit all tastes and wants. We provide weekly stories by the best magazine writers, poems by the leading poets of America and England (we first published in America Tennyson's last poems), and for others, who look specially for instruction, whether in religious, literary, educational, philosophical, or scientific articles, we furnish what no other periodical does or can. We pay large prices to obtain the most eminent writers. Besides the editorials, there are twenty-two distinct departments, edited by twenty-two specialists, which include Biblical Research, Sanitary, Legal, Fine Arts, Music, Science, Pebbles, Personalities, Ministerial Register, Hymn Notes, School and College, Literature, Religious Intelligence, Missions, Sunday school, News of the Week, Finance, Commerce, Insurance, Stories, Puzzles, Selections, and Agriculture. **32 Pages in all.**

We will report in full Rev. Joseph Cook's celebrated Boston Monday Lectures, which will begin in January. Mr. Cook has just returned from a two years' trip round the world, and his lectures this Winter will attract greater attention than ever.

Our New Terms for 1883.

One subscription one year	$3 00
For 6 months, $1.50; 1 for 3 months	0 75
One subscription two years	5 00
One subscription five years	10 00

These reduced prices ($2 per annum in clubs of five or more) are very much lower than any of the standard religious weeklies.

"TRIAL TRIP."

In order that one may read a few consecutive numbers of THE INDEPENDENT, and thus learn its value, we offer a month's subscription as a "Trial Trip," for 10 cents, which can be remitted by post in stamps. Payment of $2.90 the balance of a year's subscription will secure the remainder of the year. Specimen copy and judge for yourself. Address,
