HIGH TIME

At a wedding all went well until the bridegroom was called upon to produce the ring. In vain he felt in his trouser pockets. Nothing could be found except a hole through which the ring had evidently fallen.

What was he to do? Suddenly a happy thought struck the clergyman.

"Take off your shoe," he said.

The suspence and silence as painful. The young man removed his shoe. The ring was found, also a hole in his stocking. The clergyman remarked, evidently with more than the idea of the ceremony on his mind:

"Young man, it is high time you were married.".

To Hold Horse Racing At Flesherton Fair

During the past couple of weeks a subscription list has been presented to lovers of horse racing with the idea of recommending horse racing at the Flesherton Fall Fair in September. The petitioners have been meeting with gratifying success, and a considerable amount has been raised for this purpose and three good races are planned for that day. The track is being repaired and will be in first class condition for the races. This event is being anticipated with a great deal of pleasure by hundreds of people who enjoy a horse race. The lists are still open for donations and anyone wishing to assist this worthy ambition of horse fanciers should leave their contributions with H. Freeman or M. Wilson.

Wolf! Wolf!

A gentleman from Dundalk was in the valley on Monday picking raspberries when he caught sight of a wolf and four young ones; at least this was the story he told in town when he arrived shortly after making his discovery. How soon after we are not prepared to say. Quite a number from here left for the scene armed with rifles and sawed off shot guns (the usual armament when after dangerous characters) but all that could be seen were two dogs that had been running rabbits. It is a safe bet that if any wolves were in the district, the dogs would not have been enjoying themselves so immensely. However, the hunters enjoyed a fine ride to the valley and a little recreation and excitement, even though the wolf cry was only a fake one.

BORN

ARMSTRONG — In Durham hospital on Saturday, July 19th, 1930, to Mr. and Mrs. W. J. W.Armstrong, the gift of a son, James Wesley.

The harvesting of fall wheat in the southwestern portion of the province has been general during the past ten days. Due to warm weather with cool nights during ripening time, the heads are quite plump and the growers are securing much larger yields than they expected. Reports of agricultural representatives from other parts of Ontario would indicate a fair average crop of wheat.

W. M. S.

The regular monthly meeting of the W. M. S. was held in St. John's United church on Friday last with Mrs. Trempe in the chair. The hymn "I need Thee Precious Jesus" was sung and the Lord's Prayer was repeated in unison. Mrs. W. Wilcock read the Scripture lesson, and three members led in prayer. Mrs. Wm. Inkster read the devotional leaflet, which was on Temperance. One sentence was arresting "Is it possible to spend such millions of dollars as Canada is spending for liquor, without taking bread and milk out of children's mouths, and shoes off their feet?"

The President, Mrs. W. J. Scott took the chair, the roll was called and eighteen answered to their names. Mrs. W. I. Henry reported what had been done about arranging for the pageant which is planned for the second week in September.

By figures on the blackboard it was shown that in our allocation we are short over eighty dollars; plans have been laid with hopes that this deficit may be wiped out. A hymn was sung and the benediction was pronounced by the president.

Among recent English politicians there has been no one readier with the witty and discomfiting retort than Mr. Lloyd George. Addressing some Welsh farmers he once said, "We will have home rule for Ireland and for England and for Scotland and for Wales."

A German looked up at the sky and remarked, "I guess a leedle it will rain sometime pooty queek." "Yees, do, eh?" replied an Irishman. "What business have yees to purtend to know about American weather, ye furrin Galloot?"
