Sow Thistle Spreading

That the perennial sow thistle, recognized as the world's worst weed, is spreading at an alarming rate in ome parts of Ontario is the statement of A. R. G. Smith of New Hamburg, who as district weed inspector for Western Ontario, advises farmers to be on their guard. Mr. Smith reports that many fields sown to spring grain in districts where the weed was hitherto comparatively unknown, are at present a source of worry to farmers. He points out: If a perennial sow thistle plant comes to bloom it will mature its seeds unless the plant is burned. Farmers should not thresh their grain outside because the blooms will spread over adjoining areas, each seed having a parachute bloom which will carry for miles and stay up in the air for many hours." He advises farmers to cultivate gang plow or plow immediately after harvest on fields that are not seeded down. It is important to keep sow thistle from blooming or going to seed wherever possible. More than 850 weed inspectors are now at work in Ontario and every farmer should make a point to report the presence of this weed to the nearest representative.

BE WHAT YO' AM

De' sunflower ain't no daisy, and de mellon ain't no rose;
Why is dey all crazy, to be somfin else dat grows?
Jes. sticke to the place your planted, and do de bes' yo' knows;
Be de sunflower or de daisy, de mellon or de rose.
Don't be what yo' aint, jess yo' be what yo' is,
If yo' am not what yo' are, den yo' is not what yo' is;
If yo' jess is a little tadpole, don't yo' try to be a frog;
If yo' are de tail, don't try to wag de dowg.
Pass de plate if yo' can't exhawt and preach;
If you're a little pebble, don't try to be de beach;
When a man is what he isn't den he isn't what he is;
And as sure as I'm talkin' he is gwine to get his.

Maybe you have heard the story about the chap who was about to undergo an operation. The doctor said he would have to administer an anaesthetic. What for?" queried the man's wife. "So he'll not know anything," said the doctor. "I guess he don't need it then," said she.—Shelburne F. P. & Economist.

Dairy Herd in August

August is the hardest month of the years for the dairy herds. It milk production can be maintained during this month little concern need be felt about maintenance of the milk flow during the balance of the season," declares one authority who has developed several high record cows. For meeting the difficulties of this trying month, he suggests: Control of flies, protection from the hot sun, ample supply of cool water, and the use of a succulent feed to supplement dried-out pasturage. The first of these three measures can be best secured by the use of a suitable spray. The second may be provided by shade trees in the pasture under rhich the cows may feed and rest out of the sun. Another method is to table the cows during the day and let them pasture at night. Shading and screening the windows provides adden coolness in the barn and also helps to control the flies. For the third, a succulent roughage may be fed as a supplement to pasturage. Ensilage or corn give very good results.

She Got Her Fiver

Several evenings ago as we were entering The Sun door we picked up a little leather purse that lay on the sidewalk. On opening it we found that it contained a five-dollar bill and a two-cent postage stamp. We figured that the person who lost the purse must have been a woman and that $5.00 must have been her sole available capital. We made a good guess. We passed the word of the find around and the owner, who is an ederly woman, called and was delighted to get back her purse. She told us about the many misfortunes that overtook her lately and stated that all the money she had in the world was contained in that little purse. It as a real pleasure to us to be the means of gladdening the old lady's heart.—Orangeville Sun.

BETTER BULL AREAS

At the close of last year the following counties had, by bylaw of the county council, proclaimel themselves Better Bull Areas: Bruce, Perth, Oxford, Wellington,and Peel. In order that this bylaw may be passed it is necessary that at least eighty per ent of the bulls maintained within the county are pure bred. The work has been slow but the events accruing are such that public sentiment is behind the movement.

MILES—BEECROFT

Tuesday afternoon, July 29th, at 4 o'clock the South End Baptist Church, Owen Sound, was the scene of a pretty summer wedding when Pearl Arlene, only daughter of Mr. and Mrs. John Beecroft, became the bride of Frederick S., eldest son of Mr. and Mrs. S. Miles. Rev. Edward Hancox, former pastor, officiated. Mr. Harold Cooper ushered the guests into the beautifully decorated church.

The bride who looked charming in a graceful gown of pale maize georgette and bridal veil, arranged in cap effect, with a bandeau of orange blossoms and pearls, and carrying a bouquet of mauve sweet-peas and baby's breath, entered the church on the arm of her father to the strains of the bridal chorus, rendered by Miss Ora Heighes in pale green georgette with matching shoes hose and hat.

Miss Irene Sinclair as bridesmaid gowned in turquoise blue georgette with white shoes and hat and Mrs. Reg. Jermyn, matron of honor, in rose georgette with hat to match, attended the bride. Mr. Reg. Jermyn cousin of the groom, acted as groomsman. The bridal party included two winsome little flower girls Marion Beecroft and Jacqueline Jermyn, frocked alike in a lace-trimmed cream georgette over satin. They carried between them the basket in which the ring was concealed. The bridal party took their places before the flower-banked altar. Folowing the ceremony and during the signing of the register, Mrs. E. Hancox rendered a solo, "There's within my heart a Melody."

A reception followed at the home of the bride's parents, when the bride's mother in navy crepe and the groom's mother in black satin received with the young couple. Wedding dinner was served to about fifty guests at prettily decorated tables. Gold and white was the color scheme used. Seven girl friends of the bride acted as waitresses, Misses Jean Currie, Margaret Macauley, Leta Sinclair, Hadel Treleaven, Dorothy Showell, Myrtle Heighes and Ina Heighes. Mr. and Mrs. J. L. Stratton seated the guests in their places.

Befort dinner her travelling suit the bride tossed the bouquet from the stairs and it was caught by Miss Irene Sinclair.

Later Mr. and Mrs. Miles, the latter travelling in brown crepe suit with brown fox fur, matching hat, hose, shoes and purse, left by motor for Hamilton, St. Catharines, Niagara and other points. They were showered with confetti and best wishes. Guests present from out of town were: Mr. and Mrs. John Pedlar and Mrs. E. Wickens and daughter, Marion of Flesherton; Mr. and Mrs. Jas. Pedlar and daughters, Marjorie and Elda, and Mr. and Mrs. A. Blackburn and daughter, Mabel, all of Maxwell; Mr. George Beecroft, Mr. and Mrs. Fred Pedlar of Eugenia; Mrs. Lena Gordon and son, Alex of Weston; Mr. and Mrs. Reg. Jermyn and daughter, Jacqueline of Port McNicol; Mr. and Mrs. Stanley Patton of Proton; Mr. and Mrs. Geo. Cooper and son, Herbie of Meaford; Miss Jean Currie, Chatsworth; Miss Myrtle Heighes, Walter's Falls; Miss Margaret Macauley of Berkeley; Miss Leta Sinclair, R. N. of Windsor and Rev. E. and Mrs. Hancox of Toronto.

OLIVER — CRUTCHLEY

The marriage took place Saturday of Farquhar R. Oliver, M.P.P. for South Grey and son of Mr. and Mrs. James Oliver of Artemesia Township, to Miss Annie Mable (Maymie) Crutchley, younger daughter of Mr. and Mrs. A. W. Crutchley or Durham. The ceremony was conducted at the United Church manse, Thornton, Ont., by Rev. S. G. McCormack. The bride was attired in a brown canton crepe figured ensemble suit, with shoes and hose to match, and wearing a red fox fur. The attendants were Miss Reta Hanna of Toronto and Harold McKechnie of Durham. The couple left on a motor trip for Manitoulin Island, Sault Ste. Marie and other Northern points, the bride travelling in a blue suit with eggshell blouse. They will reside on the groom's farm on the South Line, Artemesia Township.

Harold Fisher of town had a narrow escape from serious injury when a car he was driving Sunday evening took to the ditch on the highway in front of W. Stewart's farm, north of town. The car, a coupe of ancient vintage, was a complete wreck. Harold was fortunate to receive only one scratch.

Small Advts.
