A JOINT SAVINGS ACCOUNT IS A REAL CONVENIENCE

PARTICULARLY as a matter of family convenience does the joint account demonstrate its value. All funds deposited are subject to withdrawal at any time by either of the persons in whose names the joint account is opened. In case of the decease of one of the parties holding a joint account, all money may be withdrawn by the other. A joint savings account in the Bank of Commerce is a real convenience where two people desire access to the same funds.

We are informed by Dr. A. E. Little, district game warden that duck hunting does not open in this part until September 15th, and that the Eugenia reserve is still closed. It has been understood that duck hunting opened September 1st, but such is not the case and hunters are requested to take note of the above.

Binder Used 45 Years

We have read recently of farm machinery that has been in use for twenty some odd years and still going strong, but we believe that the record for keeping implements in first class repair belongs to the Flesherton district. Fourty-four years ago Mr. Richard Bentham of Flesherton purchased a Massey-Harris binder, one of the first on the market, from Messrs Petch & VanDusen of Flesherton. It has just finished the cutting of the forty fifth crop. The original canvas is still being used and very few replacement of parts has been necessary. The secret of the long life of machinery in this case seems to be that of storing it in a shed immediately after being used and constant oiling and general care. It has been proved many times that the care of machinery pays high in dividends and a heavy drain on the bank balance is thereby eliminated.

Trimble-Trimble

A quiet wedding took place in Flesherton on Saturday evening, August 30th, when Mrs. Anna Trimble of Sault Ste. Marie, widow of the late Robt. G. Trimble, was united in marriage to Mr. William Wesley Trimble of Flesherton. Rev. J. R. Wolstencroft officiating. Heartiest congratulations are extended to Postmaster and Mrs. Trimble, with best wishes for many years of happy life together.

"CHAMPIONS ALL."

For three consecutive years the Weller Business College won the Canadian Championship in open competition and holds both the National and International record.

During the business depression of 1930, the Weller Business College graduates stood alone, and proved by their achievements that every graduate is a champion.

Out of thousands of available stenographers the Weller students were chosen on their merits, and every and received a lucrative position

Special Exercises At High School Opening

Tuesday morning a number of the members of the board and those interested in the Flesherton High School met in the Assembly Hall to get the students and staff off to a good start. Principal Thibaudeau welcomed all those present and referred briefly to the excellent standing of the school during the recent examinations, and urged that even better work should be attempted next year. Rev. Wolstencoft made a stirring appeal to the students to make the best use of their opportunities. "Knowlelge is power and ignorance is not innocence," he claimed, pointing to the degredation of communities which are backward in education. He advised the students to learn an occupation. The girls should learn to cook, the boys to work—and expressed the hope that some day Household Science and Manual Training should be added to the course of studies in Flesherton High School. Misses Brydone, Acheson and Lighthart, the assistants, congratulated the students on their recent success and expressed confidence in them in the work of the coming year. The principal made a reference to the energy and enthusiasm of the board that made this excellent year's work possible. The parents and relatives who attended are thanked for their interest in the affairs of the school.

The attendance at the high school Tuesday morning showed eighty-seven students on the roll, made up as follows:—Form 1, 29; Form 2, 17; Form 3, 25; Form 4, 16. It is expected that about twelve more students will be returning and the total attendance will be close to the hundred mark. The same staff as last year is again guiding the destinies of the scholars and another excellent year is prophesied.

Walter Akitt Bought Local Skating Rink

At a meeting of the shareholders of the Flesherton Rink Co. on Tuesday evening it was decided to accept an offer of $1200 for the property, made by Mr. Walter Akitt of town. The sale is subject to the consent of the remaining sharehoders who live at a distance.

Ten years ago this fall the rink was purchased from the estate of the late Wm. Boyd, who erected the building some eighteen years ago. It has been operated by the Rink Company in a very satisfactory manner since that time, although it was not a money-making proposition. During the winter time it is the rendevous of the young people and will continue to be used as such, as a clause in the sale states that it is to be used for that purpose altogether during the winter season.

Local techers who have left for their schools are: Laura Boyd near Dundalk, Inez Brown near Markdale, D. Thurston at Toronto, Ross Smith in Adjala Township, Florence McFadden at Burketon and Mabel Parslow to MacGregor school in York Township.

A shower was given on Thursday evening for Mrs. Mark Fawcett (nee Mildred Ferris) at the home of her parents, Mr. and Mrs. Robt. Ferris, while she was on a visit from her home in Collingwood. She was presented with a pair of woollen blankets, a bedspread and table cloth, with the best wishes of a host of Flesherton friends.

Mr. Iva Merriam commenced his duties on Tuesday as principal of Flesherton public school, and has as his assistant, Mrs. C. J. Bellamy, who has been teaching the junior room for several years. Thirteen new students commenced their scholastic career and the school is now nearly taxed to its utmost. Mr. Merriam comes highly recommended and we wish him a full measure of success in his new school.

The first case to come before Magistrate Walker in which farmers were charged with refusing or neglecting to destroy noxious weeds, after being ordered to do so, was heard in Chesley on Saturday, July 19th. Weed Inspector A. L. McKinnon laid informations against two farmers of Elderslie. They were allowed to go on condition they pay the costs which amounted to $5.24.

"Stop" Means Stop

At the Owen Sound police court S. Corey, a resident of Wiarton, admitted technical guilt when charged with failing to stop at a "stop" sign at a highway at Chatsworth, when he was coming off another highway, which enters the through one at that village. He claimed that he had been told by a provincial officer that when there is no traffic slowing down is all that is necessary at such points, but the court took a different view, emphasizing that a "stop" sign means "stop" and nothing else, and that any provincial or other officer or any autoist who has different interpretation for the law is laboring under a mistake. The defendant was fined $5 for the offence.

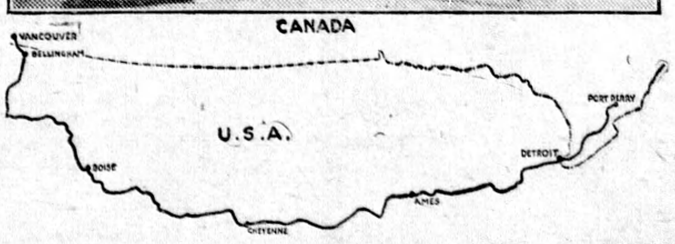
Pontiac Makes Sensational Trip



STOCK CAR COVERS 3,458 MILES IN 84¾ HOURS

A Pontiac custom sedan taken from stock travelled from Port Perry, Ontario, to Vancouver, B.C., a distance of 3,458 miles, in 84¾ hours running time. It was driven by H. R. Archer, Pontiac dealer at Port Perry, Ontario, and one of his salesmen, G. M. Williams, both of whom are shown in the upper picture beside the car which gave them a thrilling ride to the Pacific Coast. Below, a sketch of the route followed, with overnight stops marked. The Pontiac's running time for the distance was better than the fastest train time between the same points.
