It is with deep regret that we learn of the serious illness of Jack, son of Mr. and Mrs. Roy McCauley of Toronto, with infantile paralysis. Jack has visited in town with his parents and is a fine, manly little fellow. We hope that he will completely recover from the effects of the dread disease.

Sea Flea Speeds

A sea flea has made its appearance in town and is owned by Dr. E. C. Murray. The name of the boat is Fleetwing and it is named true to nature. Quite a number from town were along with the genial doctor when he took the flea to Wilcock's Lake, one mile south of Flesherton station on Thursday afternoon last. Everyone enjoyed a thrilling ride on the speed boat, but the event of the day was the acqua-planing enjoyed by Dr. Bryce Emerson Thompson, Jeannette Cargoe and the writer. Dougald McKillop was also along, but he declared the water was too cold for him and that he didn't have a swimming suit anyway. Unlike most Scotchmen he didn't want to "take" a free ducking.

There is more of a thrill to planing along the top of the water standing on a four foot board than there is winging through upper air in an airplane. If the weather continues warm this Thursday the boys hope to put in a few more hours on the lake. This is Dr. Murray's second pilgrimage to the lake. as he tried out the old Shirley M. there when he first built the launch.

W. E. Morgan Dies After Lengthy Illness

The funeral will take place on Thursday afternoon, September 18th. Service will be held in the United church, Eugenia, at 2 o'clock p.m. and interment will take place in the Flesherton cemetery. The members of Prince Arthur Lodge No. 333, A.F. & A.M., of which the deceased was a member, will have charge of the funeral.

The late Mr. Morgan was well known throughout this district and was highly regarded by all who knew him intimately and much regret is expressed at his untimely death when in the prime of his life. He leaves to mourn his wife, formerly Daisy Smith, and two children, Patricia and Douglas. A brother also resides in Toronto. Ernie's untimely death is the result of services which he freely gave to his King and Country in time of stress, both in South Africa during the Boer War and the Great War, he having enlisted in 1915 with the 147th Grey Battalion, going overseas in the fall of 1916.

Much sympathy is expressed for Mrs. Morgan and family in the great loss they have sustained.

W. M. S. Concert

The Women's Missionary Society of the United church gave an excellent entertainment Friday night of last week, which was not patronized as well as it should have been. Slides were shown of our work in Korea which were very interesting and educational. The lecture on the slides was read by Mrs. Cargoe. Rev. W. J. Scott sang "My Ain Country", this was followed by the Pageant "Tired of Missions," which showed how necessary it is for the women of the church to stand by Missionaries, who have been sent out, if they are to give effective service in the foreign field or at home. Over thirteen dollars were taken at the door.
