Durham County Club Enjoy Annual Bus Trip To Niagara Falls Area

On June 5, 1976, The Durham County Club of Toronto held their yearly bus trip. This year, by way of a change we went to Niagara Falls and district. We were in a most

historical setting. Had it not been for the Niagara frontier, our stalwart ancestors and armies, Durham County or any other place would not be as we know it today. The prominent names of brave men of army and legislature still live today in names of counties, streets, roads and rivers.

After crossing the skyway at Burlington and on to St. Catharines, we took the shore road which was quiet and very scenic to Niagara-on-the-Lake. We visited St. Mark's Anglican Church.

The church was founded in 1872 and the church erected in 1805. In spite of the desecration, defamation and wars over the years, it remained a source of faith and peace.

Our next stop was Niagara Falls, which is breathtaking no matter how many times you see it. We had two hours there and each went his own way to the attractions he and she enjoyed. A perfect June day and the falls were fascinating - the rush, roar, spray, rainbows, etc.

It has undergone an extensive restoration programme. Two cement walls of the original church may be found

on either side of the nave. The wood from the boxed pews was used in the wainscoting around either donated or in memorium. Today this beautiful church still offers the faith, peace and serenity which it sustained in the past.

We took the pretty river road to Queenston Heights and for an hour or more enjoyed our picnic lunch and a stroll thru the grounds. Brock's monument is the main attraction and a beautiful view, second to none, is at the top for those who wish to make the climb.

We went to All Saints Anglican Church in Niagara for a lovely roast beef dinner. After dinner the President of the Club, Dr. Lianne Dickinson, gave a few announcements and in particular thanked Mr. L. McNeil, Mrs. A. Stonehouse and Mr. B. Ashton for arranging such a delightful days trip. Mr. Ashton thanked the ladies of the church for their time and effort in preparing the lovely meal.

June is dairy month in Ontario. The Honourable William Newman, Minister of Agriculture and Food, has agreed to take part in a cow milking contest with Ontario Dairy Princess, Debbie Rogers and newspaper personalities Paul Rimstead, Dick Beddoes and Jack Miller. The contest will take place in the Parliament Street studio of the CBC and be part of a live broadcast of the Radio Noon Show.

The contest will highlight a three week promotion from June 7 to 30 which will mark June as Dairy Month in the Province. Events during this three week promotion are being sponsored by the CBC, the Ontario Dairy Council, the Holstein Friesian Association, the Ontario Ministry of Agriculture and Food, and the Ontario Milk Marketing Board.
Radio Noon commentators George Atkins, David Schatzky and Barbara Peacock have lined up interviews with notables of the dairy industry during this three week event and the Radio Noon audience will have a chance to win a pure bred Holstein Friesian calf or a year supply of dairy products, equivalent to the value of the calf, by guessing its weight. On June 30 Mr. Newman will announce the winner and members of the studio audience will be treated to a feast of fine Ontario cheddar cheese.
Anyone wishing to take part in the festivities is asked to tune in to CBL 740 at noon on June 7 for further details.

The world's shortest river probably has the shortest name. It's the 440 foot D River in Oregon.

Interesting news from the Commerce.

8%

The Commerce Savings Account.

You can make withdrawals but there are no chequing privileges. The 8% interest your money earns on the minimum monthly balance makes it all very worthwhile.

The interest is paid into your account on April 30th and October 31st.

You even get a gold passbook.

8³⁰/₄%

Retirement Savings SMART Deposit Plan.

\$50.00 gets you started. As long as your money is in your Plan, you don't have to pay tax on it.

Put money in whenever you like. How much you put in (\$50.00 or more) is up to you. Subject, of course, to your yearly limit for taxation purposes.

The interest rate paid on your Plan (now 8³⁰/₄%) is set in June and December and is guaranteed between those dates.

You can withdraw all the money from your Plan at any time, but then you must pay tax.

9%

Home Ownership SMART Savings Plan.

You can start a Plan with as little as \$50.00 but only if you're 18 years of age or older, a resident of Canada for tax purposes, and you don't own a home in the year you use the deduction.

Save up to \$1,000 per year, for a home or home furnishings, tax-free, up to a lifetime limit of \$10,000.

The interest rate is set and calculated every month (now 9%). And the interest is compounded every 6 months and paid on June 30th and December 31st.

Use your Plan like a savings account. Put money in whenever you like, up to your yearly limit.

Just think, once you've reached your maximum \$10,000 lifetime limit the interest you'll have earned will make a tidy sum of money. And if your spouse qualifies, between you, you could double the savings and the benefits.

9¹/₂%

Commerce Term Deposits.

Here's how they work. Currently if you invest for any period of over one year to six years the rate is 9¹/₂%.

Say you put in \$1,000. (You can't put in less). If you left it in for a year and a day, you'd get 9¹/₂% interest.

Interest varies according to the term of the deposit and is paid on April 30th and October 31st.

If you cash it before maturity, there is an interest penalty. It pays to be patient.
