SINGLE
separated, widowed or divorced and looking for the right types for dating or marriage? Try CUPID computer. It scientifically assesses and matches each individual with the best potentials who are compatible in character, ideals, philosophy and interests. Not a "Lonely Hearts" club and therefore not advisable for the very shy or those with other emotional problems. For rational, intelligent individuals of all ages, occupations, races and religions. Cupid has different programs guaranteeing regular dates and/or marriage —or money refunds. In actual computer time it takes only minutes to find dates for most individuals and costs only pennies per day. Most important Cupid Computer eliminates the costs frustrations and time required in the usual methods of meeting and dating. We have many customer references as proof of past performance. Don't spend this summer with just anyone!

Senior Fastball in Town?

STOUFFVILLE - There's a strong possibility that senior - class fastball may come to Stouffville next season.

Prime requirements are a sponsor and a coach.

While intermediate fastball faded out of the sports picture in Stouffville this year, there's a drive on to revive it on an even stronger scale in '73.

Several of the town's better players moved down to Markham to perform with the 'Aces' in the East York 'A - A' League, that plays out of Dieppe Park.
