When The Bowels Are Constipated

Health Cannot be Good—Digestion and Other Bodily Functions Cannot be Properly Performed—Dr. Chase's Kidney-Liver Pills.

The character of food, sedentary habits, and neglecting the calls of nature may be set down as the usual causes of constipation. The accompanying derangements are indigestion, dyspepsia, stomach troubles, liver and kidney diseases, and an endless amount of pain and suffering. Poisonous impurities, when left in the blood, are bound to find lodgment in some weak spot of the system, and the result is disease of the most deadly nature.

It is a serious matter to neglect constipation. You may do so for a time, only to find that your health has been undermined by boldly derangements of the most fatal kind. You should have a movement of the bowels every day. To accomplish this, avoid concentrated foods, use vegetables and fruits freely, and take one of Dr. Chase's Kidney-Liver Pills before retiring, two or three times a week, or oftener if required.

Dr. Chase's Kidney-Liver Pills are not an ordinary cathartic. They have a specific and combined action on the kidneys, liver, and bowels, and consequently cure constipation, and the accompanying derangements, thoroughly and well, by removing the causes. For the information of those who are not yet familiar with the peculiar merits of Dr. Chase's Kidney-Liver Pills, we might add that they are purely vegetable in composition, pleasant and natural in action, and remarkably prompt and far-reaching in effect, even in the most serious and chronic cases of constipation, kidney and liver diseases.

Persons with weak kidneys are peculiarly susceptible to sudden change of temperature, and for this reason need to be on a sharp look out during the fall and winter seasons, lest the cold settle on their filtering organs and bring on Bright's disease of the kidneys, by far the most painful and fatal of diseases. Scores and hundreds of people make a practice of keeping Dr. Chase's Kidney-Liver Pills in the house, and take one whenever symptoms of constipation and kidney derangement make themselves known. Scanty, highly-colored urine, painful urination, and pain in the back and limbs are the danger signals of kidney disease.

Whatever else you may neglect, do not overlook the importance of keeping the bowels, the kidneys, and liver in healthful, vigorous action. There is no surer way of avoiding serious disease and prolonging life, and the evidence of the people of this country seems to prove conclusively that by far the most effective treatment in bringing about these results is the use of Dr. Chase's Kidney-Liver Pills, one pill a dose; 25 cents a box; at all dealers, or Edmanson, Bates & Co., Toronto.

Cramm occupied the chair very ably, supplying a suitable reading. The pleasant entertainment was closed by a short, pithy speech by Rev. D. C. Day, which was much appreciated. Coffee, sandwiches and cake were abundantly served. The collection in aid of the Sunday school amounted to nearly $10. The remains of Herbert Redden, son of Nelson Redden, Murvale, were interred in the vault here on Tuesday. Deceased had been ill for about three years. A Fine School Concert.

Ballantyne's Station, Dec. 31.—An enjoyable entertainment was held in the fourth concession school-house, by the pupils on the evening of Friday 20th. It reflected great credit on their teacher, Miss Hyssop, as much time and energy must have been expended in their training. An appreciative audience was in attendance, while the children rendered a pleasing programme, consisting of songs, recitations, drills and dialogues. Little Frank Edgar delivered an address of welcome in a bright and happy manner. The singing, which combined Christmas and patriotic compositions was charmingly rendered. The dialogues were unique and attractive, especially one, "The Rainbow," performed by seven girls, dressed in the representative colors, viz., Rose Edgar, Emma Curtis, Ethel Curtis, Edith McMaster, May Mitchell, Edie Edgar and Lizzie Wilson; and one "Reading A Letter," by five boys, viz., Willie Ballantyne, James Mitchel, Fred. Curtis and Thomas and Joseph McMaster. The school-room was handsomely decorated and the Christmas tree a glittering spectacle of beauty.
