## Your Business is Related to Ours

SINCE 1584, when the first European bank was founded in Venice, the story of the world's commercial progress is the history of the development of banking. Since the founding of the Canadian Bank of Commerce in 1873, the commercial progress of many of this Country's most successful business houses is closely identified with the services of this institution. Each local branch of the Canadian Bank of Commerce is equipped to meet the financial needs of the community.

THE STANDARD BANK OF CANADA

## Local and Personal

Miss Euphemia Graham of Owen Sound spent the week end with her friend, Hazel Alexander.

Miss Dollie Barrett of Owen Sound is visiting her friend, Hazel Alexander.

DRESSMAKING, also Furs renewed, worn edges tabooed—G. V. Smith, Eugenia. Phone 43 r 6.

The Auxiliary of St. John's United Church will meet on Thursday, 12th inst., at 3o'clock. All ladies are welcome

Mr T. Sled of the suburbs met with a painful accident one day last week while working in the bush. He was struck by a falling tree top. One rib was broken and another cracked. At that Mr. Sled got off very fortunately.

Rev. M. F. Oldham, rector of St Mary's Church, Maxwell, will preach next Sunday, Feb. 10th, on "The teaching and signification of the cross of calvary," but the regular service at 11 a.m All families are invited to attend this service.

Miss Sadie Ward, clerk in J W. Armstrongs jewelery store, while going down to the basement one day last week, tripped on a step and fell, alighting on the cement floor. Her elbow was severely injured, but fortunately no bones were broken. She was taken to Markdale for an X ray.

Word has been received that Miss Rose McCirr has been stricken with inflammatory rheumatism and is a patient in the hospital at Collingwood where she has been in training for about two years. Miss McGirr is well known in Flesherton and her many friends will wish for her a complete recovery in the very near future.

Mrs. M. Wilson entertained about twenty ladies on Friday last at an afternoon tea. The rooms were beautifully decked with spring flowers. A very jolly time was spent in games and contests. Had some of the younger generation seen their grandmothers "playing" they would have been surprised. Mrs. Wilson makes an ideal hostess.

Mr. Bert Wyatt has disposed of his farm three and a half miles south of Flesherton through the National Farm Agency (Limited), to Mr. Richard Allen of Springhill. Mr Wyatt is moving his wife and family to Walkerton, where he has secured a position.

Recent egg prices have taken a decided decline during the past month and have dropped from 35 cents per dozen to 20 cents. We believe that this is the lowest price that eggs have been for a great many years and prospects for a better price are not bright.

The ladies of town have taken to the curling game like a duck to water and have formed five rinks. They are using the ice every afternon at the new curling rink, and have already commenced a schedule of games. No doubt after more practice they would be able to make many of the men's rinks work hard for a victory.

---

That a prophet hath no honour in his own—county has been proven to our dis-satisfaction recently. Some three weeks ago The Advance published an editorial item anent the cost of government in Canada. This item the Farmer's Sun copied in its editorial columns, but credited it to the "Fredericton" Advance. Of course there is no such paper. But here is the joke: On Tuesday of this week the Owen Sound Sun-Times used the same item in its own editorial columns and gave it in special black ttype, but also credited it to the "Fredericton" Advance. The Sun might have had it three weeks ago, but postponed it until "distant fields" looked green.

---

We should widen our expectations to the magnificent sweep of His promise.—Dr, Maclaren.

## Flesherton Wins Group

In a fast and exciting Northern League senior playoff held in Flesherton on Friday last, Markdale defeated Flesherton by a score of 2 to 1. Playing in a two-team group each club won two games during the regular season and were ordered to play home and home games with goals to count to decide the winner.

Play was fast throughout the first period and from then on there was no let up, with both teams going at it hammer and tongs all the way through. Ed. McFarlane scored the first goal when he rifled one into the net about halfway through the first period. It was the middle of the second frame before Flesherton secured the equalizer. In an attempt to get the winning counter Flesherton threw caution to the winds and played four men up on the attack, bottling Markdale in their own end of the rink. The plan succeeded for a while, but Beard broke loose and rounding the lone defense man, went in close to the goalie to easily beat him.

Markdale—Goal, Wright; defense, White and Johnson; centre, E. McFarlane; wings, Beard and McCutcheon; subs, Perkins, Singleton and M. McFarlane.

Flesherton—Goal, Snell; defense, Boyd and McTavish; centre, McCutcheon; wings, Nuhn and Doyle; subs, Ferris, Patton and Sled.

---

The second game of the series of home and home games was played in Markdale on Tuesday evening of this week, when Flesherton showed their superiority over the Markdale bunch by the score of 3-1, thus winning the round by 4 to 3. Both teams travelled at top speed throughout the entire game. Flesherton team had much the best of the play throughout the whole game, J. Nuhn on centre kept Baird, Markdale's centre man, completely baffled. Boyd and McTavish played a fine game on defense, it being impossible for the Markdale team to cross the blue line. Gorrell and McCutcheon, Flesherton's wing men, also played a fine game. Bill Patton also dished up a fine brand of hockey. In the second period he took the puck completely around the Markdale net, and only by good luck Wright managed to keep him from scoring.

Markdale's only goal came in the second period, when a fluke which McCutcheon shot from centre ice slipped by Snell.

At the beginning of the third period Flesherton was facing a two goal lead, but the boys decided to go out and show Markdale just how hockey is really played. Nuhn grabbed the puck from the face-off, skated back towards the Flesherton net, whirled, at the same time gaining terrific speed. He flew through the Markdale forwards witih dazzling speed, and from outside the defense line drilled one past Wright which he had no chance of stopping. In about five minutes he duplicated this with another goal. From this time until the end of the period Markdale played 5 men up but could not beat Snell, who was playing a whirlwind game.

After the overtime period opened up both teams played hard to win. After eight minutes of play McCutcheon succeeded in getting inside the Markdale defense and beat Wright for the winning goal.

This game places Flesherton to play off witih Durham, the first game to be played in Flesherton on Friday, Feb. 13, and return game in Durham Monday, Feb. 16. Winner to be decided by total goals of both games.

---

Without duty life is soft and boneless; it cannot hold itself togethes.—Joubert.

## The Carnival

There was not as large a crowd as usual in attendance at the carnival in the arena on Thursday last but those who were there certainly enjoyed themselves. Band music was supplied, the local musicians being assisted by three players from Dundalk. A hockey game between Dundalk and Flesherton resulted in a tie of 1-1. The prize winners were: Gents' race, one mile, Wm. Gibson; best skating couple, Elda Karstedt and Jim Harrison; best lady skater, Elsie McKee; girl skater under 16, Velma Fisher; gent skater, Mr. McCue; boy skater under 16, Ed. Patton; gents' costume, Mrs Murray; clown, Jack Welton; tramp, Murray Stuart; lady's costume, Alice Heard; comic costume, Jim Pedlar; costume representing advertisement, Ward Harrison. Curling competition, R. W. Wilson largest load, Jack Langdon, Dundalk.

During the past week the water situation has become acute in Flesherton, many wells having gone dry, and soft water cisterns have failed to stand up to the extra demands made upon them. The town tank has been used by Mr. G. B Welton to supply many homes with water from McCaulay's pond, but even then it has been difficult to supply the demand. Last month the January thaw failed to put in an appearance and the usual winter supply of water from that source was cut off. It is a time of anxiety in many homes and the end of the water famine is not yet in sight.

## A New Service

Emerson J. Bennett has installed three vacuum cleaners which he will rent out by the day or half day at a reasonable rental.

1—Electric cleaner and attachment for cleaning curtains, mattresses, upholstery etc, 75c a day, 50c a half day.
