The Money Losing Cow

The average production of milk per cow in Canada is about 4,000 pounds annualy but authorities are agreed that the higher the production per cow the greater the proffit. You can materially increase the productivness of your herd by breeding better live stock and the local branch of the Canadian Bank of Commerce is at your service in supplying loans for the purchase of stock which will give a greater cash return for the feed and labor expended.

A juvenile hockey team from the public school played with the Markdale public school lads on Friday evening at Markdale but the score was 5-3 against them. The boys were enthusastic over the manner in which they were entertained after the game by the Markdale citizens.

Ice cutting has been in progress for the local market during the past week or so, the supply being taken from the Munshaw lake. The ice is not as clear as usual this year, but is of average thickness. There is not as much ice stored in town as there was a few years ago, as electric refrigerators have become more numerous.

A despatch from Edmonton, Alberta, on Tuesday gave the information that Ivan Lewis, 18-year-old son of Mrs. Thomas Lewis, formerly of Kimberley and Flesherton, had been instantly killed in an auto accident near his home. One other companion was also killed and another boy seriously injured. Much sympathy is expressed by friends of the family here and at Kimberley with the mother and two sisters in the tragedy of their loss.

Mrs. H. Blackburn Died In Toronto

An exceedingly sad death occurred in St. Joseph's hospital, Toronto, on Sunday, when Mrs. Hartley Blackburn passed away at the early age of 22 years. Mrs. Blackburn, who was formerly Miss Charlotte Boland, was a daughter of Mr. and Mrs. Charles Boland of Vandeleur, and was married to Mr. Blackburn only a year and a hasf ago. On February 3rd she gave birth to a baby daughter at the hospital, and later caught a cold and passed away, as stated, on Sunday. Besides her sorrowing parents she leaves four sisters and four brothers.

The remains were brought to Markdale and taken to her parental home, the funeral taking place to Markdale cemetery today (Wednesday).

The late Mrs. Blackburn had been residing with her husband at their home at Lakeview, near Port Credit, since their marriage. Hartley is a son of Mr. and Mrs. George Blackburn of Springhill. The young couple were well known here and the entire community extends sympathy to the sorrowing husband and parents.

Dundalk Will Celebrate

Dundalk has decided to go in for an old boys reunion during the coming summer. The dates have been fixed for August 2 to 5—Sunday to Wednesday. The Advance tenders its best wishes for a successful celebration. As Flesherton knows it is a tremendous undertaking, but we made a successful effort here and there is no reason why Dundalk's "big four" shold not be quite as successful. The Advance man lived in Dundalk 54 years ago and has a rather soft spot in his heart for the neighboring town. Health, weather, and a few other things permitting, we will be there to help celebrate. Spare not hard work and enthuciam and the success of the affair will be assured.

Flesherton 3, Durham 2

Flesherton grabbed the first game of the playoff series from Durham in the local arena on Friday night by the score of 3-2 and took a one goal lead to Durham on Monday night for the return game. The contest was fairly fast and the fans were given the worth of their money.

Durham drew first blood when they beat Snell. The first period ended one all and the remainder of the goals were secured in each of the other two frames, Durham also counting in the last period. McCutcheon, Gorrell and Bill Patton were the scoring aces for Flesherton while McIlraith and Kress counted for Durham. John Nuhn worked hard at centre ice and was unlucky not to have entered the scoring sheet. His backchecking was also working well, and Boyd and McTavish on defence were effective and their rushes were dangerous to Durham all the time. Snell in goal also showed up well. Alex. McIntyre of Owen Sound officiated as referee in a very efficient manner, and handed out three penalties to Flesherton and one to Durham on minor infractions of the rules.

The Durham lads play nice clean hockey, are always out to play the game and it is a pleasure for any team to be in competition with them.

The game in Durham should be a real interesting one although with mild weather the ice is likely to be sticky, which should be a great help for Flesherton.

Flesherton—Goal, Snell; defence, Boyd and McTavish; centre, J. Nuhn; wings, Gorrell and McCutcheon; subs, W. Patton, E. Patton and Ferris.

Durham—Goal, McDonald; defence Snell and C. McGirr; centre, Rowe; wings, R. McGirr and Kress; subs, Wilson, Elvidge and McIlraith.

Durham Won Round

Monday night saw a fast game of hockey on Durham ice. The ice was very heavy and sticky. The local lads worked hard, but through lack of subs (Durham had many of them) tired on the slushy ice. Bobby Saunders kept good control over the game and showed his efficiency of control in the third period, when the spectators began to have a squabble of their own on the ice.

The first period opened with each team on their toes. McTavish got the first penalty, and while in the cooler Durham succeeded in slipping one past Snell. As Flesherton had a one goal lead over Durham from the previous game, the score of the round was tied.

The second period oppened up with each team trying to get the lead. McTavish soon received his 2nd penalty, followed by a penalty for Durham. Flesherton had much of the play this period but owing to the snow on the ice could not shoot accurately. About half a minute before the period ended Durham broke loose and put a hard one past Snell, making Durham one goal ahead in the Northern Senior district play-off.

The third period opened with Durham slipping one in on a scrambie around the net. Elvidge one of Durhams best received a penalty, this gave the Flesherton boys courage and they worked hard to score, but had to do solo rushes, as passing was almost impossible. Durham scored again near the end of the period making the score 4-0 and winning the round by 3 goals.

While the locals were beaten on the round they were by no means disgraced and Durham had to work hard for every counter. About one hundred and fifty fans attended the game by special C.P.R. train and gave the boys encouragement by their presence. The lineup of players was practically the same as in the other game.

Nothing much ever comes to the town that is always waiting for something good to show up.

It takes organized effort on the part of citizens to do things worth while. It takes the same kind of effort to get things worth while.

Boots and Shoes Repaired

Now is a good time to have your old boots and shoes repaired, before the wet weather arrives.

Look them over and see what you need. A patch or a half sole may save you buying a new pair.
