## STOMACH INDIGESTION.

*Peruna Strikes at the Root of the Trouble.*

MR. S. J. MASSEY.

Mr. S. J. Massey, formerly a resident of Toronto, and a well-known business man, writes from 247 Guy street, Montreal, Quebec:

"I wish to testify to the ***good results I have derived from the use of Peruna.***

"Having been troubled for several years with catarrh of the head, I decided to give Peruna a fair trial and I can truly say I have received great benefit from its use.

"It evidently strikes at the very root of the trouble and good results are soon noticeable.

"I have also ***found Peruna a very valuable remedy for stomach trouble and indigestion.***

"I have no hesitancy whatever in recommending Peruna as a reliable catarrh remedy."

There are several kinds of indigestion. The trouble may be due to sluggishness of the liver, derangements of the bowels, enlargement of the pancreas, or it may be due to the stomach itself.

In nearly all cases of stomach indigestion catarrh is the cause. The only permanent cure is to remove the catarrh.

Peruna has become well-known the world over as a remedy in such cases.

### FROM PITTSBURG TO LAKE ONTARIO.

**Plan Practicable—Mechanical Lift Locks and Fifty-foot Dams Would Overcome Engineering Problems.**

Pittsburg, Pa., Dec. 18.—"A twelve-foot waterway from Pittsburg to Ontario" is the slogan of a delegation from the Rochester, N.Y., Chamber of Commerce, which is meeting with the rivers and harbors committee of the Pittsburg Chamber of Commerce. J. Y. McClintock, a prominent engineer of New York, and Assemblyman George L. Meade, come as special representatives of the Rochester organization.

"We are sure the plan is practical," said Mr. McClintock, "but want to be satisfied of the interest and support of representative men here."

Mechanical lift-locks and fifty-foot dams are the solutions advanced by the visitors for the problems of cost and water supply to connect Pittsburg and Lake Ontario by a waterway through which 1,200 ton barges may pass. Up the Alleghany river, to Olean, N.Y., over the middle at Cuba, and then down the Genessee river past Rochester to Lake Ontario, is the route proposed.

**THE PARAGRAPH PULPIT**

Unitarian.

REV. C. W. CASSON.

**Rites Or Rights.**

These two words express the characteristics of the two conceptions of religion. One emphasizes the religious rite, as of paramount importance. To be religious is to be regardful of the form. Books, censers, robes, figure conspicuously. But the other cares little for form, and seeks as its chief aim the establishment of right. It will adopt any method that aids in the accomplishment of this aim. Insofar as ritual inspires and incites to action it is willingly and wisely adopted. But when it obscures the real aim of religion it is discarded, as an evil. The Unitarian church stands for the right.

Address, Rev. C. W. Casson, at 25 Beacon street, Boston, Mass., for free literature.
