FEVERSHAM

Hearty congratulations and many returns of the day were tendered to Mrs. Alma Robinson, our esteemed neighbor a resident of our village who on Thursday, March 25th, passed her eighty-seventh birthday. Mrs. Robinson was born in Hull, England, in March, 1848, 83 years ago, and came to Canada with her parents the late Mr. and Mrs. Robert Brown, (sr) when she was eight years old. They were passengers on a sailing vessel and they were about eight weeks coming across the ocean. They encountered some very bad storms in mid ocean and had to lay too for several days to repair the damage to the masts and rigging of the vessel. They landed in Canada and came to Toronto, where her father, Mr. Brown, worked at his trade of blacksmithing for some time. Then they moved to Osprey township and braved the hardships of pioneer life on a farm two miles west of where Feversham is now located. In 1864 Mrs. Robinson (nee Ann Brown) was married to her late husband, Mr. John Robinson, and they went to live on his farm on the 12th line of Osprey, where they resided until after Mr. Robinson's death in 1878, fourteen years after their marriage. There were born to them three children, Mr Eli Robinson, now keeping store in this village; Lavina, who died four years ago; and Amelia Ann, at home with her mother. They reside with her son, Mr. Eli Robinson, since the death of his wife 19 years ago. The bereaved family moved to Feversham after Mr. Robinson's death and have lived here for 53 years. Mrs. Robinson is the oldest resident of this neighborhood. She has three grandchildren living, Mr. J. W. and Miss Annie in their store here, and Miss Dorothy Robinson in Orangeville business college. All the men rushed to the rescue, but it was too late to save the building. Those present worked hard to save the furniture and got out quite a lot of the things down stairs, but a great deal is lost. Mr. Lockhart has no idea how the fire started. They knew nothing of it till they were locking the doors to go to the shower when they smelled smoke and rushing to the attic they found a mass of flames. Those present worked hard to save Ernie Stimsons buildings as there was quite a strong wind in that direction, but the sparks fell mostly between the house and the barn. At present the Lockhart family have rooms at Ernie Stimsons. They are undecided what to do for the future. There was some insurance. We most sincerely extend our sympathy.
