Whatever your color scheme

Walpamur, the famous flat finish for walls and ceilings, forms the most delightful background for your treasures. The soft light-diffusing effect it produces, and its egg shell bloom, give a new beauty to your rooms.

It is so easy to apply, and has such covering power, that it is most economical in material and labour. In addition, it is permanent, washable, fire-resisting, and non-absorbent to moisture.

It can be applied successfully on a wide variety of surfaces, such as smooth and rough plaster, wallboards, etc., and permits of textured effects.

Consult your decorator or dealer as to its many uses. Ask him for a shade card, or write to us direct.

A MYSTERY SOLVED

Some time last November Mr. Sam Shiers made out an order to R. Simpson & Co., Toronto for $10.44 putting it in an envelope addressed to Simpsons and wrapping it with paper and claimed he put it in the mail box. After waiting some time and not receiving his parcel, came to my office in reference to the same. I told him we had never received his letter or order. Mr. A. McEachnie the courier stated he had not received the letter from the mail box. On Saturday April 11th when delivering his mail on R. R. 3 Mr. McEachnie noticed something on the ground at the bottom of Mr. Shiers box and in looking closely in the mud found the money and envelope, but badly discolored having lain there all winter. So everyone was happy.—W. W. Trimble, Post Master.

Surplus on Power Bill

Flesherton has received their 13th power bill from the Ontario Hydro Electric Power Commission and again we are pleased to report a surplus of $354.55 which is considerably lower than previous years. The reduction in the net surplus is accountable by the heavy expenditures on the local system, several new lines and installations being made, and also on account of the reduction in rates enjoyed by the consumers of the System during the past year, the minimum domestic bill now being $1.00. The local System also had to pay their share for the installation of a new station at Hanover, which brings the Niagara power in to the Georgian Bay System.

Total revenue for the year amounted to $5152.86, made up by domestic light, $2458.16; commercial light and power, $2105.95; street lights, $545; and miscellaneous $43.75. Expenditures amounted to $4798.31, composed of power purchased, $3158.80; distribution and maintenance, $255.87; administration and general, $445.67; interest and debentures, $431.46; debentures principal and sinking fund, $279.40. The total plant value of the Flesherton System is $10,354.44

Herb Akins Won Cup

Herb Akins of Flesherton brought honor to himself and his school on Friday night, when he was victorious in capturing the Toronto Daily Star trophy at the annual district oratory contest held in Knox Church, Owen Sound.

There were three contestants: Herb Akins of Flesherton, Victor Shouldice of Chatsworth, who took scond prize, and Miss Jean Hewitson of Owen Sound, who came third, each contestant choosing as a subject "A Canadian Statesman." Herb and Miss Hewitson chose Sir John A. MacDonald as their subject, and Mr. Shouldice Sir George Foster as his example of a Canadian statesman.

After the main speech was delivered each contestant gave an impromptu speech and this was the deciding factor in Herb's win, his speech on "What I would do if I were a millionaire," being a masterpiece for wit and humor. Besides winning the cup he was presented with a medal to commemorate the event.

Principal S. Thibaudeau of Flesherton High School presented the trophies to the contestants.

At a meeting of Creemore business men it was decided to change the half holiday from Wednesday to Thursday during the summer season.

Late T. F. McCarthy

Thomas F. McCarthy, one of the best known locomotive engineers on the Michigan Central Railway, died on April 11th at his residence at Niagara Falls, Ont., aged 60 years.

Born in St. David's, he had lived in St. Thomas and Toronto, and was an engine driver for 38 years. Deceased was a member of St. Thomas Lodge, A.F.&A.M., of R.A.M., St. Thomas, of Port Hope Lodge A.O.F., Toronto, and of the Brotherhood of Locomotive Engineers. He was a member of St. Andrew's Presbyterian Church.

Surviving are his widow, formerly Miss Carolyn Radley, daughter of the late Mr. and Mrs. Joseph Radley, and one daughter, Miss Araminta, of the Strong Memorial Hospital, Rochester, N.Y., and one son, Walter Lee, who is a student at Washington College, Washington, D.C..

The wealth of beautiful flowers expressed the affection and esteem of a host of friends, who paid tribute to his memory.

His relatives, Mr. and Mrs. Harman Radley and Mr. and Mrs. Jas. Stinson, were present at the funeral.

The Richmond Hill Agricultural Society has decided to inaugurate a "Better Farm" competition this year for which a silver trophy has been secured.

The contestants, it is stipulated, must be bona fide farmers, residing within a radius of 12 miles from the village of Richmond Hill, which is a short distance north of Toronto, and cultivating 50 acres or more. The judging will be on the basis of neatness of ground and surroundings, condition of buildings, state of cultivation, freedom from weeds, and care and quality of live stock.
