MAGISTRATE'S SKIN DISEASE CURED

Magistrate F. Rasmussen, of 211, Marquette Street, Montreal, writes to the Zam-Buk Co. as follows:—

"Gentlemen,—For many years I was troubled with a serious eruption of the skin, which was not only unsightly, but at times very painful. I first tried various household remedies, but all these proved altogether useless.

"I then took medical advice. Not one, but several doctors in turn were consulted, but I was unable to get any permanent relief. Some time back I noticed a report from a Justice of the Peace who had been cured of a chronic skin disease by Zam-Buk, and I determined to give this balm a trial.

"After a thoroughly fair test, I can say I am delighted with it. I have the best reasons for this conclusion; because, while everything else I tried salves, embrocations, washes, soaps, and doctors' preparations failed absolutely to relieve my pain and rid me of my trouble, three boxes of Zam-Buk have worked a complete cure.

"In my opinion Zam-Buk should be even more widely known than it is, and I have no objection to you publishing this letter."

For eczema, eruptions, rashes, tetter, itch, ringworm, and similar skin diseases, Zam-Buk is without equal. It also cures cuts, burns, scalds, piles, abscesses, chronic sores, blood-poisoning, etc. All druggists and stores at 50 cents a box, or post free for price from the Zam-Buk Co., Toronto.

Some reasons Why "Pandora" should be in your kitchen

Pandora range would look well in your kitchen—it's so handsome.

Its perfectly-ventilated steel oven would bake the bread and roast the beef better than your ordinary oven does.

Its special flue construction would save you fuel.

Its large ash-pan would save you carrying out ashes so frequently.

Its enameled steel reservoir would be handy at preserving time.

Its emery rod attachment would enable you to sharpen all your dull knives.

But the McClary agent would like to tell you several other reasons. Just give him a chance. 21
