Looks Like Incendiarism

Bancroft, Aug. 21.—A barn on the farm of Mrs. Dave McDonald, on the town line, was destroyed by fire on Monday night. Mrs. McDonald has had a good deal of trouble lately with berry pickers coming onto her premises although forbidden to do so, and she had some of the offenders in the police court recently. Her cattle having been mutilated, she says, and one party threatened to burn her buildings. It looks like a matter that should be investigated by the Provincial police.

GIRL COULD NOT WORK

How She Was Relieved from Pain by Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I had pains in both sides and when my periods came I had to stay at home from work and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now and have told lots of girls about it."—Miss Clarice Morin, 22 Russell Street, Taunton, Mass.

Thousands of girls suffer in silence every month rather than consult a physician. If girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion would take Lydia E. Pinkham's Vegetable Compound, a safe and pure remedy made from roots and herbs, much suffering might be avoided.

Write to Lydia E. Pinkham Medicine Co., Lynn, Mass. (confidential) for free advice which will prove helpful.
