A COSTLY FIGUREHEAD

Now we can imagine why some ambitious politicians would like to have the office of Governor-General regarded as a plum, to hold which they might aspire, in place of a distinguished man from the old land. A U.F.A. representative drew from the Government, in the Canadian Parliament recently, the following statement of expenditures connected with the office for the last financial year:-

Salary of Governor-General $48,666 Travelling allowance to His Excellency $50,000; salaries of his aides $10,000; fuel and light alllowance $19,000; maintenance of Rideau Hall $62,064; attendance and repairs of private cars $2,404; office of Governor-General's secretary, etc. $24,500; Governor's quarters, Quebec Citadel, $7,450; Canadian aide and orderly $5,340. Wouldn't some of the office seekers delight to get control of all this expenditure?

Large Crowd At First Phillips Picnic

Over 200 people were in attendance at the re-union picnic of the Phillips family all descendents of the late Wm. Phillips, who came to this district about one hundred years ago. This was the largest gathering of one family ever held in Flesherton and everyone had a most enjoyable time greeting the various relatives. Mr. and Mrs. W. J. Davis and two daughters of Gore Bay, Manitoulin Island, made a special effort to attend along with many others from Windsor, Port Colborne, Peterboro, Brockville, Port Colborne and other points.

Races for the children and older folk and ball games featured the picnic and fine prizes were given to the winners of the various events. Mrs Selina Radley received a brass bowl in token of being the oldest person in attendance. One feature of the gathering was the attendance of the five generations, headed by Mr. Jas. Maunders, who had married into the Phillips family, but whose wife was deceased.

Mr. and Mrs. J. W. Brown of Toronto are heartily thanked by the other members of the Phillips for their work in promoting the picnic from the beginning.

Members of the family from a distance were: From Toronto—Ed. Phillips, Mr. and Mrs. Stan Gamey, Mr. and Mrs. Cliff Gamey, Mr. and Mrs. Robt. Phillips, Mr. and Mrs. El. Phillips, Mr. and Mrs. Jos. Phillips, Vernon Alliston, Mr. and Mrs. R. W Hamilton, Mr. and Mrs. Fred Wight Mr. and Mrs. A. McKinley, Mr. and Mrs. L. Brooks, Mr. and Mrs. Chas. Howard, Mr. and Mrs. Roy Phillips, Mr. and Mrs. J. W. Brown, Mr. and Mrs. W. Tracey, Frank Phillips, Mr. and Mrs Roy Phillips. London—Mr. and Mrs. Stanley Scrovie; Detroit — Mr. and Mrs. A. L. Smith Mrs. D. Bunce, Mrs. J. Moffatt. Durham — Mr. and Mrs. Geo. Pedlar, Mr. and Mrs. Arthur Atkinson. Montreal — Mr. and Mrs. Robt. Hamilton. Port Colborne — Mr. and Mrs. W. M. Brooks. Gore Bay — Mr. and Mrs. W. J. Davis; and the many relatives residing in this district.

In the evening a dance was held in the town hall, at which everybody, old and young, enjoyed themselves thoroughly.

Educational Meeting

The annual convention of the Grey Branch of the Ontario Educational Association was held at Eugenia Saturday, the ideal setting for the large gathering being the Hydro park. There was a large representation of school trustees and ratepayers of the county in attendance at the sessions throughout the day. The speakers of the convention included Mr. S. A. Morrison of Meaford, Inspector of East Grey, Mr. Robert Wright of Hanover, Inspector of South Grey and J. J. Wilson of Owen Sound, Inspector of West Grey.

Some Kind Words

We wish to thank the editors of the various papers for their kind remarks on our reaching the fiftieth milestone of our history. We appreciate the kind words of good-will expressed in the following clippings from the papers indicated:-

(HANOVER POST)

* * * They get out a very creditable paper. We motored through the village on Sunday last, and those of us who are familiar with the costs entailed in publishing a paper, wonder how the Thurstons do it in a place the size of Flesherton. The people of Flesherton have reason to be proud of The Advance, and we hope they will show their appreciation in a manner that will enable the publishers to carry on.

(Dundalk Herald)

The jubilee number of The Advance is a credit to its publishers, and The Herald offers its congratulations on this noteworthy occasion.

(Orangeville Banner)

Last week The Flesherton Advance —one of our valued exchanges—celebrated its fiftith anniversary by publishing a creditable anniversary number. To Mr. Thurston and his excellent newspaper The Banner and other friends here tender their congratulations and best wishes for the future.

(Markdale Standard)

The Advance has always been well patronized and the business is in a healthy condition. The Thurstons are our closest neighbors and they are mighty good ones. We extend our congratulations to The Advance publishers on their anniversary number and at the same time our best wishes go to them for continued prosperity.

(Collingwood Bulletin)

The Advance is well edited and serves its field as a good weekly should.

(Mount Forest Conf. & Rep.)

Our bright contemporary, the Flesherton Advance, celebrated its fiftieth anniversary last week. We join with hosts of others in wishing Mr. Thurston many added years of newspaper life, and under Thurston & Son, much prosperity for the future.

(Durham Chronicle)

The Advance has progressed with its fellows and, being well edited, it can hold its head as high as any other weekly newspaper in a similar field. To us The Advance is still the hometown paper and seldom a week passes that we do not peruse the once familiar columns, and, without knowing it, read about the activities of familiar names, the owners of which we have never met. We congratulate The Advance on the celebration of its half century of usefulness and trust it may continue to record the joys and sorrows of Flesherton and vicinity.

Met County Council

All members of the Village Council attended the Monday session of the County Council, and consulted with them as to the nature of the pavement to be laid in Flesherton this summer. We understand that the contract was practically awarded to the King Paving Co. at a price around $40,000, and Flesherton's share to be approximately half this figure. The contract has not been closed as yet. Concrete is the cheapest pavement and although harder to keep in shape, it was thought that in 20 years, when the present debentures would be paid, a better road would be made by then laying an asphalt top, which would make a high class road surface.

The contract when awarded will call for cement pavement from the McMaster property on the west side of town to the west end of the sink hole on the eastern edge of town. The village will have to pay for all pavement laid over the twenty feet width, which cost the county assumes and curbs, etc.

Next week the Council will wait on Premier Henry and attempt to have the Province pave one mile on each side of the village and the roadway through town. If this could be done it would come cheaper for all parties.
