It's All A Question of Using Your Head

When you want to get to the railroad station in a hurry, you don't run a mile or so down the street to get there on time. You take a taxi or a street car.

When you want to know whether some friends can come for dinner in the evening, you don't walk to their homes to find out. You call them on the 'phone.

You save your steps by using your head—every time!

And when you want to find a place to live, or a good used car for sale, or where to buy some things you need for the least money—you don't waste your time and energy looking all over the city.

You turn—first thing—to the A-B-C Classified Ads, and save effort, worry and money!

Read the A-B-C Ads regularly.
