Never Met Its Equal For Healing!

Writing from Saulnierville, Digby Co., N.S., Mr. John M. Theriault says:—"We find Zam-Buk a splendid household healer for cuts, burns and other accidents and skin ailments of common occurrence.

"One of my sons tried Zam-Buk for his boils and it did him such a lot of good, that I decided to give the balm a trial for piles, from which I had been troubled for over two years.

"Before one box of Zam-Buk was finished, I had derived such ease and comfort that I continued with the treatment. In a comparatively short time I had gained permanent relief from the piles. Zam-Buk proved equally good for chapped hands, cracked lips, etc.

"I've never met its equal for healing."
