62 Years a Blacksmith

Last week we published an item from the Tara Leader, which stated that J. J. Corbett of Arkwright was the oldest blacksmith in point of service in Ontario, having spent 56 years at the trade. Until the item appeared we were unaware that Mr. Henry Wilson of town holds the record undisputed. It was 62 years ago that Mr. Wilson decided that the blacksmithing trade was the trade for him and he apprenticed with Mr. Adam Smith, now residing at Eugenia. He is still working at his trade in Flesherton where he has been fifty years in business, the other twelve years he worked at Phelpston, near Elmvale. It is the hope of his friends here that Mr. Wilson will carry on actively for many more years.

Changes Firm Name

After operating under the firm name of H. Down and Sons for the past twelve years, one of the proprietors, Mr. Alfred Down, is taking charge of the business this week.

Big Crowd Visited Feversham For The Orange Parade

Feversham was the centre of Orangeism for this county on Monday when 14 Orange Lodges and 4 Ladies' lodges attended to celebrate the 241st anniversary of the Battle of the Boyne. Rain fell intermittantly all afternoon, but fortunately waited to do so until the finish of the parade. It put rather a damper on the speaking in the grove, but the large crowd, then gathered in the agricultural hall.

The large parade of 18 Lodges, composed of 550 men and women, started promptly at 1.30 p.m., headed by Wor. Bro. H. G. Burke of Feversham Lodge on the customary white horse, followed by the Meaford band. The Swinton Park pipe band also supplied music at the head of their local lodge. The lodges in the parade were:-

Corbetton L. O. L. 353.
Proton No. 732.
Durdalk L. O. B. A.
Dundalk 797.
Swinton Park 1136
Proton Station 244.
4th Line 1132.
Flesherton 2855.
Flesherton L. O. B. A.
Orange Valley 509.
Markdale 1045.
Vandeleur 1383.
Maxwell 666.
Feversham L. O. B. A.
Feversham 1085.
Rob Roy 1045.
Maxwell L. O. B. A.
Singhampton 586.

The speeaking on Orange principles and aims was of a high order and addresses were given by the following: W. J. Miller, Grand Lecturer of the Grand Lodge of Ontario West; Sir Knight Jas. Jackson, Grand Treas. of Grand Black chapter of Ontario West; Sir Knight Rev. E. Baker, Grand Chaplain of Grand Black chapter of Ontario West; G. Littlejohns, past County Master of East Grey; Mr. Geo. Shortt, Reeve of Osprey; Rev. Tiller, Rev M. F. Oldham, Rev. Pope, Mrs. H. Down, and Mrs. Tiller. County Master F. J. Seeley presided over the gathering as chairman.

The sports program was somewhat marred by the rain which fell, but after quite a delay the games were played. Heathcote Orioles won the softball tournament and Holstein defeated Camp Borden in the football, the game being decided in ten minutes of overtime play.

Feversham was nicely decorated for the biggest day in their history, as it was the first County celebration held there, and their reception to the many Lodges was perfect. Everything went nicely and orderly and there were no accidents to mar the day, which was a wonder with so many cars threading the streets.

Jamie Reid, the famous Scottish comedian, and his company of artists gave a concert to a crowded hall. Afterwards a dance was held to bring to a close one of the best celebrations in the history of the county.

IN MEMORIAM

HARGRAVE — In loving memory of our dear daughter, Annie G. Hargrave, who passed away, July 19th, 1929.

Two years have passed
Since that sad day
God called the one we loved away.
Forget her? No, we never will,
As years roll on we love her still.
In patience she suffered,
In patience she bore,
Till God called her home,
To suffer no more.

Ever remembered by her father, mother, brothers and sisters.

Commence Work On The Drains

The village Council met for their regular meeting on Monday evening and after passing a few account. reviewed several By-laws with respect to the pavement and passed one of them, a By-law to provide for proceedings of works undertaken as a local improvement. Considerable discussion took place on various points of the work.

On a motion of Mr. Welton, seconded by Mr. Richardson it was decided unanimously to continue the 30 foot pavement with curb from the east side of Pinder's lot to the east side of the town hall corner. It was considered advisable to continue the wider pavement with curb to this point and it would save considerable money from repairing the shoulders after a heavy rain and sand would not be washed down into the catch basins. It was also decided to continue the wide pavement with curb to the west line of Hill street at the Park Hotel.

The drainage will be made from the Park Hotel towards F. G. Karstedts and from there towards McCauley's mill and from the McMaster property eastward to the mill. A drain has to be constructed through the mill property to carry the surface water away and this work was authorized to commence at once on a motion by Mr. Welton and Mr. Dargavel and that Mr. Mathewson be foreman at $3. per day.

The rate of pay for this drain work will be 25c per hour.

By-law No. 180, declaring the intention of constructing certain works as local improvements was read the first time and laid over to the 6th of August, after the required time from the appearance of the advertisement.

The following accounts were ordered to be paid:-

H. Down and Sons, changing water tank 6 times $3; Municipal World, supplies $3.79; Thos. Clayton, stamps $1.20; R. G. Holland, salary, etc., $20.81; W. A. Hawken, spray $3; Advance Printing Co., voters list $52.50; Hydro lamp, etc. $26.28; J. C. Mercer, share of expenses to Toronto $5; The Reeve, expenses of council to Toronto $10; H. Howard, work $2; T. Lever moving cook house $35.

Is your subscription paid? Look at your label now! This is renewal time and The Advance will greatly appreciate your early attention to this little matter.
