DR. JAYNE'S EXPECTORANT.—This invaluable Medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have ever used it for Asthma, Cough, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic, Pleurisy; Hoarseness, pain and soreness of the breast, difficulty of Breathing, and every other disease of the Lungs and Breast, can and do attest to its usefulness. Bronchitis, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of consumption, is always cured by it. The usual symptom of this disease (Bronchitis) are cough, soreness of the lungs or throat, hoarseness, difficulty of breathing, Asthma, Hectic Fever a spitting up of Phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels which run through every part of the lungs. This Expectorant immediately suppresses the cough, pain, inflammation, fever, and difficulty of breathing, and produces a free and easy expectoration, and a cure is soon effected.

It always cures Asthma—two or three large doses will cure the Croup or Hives of Children, in from 15 minutes to an hour's time. It immediately subdues the violence of Whooping Cough, and effects a speedy cure. Hundreds who have been given up by their physicians as incurable with "Consumption," have been restored to perfect health by it.

Rev. Jonathan Going, D. D. President of Granville College, Ohio, says—"he was labouring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this expectorant."——Mrs. Dikes, of Salem, N. J, was cured of Asthma, of twenty years standing, by using two bottles of this medicine;——Mrs. Ward, also of Salem, was cured of the same complaint by one bottle.——A young lady, also of Salem, who was believed by her friends to be far gone with Consumption, was perfectly restored by three bottles.——Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hoarseness, and soreness of the lungs, and on using a bottle of this medicine, found permanent relief.

The following certificate is from a practising Physician, and a much esteemed clergyman of the Methodist Society, dated Modest Town, Va, August 27, 1843.

Dr. Jayne—Dear Sir—I have been using your Expectorant, extensively, in my practice, for the last three months, and for all attacks of colds, inflammation of the lungs, consumption, asthma, pain, and weakness of the breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours,
R. W. WILLIAMS, M. D.

Numerous other certificates might be added, but the above are considered sufficient evidence of its great usefulness.

Prepared only by D. Jayne, No. 20, South Third street, Philadelphia. Price $1.

For sale by E. M. LUFF, General Agent, Sackets Harbor, and by WM. MACKINTOSH, Chronicle & Gazette Office, Kingston, Canada.

J. WINER'S

COMPOUND SYRUP OF HOREHOUND AND ELECAMPANE,

FOR the speedy and effectual cure of Coughs, Colds, Asthma, Spitting of blood, Whooping Cough, Croup or Hives, Consumption, Pleurisy, Hoarseness, Pains and Soreness of the breast and lungs. Bronchitis, a disease that is sweeping hundreds to a premature grave, under the fashionable name of consumption, can be cured by this medicine. The usual symptoms of this disease (Bronchitis) are cough, soreness of the lungs or throat, hoarseness, difficulty of breathing, asthma, hectic fever, a spitting up of phlegm or matter, and sometimes blood. It is nothing more than an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels which run thro' every part of the lungs.

The peculiar virtues of this compound have for a long time attracted the attention of the medical profession, and a lively interest has recently been directed to the development of these active powers and purifying qualities, which the proprietor is now able to guarantee, of presenting this medicine to the public with full confidence of its being the most safe and valuable remedy ever discovered and adapted to all diseases of the lungs, where any of the functions of life and perform their natural healthy action.

The use of one bottle of the Syrup will be sufficient to convince the most sceptical of its beneficial effects.

Directions accompanying each bottle, with the signature of the proprietor, without which none are genuine.

Prepared and sold wholesale and retail, by J. WINER, Chemist and Apothecary, King Street, Hamilton.

For Sale at the Manufacturer's prices, by J. W. Brent, N. Palmer and Chas. Heath.
