SANDS'S SARSAPARILLA,

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, OR HABIT OF THE SYSTEM, NAMELY:

Scrofula, or King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples, or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Symptoms, Sciatica, or Lumbago, and Diseases arising from an Injudicious Use of Mercury, Ascites, or Dropsy. Also, Chronic Constitutional Disorders will be Removed by this Preparation.

CAUSE AND EFFECT.—Whenever particular causes produce remarkable effects in relieving the ills that life is heir to, it becomes not less the duty, than the gratification of all friends of humanity, to give such notoriety to the circumstances, as shall ensure the application of those causes, and the realization of those effects.—We allude to these truths, for the purpose of calling public attention to the virtues of a medicinal prescription, which, without regard to any celebrity it has heretofore acquired, has to our knowledge, produced truly remarkable curative effects. This remedy is *Sands' Compound Extract of Sarsaparilla*, and we have occasion to state one fact [illegible], in illustration. A lady states to us, that [illegible] years since, she was attacked with a [illegible] distressing disease [illegible] commonly [illegible] and forms—and she, of [illegible] such [illegible] similar diseases, but all without effect, except perhaps, the increase of the disease, until, at length, she lost her teeth and nose, and suffered intense and protracted agony—thou[illegible] all this time in the hands of the faculty. A short time since, she commenced the use of the above remedy, and in less than one week its salutary effects were strikingly apparent, and [illegible] a complete cure has been effected!

[illegible] with the virtues of the remedy under all the complicated diseases of this kind.

JAYNE'S EXPECTORANT.

THIS invaluable Medicine is daily effecting some of the most astonishing and wonderful cures that have ever been known. All who have used it for Asthma, Coughs, Spitting of Blood, Whooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarseness, Pain and Soreness of the Breast, Difficulty of Breathing, and every other disease of the LUNGS and BREAST, can and do attest to its usefulness. BRONCHITIS, a disease which is annually sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are Cough, Soreness of the Lungs or Throat, Hoarseness, Difficulty of Breathing, Asthma, Hectic Fever, a spitting up of phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the whole of the inside of the wind tubes or air vessels, which run through every part of the lungs. This Expectorant immediately suppresses the Cough and Pain, subdues the Inflammation and Fever, and removes the difficulty of Breathing, by producing a free and easy Expectoration, so that a cure is soon effected.

It always cures ASTHMA. Two or three large doses will cure the CROUP or HIVES of Children, in from fifteen minutes to an hour's time. It immediately subdues the violence of WHOOPING COUGH, and effects a speedy cure. Hundreds who have been given up by their Physicians as incurable with "CONSUMPTION," have been restored to perfect health by it.

In fact, as a remedy in pulmonary Diseases, no medicine has ever obtained a higher, or more deserved reputation.

WORMS! WORMS!! WORMS!!!

OF all diseases to which Children are exposed, none are so fatal to them as worms. Unfortunately children are seldom free from them, and as they imitate the symptoms of almost every other complaint, they often produce alarming effects without being suspected. Worms are not only a cause of disease themselves, but by their irritation aggravate all other diseases, wandering from one part of the body to another, winding themselves up into large balls and obstructing the bowels, and frequently the throat, causing convulsions, and too often death. The best remedy ever yet known is

DR. JAYNE'S TONIC VERMIFUGE

which is perfectly safe, and so pleasant that children will not refuse to take it.

16 of which are well cleared and fenced, & now laid down in grass. The lot is situated about a mile from the flourishing Village of Sydenham, where Mr. Yarker's extensive Milling establishment is located, and the never failing stream of water which turns the mills runs through the lot in a broad deep creek. There is sufficient high land for grain crops, and the remainder is unsurpassed in the District for good meadow land, thus adapting it for a superior Stock Farm, the most profitable and least difficult of work. Its proximity to Kingston, (only 16 miles distant)—the benefits of a good road leading to it—its nearness to Sydenham, where there is a Post Office, extensive Flouring, Oat Meal, Fulling and Sawing Mills; also a Distillery, Brewery, &c., makes this Farm worthy of the attention of intending purchasers.

The lowest price £275.

Terms of payment.—£75 in hand; £25 on 1st February next, and the remainder in annual instalments of £25 each with interest.

For any further particulars apply to the undersigned at the Chronicle & Gazette Office.
