Crossley of town, accompanied the Canadian Chamber of Commerce as a special telegrapher to the party on their trip to Churchill, Flin Flon, Prince Albert, National Park and other points. Cecil is one of the best telegraphers in the employ of C. N. R.

Horse Racing Features The Flesherton Fair

Flesherton fall fair is being held this year on Friday and Saturday of next week, September 18 and 19, with the big day on the last date. The feature events of the day are the horse races sponsored by the Flesherton Driving Club for which the prize money has been increased over last year. Horse races this year are proving more popular with the crowd than ever and some fast horses have promised to come for that date. Lovers of horses should not miss these races. The track has been dragged and it will be in first class shape for fair day.

The school children's parade is to form up at the market square at 1:30 p.m. and fine prizes are being awarded $6, $5, $4, $3, $2. Only those students who are in the parade will be allowed to enter the grounds free.

As always the midway will again prove to be the popular spot with the many concessions that will be on the grounds. A place of fun and frolic.

A grand concert will be held both fair nights by a play to be presented by the Flesherton Dramatic Club entitled "When a Feller Needs a Friend". This is a side-splitting after-the-war comedy that is full of laughter and fun from beginning to end and should prove more popular than the success of last year. Make an effort to attend the concert Friday night, as there is sure to be a full house at the Saturday night presentation.

Streets Open Sept. 17

Flesherton streets and all roads leading to town will be opened in time for the East Grey fall fair on Friday and Saturday, September 18 and 19. The barricades will be lifted on Thursday evening, September 17th and visitors to the fair will suffer no inconvenience in reaching the fair grounds. The date for the official opening of the streets has not been decided as yet, but will be set to suit the convenience of Premier Geo. S. Henry, who has promised to be present for the event.

Car Spilled Occupants

Caused by the blowout on a tire, causing the car to be ditched, Mrs. Dick Clark of Rock Mills suffered bruises and several cuts on her hip that required five stitches to close. The car a coupe was being driven by Mr. Geo. Park of Owen Sound, a brother of Mrs. Clark, and Mrs. Elwood Partridge who was also an occupant when the tire went flat swerving the car into the ditch just east of Rock Mills school. It travelled along with two wheels in the ditch and the others on the roadside finally turning on its side. Twice it rebounded and the third contact with the ground caused the body to split open, throwing the occupants to the ground. Mrs. Clark fell on the glass from the broken window suffering deep cuts and severe bruises. Mrs. Partridge suffered bruises and shock and Mr. Park was uninjured.

Zealous workers in a cause are those who give their time to make you give their money.

Still, when the cave man saw his kids using bows instead of a club he probably wondered what the world was coming to.

John Bemrose, 18, Killed When Car Overturned on Townline

John Bemrose, aged 18 years, son of Thomas Bemrose of Osprey township, was almost instantly killed on Wednesday evening of last week in an auto accident which occurred on the townline between Osprey and Artemesia.

Bemrose, with his sister, Marie, was riding in the rumble seat of a Ford roadster, driven by Albert Orr of Toronto, when the car swerved after hitting a sharp pitch in the road. It careened to the left side of the narow road then to right overturning into the ditch, skidded on its side and finally righting itself, stopped facing the way it had come. It is supposed that the deceased met his death when he was partly thrown out of the car, which fell on his head,fracturing the skull. Mary Bemrose suffered severe injuries to her face, the lower lip being pulled away from the jaw, sand and gravel embedded in her face, besides other cuts and bruises. In the front seat with Orr was James McNurney and Annie Bemrose, the former receiving a cut above the eye and the latter bruises to the muscles of her back, while Orr was badly shaken up.

Orr had been visiting friends in the district and had called at the Bemrose home to take John Bemrose and his two sisters, Annie and Mary and James McNurney to a dance at the home of Mark Murphy, 8th line, Osprey, at about nine p.m., and the accident took place about a mile from their home. At the time of the accident, Orr claims he was not travelling at an excessive speed. Bemrose passed away a few moments after the accident, before the doctors arrived on the scene. Mr. McNurney is employed as a farm hand by Mr. Mark Murphy.

The injured were taken to the home of Mr. Frank Seeley, close by, and Dr. J. E. Milne of Flesherton and Dr. Carr-Harris of Maxwell were quickly on the scene rendering aid. Dr. F. Martin, coroner of Dundalk, was called to the scene af the accident and after a jury was empannelled and viewed the body the remains were taken to Long's undertaking parlors at Feversham. Dr. Martin decided that an inquest was necessary, which will meet at Dundalk this Friday, September 11th at 8 p.m.

The late John Bemrose was born on the farm on which he resided until the time of his death, 5½ miles east of Flesherton and was the eldest son of Mr. Thos. Bemrose and the late Mrs. Bemrose, who predeceased him two years ago last August. Besides his sorrowing father he leaves to mourn two brothers and seven sisters, all residing at home except Dorothy, who is employed in Toronto..

The funeral took place on Saturday morning, the cortege leaving the home at 8:30 a.m. for Stayner Roman Catholic church, where mass was solemnized by Rev. Father Corrogan and the remains were then laid beside those of his mother. The pallbearers were boy friends of the deceased: Cecil Chard, Ernest Radley, Dave McCullough, Osborne Franks, James and John Murphy. Many beautiful floral tributes were presented by friends of the family as a token of sympathy which is extended to them by the community and others.

Friends and relatives who attended the funeral from a distance were:- his sister, Dorothy, Mr. and Mrs. W. H. Bemrose and Mr. and Mrs. Russell, all of Toronto; James and Dan Madden and Mrs. Kennedy of Orr Lake, Ont.

Drove On Green Cement

It takes all classes of people to make a world and this was shown in two instances last week. One person, in a trance or deliberately, walked up the freshly laid pavement two nights in succession. Then on Saturday night one man in a car, the license number of which was secured, drove his car on the freshly laid cement north of the village for a listance of nearly one hundred yards before he went back on the other half of the road. It took the finishers until four o'clock Sunday morning before the damage could be repaired. Why any person would willfully do such a trick is beyond us, but the lesson to him may be costly.

VANDELEUR

Mr. and Mrs. Bob Smith of Harkway spent the first of the week with Mr. and Mrs. Dane McGee.

Miss Dorothy Hare of Markdale spent the week end with Miss Lilian Buchanan.

Mr. Norman Martin accompanied by his mother and two sisters spent a few days with Mr. and Mrs. Lundy Johnson.

Miss Jean Wright of Toronto spent the week end with her parents, Mr. and Mrs. Geo. Wright.

Mr. and Mrs. W. Freeman of Stratford and Mr. and Mrs. Wilson of Toronto were the guests of Mr. and Mrs. Thos. Freeman and family over the week end.

Miss Nina Hill of Orange Valley visited her friend, Miss Dora Boland, recently.

Flesherton Women's Institute

The Women's Institute met at the home of Mrs. H. Down, Wed. Sept. 2, 2 members and 4 visitors present. The meeting opened by singing The Maple Leaf and repeating the Lord's Prayer. The Doctor Fund of Tobermory was much discussed, all were in sympathy and decided to raise$10 toward the worthy cause. Mrs. H. Down donated $1. and it was arranged to hold a bake sale on Sept. 26. Mrs. Crossley gave a fine paper on Wild Flowers. The meeting closed by singing the National Anthem.

Maybe it is called an idle rumor because a belt runs faster on the idle pulley.

THANKSGIVING OCTOBER 12th.

Thanksgiving Day will be celebrated this year on October 12. Official announcement of the pasing of an order-in-council to this effect was made this morning. The necessary proclamation will be issued shortly.

Fixing of a date by order-in-council for the observance of Thanksgiving Day separate from Armistice Day—or what is now known as Remembrance Day under a bill passed at the last session of Parliament — is a departure from the former practice. While Remembrance Day will be Commemorated each year on November 11, the separate date for observance of Thanksgiving Day will be fixed each year by order-in-council.

The light honey crop in Ontario has finally turned out to be much less than was estimated and it is doubtful now whether the total crop will reach two thirds of the normal figure.

If any one has any doubt that there is a world business depression all he or she has to do is to read financial journals which show a great decline of movie stocks. With in the past year the attendance at the movies in both Canada and the United States shows a large falling off. When the amusement shows have a decline it is a sure sign there is a scarcity of provisions in the homes of the patrons of the cheap shows.

Safety Speed Economy

are the three elements to be considered when sending money . . .

Whether it is sending money ten miles, or ten thousand miles

. . . a dollar or ten thousand dollars

. . . by mail, telegraph, cable or radio

. . . you will find The Canadian Bank of Commerce a most efficient and economical agency to use.

State your wishes to any one of the 800 branches of The Canadian Bank of Commerce.

If, as frequently happens, it is necessary to withdraw money from your bank account to make the remittance, you can complete the whole operation at one time.

Your remittance will be despatched quickly, economically and with perfect safety, payable only to the person or firm you wish to receive it.
