voice to a chain prayer of confession. The Misses Ella Morrison, Muriel Carruthers and Mrs. Albert Arnott brought to the catchumens the assurance of forgiveness as it is found in 1st John 1: 7-9. The choir sang the first verse of the hymn which ends with the refrain, "Who is a pardoning God like Thee, or who hath grace so rich and free." Mr. T. R. McKenzie led in prayer and the Rev. A. M. Pope admitted them to the fellowship of the table of our Lord. The choir sang the Hebrew Benediction "The Lord Bless Thee and Keep Thee." Mr. Wm Morton gave the prayer of consecration. Mr. Wm. Wright spoke a few words of kindly counsel to the young people. Mrs. Florence Lyons, as one who united at our last communion season, gave testimony to the encouragement she had received in holy living from the fellowship she had been privileged to enjoy with Clara Barnes, Ella Morrison, Mrs. R. J Morrison and Mrs. J. McCutcheon. Mr. Sam Arnott made an earnest plea that we should make a new effort to make Christian fellowship a real and effective sharing together of vital religious experiences. Mrs. R. J. Morrison agreed with the former speaker but emphasized also the danger of nothing really being done unless we individually pledged ourselves to do this very thing, and she asked that all who were ready to share in this new fellowship should stand and join with her in singing "Blest be the Tie that Binds our hearts in Christian love." Mr. Wm. Scutt, the senior elder, and Mrs. Solomon Turner, the oldest lady in regular attendance, were requested to join with the pastor in giving the right hand of fellowship to the new members. The congregation then joined in the singing of "Take My Life and Let it be," after which Mrs. Wilfred Inkster led in prayer. As the five Offering Stewards took their places before the communion table, the choir sang the first verse of "Saviour, Thy Dying Love." Mesdames Jacob Williams, Jack Campbell, Ed. Hillock, Lewis Genoe recited four scriptural injunctions specifying the offering that are acceptable to God. Mrs. Robt. Taylor voiced the offering prayer, whilst Messrs. Wm. Jamieson, Jas. Menzies, Henry Arnott, Ed. Binnington and Jos. Hawkins took up the offering, the choir sang a most appropriate hymn for an anthem "Ye Gates Lift up Your Heads on High." When the stewarts had again taken their places at the communion table, the congregation sang softly "We give Thee but Thine Own." Mrs. Thos. McKee read the nominations. After the first verse of "Break Thou the Bread of Life" was sung. Mrs. Pope read a very fine message to the new members from Miss Clara Barnes, now residing in Hamilton. The earnest words of personal testimony coming from a burning and prayerful spirit must have found an echo in every aspiring heart. Mr. Russell Cameron assured the new members that they did not stand alone that day, as the speakers, along with many others, were making a re-dedication of their lives to more effective Christian living.

The minister said that as the whole service constituted the sermon, his remarks would be but brief. These he based on the text "They continued steadfastly in the fellowship." Mrs. Laurie Pedlar gave the closing prayer and after the hymn "O Master, let me walk with Thee," was sung, the benediction was voiced by Mr. Fred Wetherall.

Miss Olive Menzies presided at the organ, in a very efficient manner, Mr. Harry Jackson announced the hymns, and Mr. Leonard Latimer acted as usher.

Needless to say, the precenting of such a service entailed an immense amount of effort on the part of the pastor Mr. Pope, for weeks past, but the hallowedness of that Sabbath morning hour, the realization of the divine presence, and the spiritual quickening must bear fruits for the Kingdom in the days and years to come.—Cont.

TOO MUCH PERJURY

It is astonishing to find so many people these days who do not seem to recognize the seriousness of taking an oath. One has but to attend almost any sitting of a court of justice to discover that some witnesses perjure themselves when giving evidence. All judges and magistrates are well aware of this state of affairs and yet it is rarely that a perjurer is placed under arrest and punished for their sworn falsehoods, and so others take the matter lightly and do likewise, having no fear of the consequences. Judge O'Connell, recently presiding at a criminal court in Toronto, made reference to this practice as follows: "For the past two weeks you have noticed that perjury of the worst kind has been rampant within this court of a certain class of witnesses, so much so that it threatens to become a public scandal. It seriously interrupts the administration of justice and steps must be taken to put an absolute end to it." And yet the learned judge contented himself with a condemnation of the growing evil and no charge was made against the offenders to whom he made reference. Mere mention of such matter will not stop the practice. Then why not make an example of some of them? — Aylmer Express.

Garage Entered

Down's garage in town was entered by burglars early Saturday morning last and succeeded in getting away with two inner tubes and several gallons of gasoline. Entrance to the garage was made through a window, one man doing the stealing while the other kept watch. They were noticed at their work and an alarm was made to Alf Down, proprietor of the garage but the thieves must have become alarmed by the phone ringing, as when Stan Menzies came out to the street the car was seen speeding over the hill east of town. Their departure was a hurried one as two five gallon cans were left on the sidewalk which they had intended to fill and carry with them. The only loss reported was the two tire tubes and about six gallons of gas. Constable Cook of Meaford investigated on Saturday morning, but to date no trace of the robbers have been found.

Barns Burned

A frame barn on a farm owned by Mr. Archie Conkey of Ceylon was completely destroyed by fire early Monday morning, when it was struck by lightning. The barn was situated two miles north of Priceville. The blaze was first noticed by Mr. Alex. Stewart, a neighbor, but the flames had made considerable headway and bythe time Mr. Conkey was roused nothing could be done to save the building. A seed drill and seven loads of were in the barn at the time and were destroyed. Insurance to the extent of about $600 was carried.

Another barn was destroyed by fire early Tuesday morning on the west backline, Artemesia, three miles from Flesherton, owned by Mr. Herbert Douglas of Toronto. The farm has been operated on shares by a Mr. Brown, and his loss is reported to amount to about six loads of hay and grain. The barn was a very large one and Mr. Douglas's loss will no doubt be heavy.
