THIS Establishment is now in full operation, and the Proprietor is resolved to spare no expense to render it worthy of public encouragement. He trusts that as to materials and workmanship, and variety of Castings, the KINGSTON FOUNDRY will be found second to no similar establishment, and that there will hereafter be no necessity for sending to the United States for Castings, when they may be had in this Province.

There will be kept on hand, or manufactured to order all kinds of

Castings for Saw Mills and Flour Mills.

The establishment is now furnished with patterns of the Oswego and Rochester plans, and persons building Mills can be supplied with good Castings on as reasonable terms, as they can be procured in the State of New-York.
