WANTED
AS GOVERNESS in a Private Family.—A young Lady accustomed to teaching, possessing a thorough knowledge of the usual branches of an English Education, with Music and the French Language, whose charge would be three Children, between the ages of seven and ten years, in a country residence, may hear of a situation by applying, (if by letter, post paid) to the subscriber. Satisfactory references will be required.
THOMAS GREER.
Kingston, July 11th, 1844.

FROM TWO TO EIGHT TIMES CHEAPER THAN BEFORE, ON NOTHING IF THE USER IS NOT DELIGHTED WITH IT.
AN article that every Family must consider indispensable when they know its power and value, and which has heretofore been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being, may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with its use. We assert, without the possibility of contradiction, that ALL BURNS AND SCALDS, EVERY EXTERNAL SORE, or fresh, and all external pains and aches, no matter whose, shall be reduced to comfort by it in five minutes—saving life, limb, or scar. No burn can be fatal of this is applied, unless the vitals are destroyed by the accident. It is truly magical, to appearance, in its effects. Enquire for "Connel's Magical Pain Extract or Salve," at Comstock & Co's., 21 Cortlandt Street, New York. Price 25 cents, or four times as much for 50 cents, and near ten times as much for a Dollar.
We assure you, on the responsibility of our characters, that sympathy for human suffering induces, at least in part, our earnest solicitation that a simple trial should be made in any affection named below. We think it not imprudent or too much to say, that nothing like it, or in any degree so effectual, has ever been discovered in Medicine.
You will please observe it is no "sovereign remedy for all complaints," but only intended for External application and will cure the following:—Burns, Scalds, Frosted Parts, Chilblains, Chafe or Galls, Chaps, Tetter, Pimple, Blotch, Felon, Ulcer, Sprains, Erysipelas, Stabs, Cuts, Bruises, Strain, Ear and Tooth-ache, Mumps, Sore Throat, Runarounds, Whitlows, Piles, Ringworm, Salt Rheum, Barber's Itch, Carbuncle, Eruption, Sore Eyes and Lids, Weak Sight, Sore Lips, Punctures, Bites and Warts, Fever Pains, Pain in Back and Side, Tender Feet, Inflammatory Rheumatism, Tic Doloreux, Ague in Face and Breast, Fever Sore, Old Burn Scars, Prickly Heat, Inflamed Skin, Broken Breast, Sore Nipples, Rough Hands, Blistered Surfaces, Dressing for Blisters, White Swellings, Cold in Wounds, Sore Corns, General Sores, Smallpox Marks.
Though we have named numerous affections, experience has taught us that they are not too many. It will be necessary to know that the article called CONNEL's is the only one we can recommend; but must caution against some imitations that we have reason to believe are of no use, but injurious. We will present it to the poor who have actual need of it, and whom you may send for it. Remember it is CONNEL'S Magical Pain Extractor.
All Country Merchants are requested to take it to their Towns on commission, as the greatest blessing to mankind that has been discovered in Medicine. This is strong language, but you may depend its power will fully justify it.—Call on all the Agents for a pamphlet gratis to all, and very interesting, also the names of all the Clergymen in New York.
CAUTION.—Be sure and get Connel's, as counterfeits and worthless appear under other names. See that it is direct from Comstock & Co., or never touch it.

Liver Affections,
Pimples or Pustules on the Face, and all Diseases arising from an impure state of the Blood, Exposures and Imprudences in Life, Excessive Use of Mercury, &c.
The great popularity of Sarsaparilla, and its established efficacy, render it superfluous to enter into any encomium of its virtues, or adduce any evidence in its favor.
The Sarsaparilla is warranted positively as good as any other that can be made at One Dollar, at just half the price of those so much advertised, and as strong and in as large bottles, viz: Fifty Cents per bottle, or Five Dollars per dozen.
This article has cured Scrofula of 30 years, after the Dollar articles had been used in vain.
To be had of the agents of Comstock and Co., only, throughout the country in New York only, at 21, Cortlandt Street.
THE REASON.
Some people are foolish enough to believe that we cannot afford to make as good an article of Sarsaparilla Extract and sell it for 50 cents per bottle or $5 per dozen, as all others that sell for just double that money. The simple fact is this, and all will now be convinced. While Five Hundred dollars are squandered by others in a column or two of advertisements, we do not spend Five. Therefore we make the public pay but half as much for as good or better article as any one else, the real cost in making the article is probably more than others, as we use nothing but the best Sarsaparilla Root, &c. We sell three bottles to one of the dollar priced bottles, now the public know what we charge for it, and its virtues are such as not to require half a newspaper to sustain its reputation.
Inquire always for Comstock & Co's Sarsaparilla, at Fifty cents, and have no other.
