PRICEVILLE

On Tuesday night of last week the Presbyterians held a fowl supper in the hall and was a decided success. The night was ideal and the hall was packed full. A bountiful supper was partaken of with every thing that would satisfy the inner man, after which a program was listened to. Rev. Miller of Markdale acted as chairman and presided in a very efficient manner. The Gloom Chasers Orchestra of Flesherton gave several musical numbers, which were thoroughly enjoyed. Miss Isobel McMillan gave a splendid reading "Carry On" which was well received. A quartette from Swinton Park, composed of Mrs. W. Knox, Miss Effie McCannel, Messrs. Ed Heard and Fred Knox sang, "Flow gently sweet Afton" and was heartily applauded. Mrs. Donald Campbell gave an interesting reading, "Play the game". Miss Effie McCannel and Mr. Fred Knox sang a duet, "When the moon shines over the mountain," and responded to an encore "Dunnder Beck's Machine". Mrs. Sutherland sang a solo. Mr. F. R. Oliver M. P. P., in his happy manner gave a splendid address, which was thoroughly enjoyed. Mrs. W. Knox then gave a humorous reading, "Maggie and Jiggs which caused much fun and laughter. Priceville quartette, composed of Mrs. Sutherland, Mrs. D. Campbell, and Messrs. Dave and John Nichol, gave a couple of selections, and Swinton Park quartette rendered another selection. Ten or fifteen minutes were taken at the close with community singing, all joining in the songs. The evening closed with the National Anthem. Proceeds amounted to nearly $68.00.

Mr. John Cook of Toronto spent the holiday at Dave Nichol's.

Messrs. Gilvray McLean and Murray McMillan, bankers at Tiverton and Markdale, were home over the holiday and took in the fowl supper.

We are sorry to report that Mrs Graham took a stroke on Sunday and is now at the home of her sister, Mrs. Colin McLean.

This seems to be a book of accidents, which we are writing up. one chapter each week. Last Wednesday Wm. Moore had a load of grain ready to take to the mill and in backing the wagon out of the barn one horse stumbled and fell over the gangway, taking the other horse and the load with him. Mr. Moore jumped, but something hit his heel, either the edge of the wagon box or the wheel He could not move, but Mr. Jas. Best and George, who were in their yard, saw the accident and jumped into their car and soon assisted the unfortunate man. They took him to Dundalk for medical attention, where an X-ray was made and it was found that the large tendon was broken away from the heel. Dr. Martin set it. On Thursday another X-ray was taken and it was found that it was not holding and he was immediately taken to the Owen Sound hospital for an operation. There it was found that the bone was much more shattered that at first supposed. He will remain in the hospital for a few days. However, he was very fortunate that it was his heel that was hit, and not his ribs.

Inistioge Sunday School and day school have decided to combine for their Christmas entertainment, and have set the date for Wed., December 23rd. Watch for the advertisement.

BURNING STUBBLE

When stubble has been burned off and the land again seeded, after a minimum amount of cultivation, the yields of grain have proven this method to be superior to any other stubble treatment. Objections to the burning of stubble are loss of nitrogen, loss of moisture, and some loss of soil fertility; while supporting the practice are weed control, clean crop, and convenience.

THE BELL TELEPHONE COMPANY OF CANADA — PLEASE LONG DISTANCE TELEPHONE

Nita was worried . . . she could not imagine where she had lost her bracelet—in the hotel or on the journey home.

"I can't think what I could have done with it," she kept telling her mother.

"Why not telephone to the hotel," mother suggested. "It's after eight-thirty now and a call will only cost a few cents."

Imagine Nita's joy when the hotel clerk told her that the bracelet had been found in her room and would be mailed to her right away.

Thanks to her mother's suggestion, Nita's anxiety was relieved at once . . . and the cost of the call was considerably less than her taxi fare from the station.
