Mr. Wm. Osborne, Feversham, has taken a course in radio work and has made himself proficient in radio repairing, specializing on battery models. If your radio is out of order consult him.

Postmaster W. W. Trimble celebrated his 77th birthday on Sunday by taking a five mile tramp through the storm. Best wishes are extended to Mr. Trimble on passing another milestone in life.

A blizzard Monday morning and the temperature at 10 degrees below zero on Tuesday morning was this districts experiences the past few days. While a considerable amount of snow fell the roads are still open for motor transportation.

Springhill school, S. S. No. 3, Artemesia will hold their annual Christmas entertainment in the school house, Monday evening, December 21. A three act play will be presented by the young people "The path across the hill".

Jack rabbit hunting has commenced again and the boys are taking a great kick out of hunting these fast travellers. On Saturday five were sighted, but the boys only were successful in securing one, which tipped the scales at nine pounds.

Last week the L.O.B.A., Flesherton, packed a barrel of fruit, and a bale of clothing for the Orphanage at Richmond Hill; Mrs. Roy of town, who has proved herself to be a wonderful friend to the Home, knit and donated 48 pairs of warm mitts, what a relief they will be to the matron and staff and what a joy and comfort to the kiddies, who will be so fortunate as to posess them. The Association feel very grateful to this kind hearted lady.

MILEAGE STEADILY MOUNTS

A car with a mileage of over 100,000 to its credit used to be a curiosity, but not any more. Many cars used only for pleasure trips now roll up as much mileage in a year as cars used to do in a whole lifetime. Automobiles are built nowadays for greater service. There is a limit, however, and it begins to be felt that replacement buying is about due for an upturn because of continued use of cars beyond their time. This replacement market will not be decreased any by the protracted summer weather that has been reported all over the Dominion. Volume of driving under summer conditions has continued almost to the Winter season, bringing countless cars that much nearer to need of replacement.

Flesherton Santa Claus Day December 23rd

The kiddies are assured that Santa Claus will again visit Flesherton this year, but the date has been changed to the Wednesday before Christmas, December 23rd. The program is to be changed and we believe that it will be more satisfactory to the majority of people. Santa will arrive in town as usual and after greeting him the children will gather at the town hall where a program of moving pictures will be given for the kiddies to enjoy. It is expected that the pictures will be scenes appropriate to Christmas besides a comic to bring roars of laughter from the youngsters. While the pictures are in progress the parents will be able to visit the stores and finish their last-minute shopping. Wednesday, December 23 is children's day in Flesherton and every kiddie in the country is expected to attend and enjoy themselves. Mr. T. S. Cooper, Agricultural representative at Markdale, has kindly consented to supply the program, which offer is greatly appreciated by the Santa Claus committee.

All we need is a fine sunny day and the kiddies will be out in droves.

JOHN WARLING PASSES

On Tuesday, December 1st, 1931, Mr. John Warling passed away at the home of his daughter, Mrs. Will Timmins at Traverston. He was a son of the late Mr. and Mrs. R. Warling and was born on October 28th, 1844, at Nobleton in King township, York County, and came with his parents to Vandeleur on March 17, 1856. He was a volunteer belonging to No. 6 Company, 31st Regiment; in politics he was a Conservative. Sixty-one years last 2nd day of March he was married to Margaret Hemphill and they began home making on the farm, beside the old homestead at Vandeleur. They raised a family of ten; R. G. at Moose Jaw, Jas. A. of Toronto, Jennie (Mrs. Jas. R. Webster) of Port Haney, B. C., Lavina (Mrs. Will. Timmins of Traverston, Edgar of Toronto, May (Mrs. Jas. McClocklin) who passed away eight years ago at South River, Lelitia (Mrs. J. Neely) of South River, Ethel (Mrs. Gilbert) of Wiarton, Ella (Mrs. Alb. McNally) of Traverston, Leila (Mrs. Wm. Walker) of Eugenia. There are 39 grandchildren and 11 great grandchildren. He is the last member of a family of eight.
eight.

The funeral took place on Thursday from his daughter's residence to Markdale cemetery. The pallbearers were; Mr. Edward Baker, Fred Boland, Jas. Harbottle, Will. Hutchinson, George Summers and Elmer Warling. Much sympathy is extended to his aged widow and family.

More Thieving

Some more thieving has been going on near town, this time at Mr. Wm. Johnson's farm at Springhill. One night last week Mr. Johnson lost about 100 bushels of wheat, taken from his granary during the night. The theft was not discovered until the next afternoon and by that time all trace of the culprits was lost when snow fell, covering the ground. It is thought that more than one person was implicated in the act. A neighbor saw a truck parked at the side of the road in the swamp just east of Wm. Moore's residence, but nothing was thought about it at the time. Constable Denton was notified and visited the scene, but was not able to secure much information.

Presentation On Eve Of Their Departure

After residing in Artemesia Township since March of 1910, Mr. and Mrs. John A. Hogarth are returning to Toronto to live. Mr. Hogarth has not enjoyed the best of health the past year or so and was forced to retire from farm work. Mr. Hogarth has been a credit to Artemesia and his departure will be a distinct loss to the township. Mr. Hogarth was Reeve of the township for two years, spent three years as Deputy-Reeve and two years in the council.

On Wednesday night of last week a large number of friends and neighbors gathered at the home of Mr. and Mrs. Hogarth and presented them and Melville with a handsome lounge lamp and a metal bridge set. They were completely taken by surprise, but thanked their neighbors in a few well chosen words. A very pleasant evening was spent in games and dancing. Mr. and Mrs. Hogarth expect to leave shortly for their new home at New Toronto.

Mr. Parker McCabe of Toronto is the purchaser of Mr. Hogarth's farm, which was formerly owned by Mr. Wes. Buskin. The following is the address read:

Dear Friends;

We, your friends and neighbors, have gathered in your home this evening to say good bye to you ere you leave for your new home. It was indeed with deep regret that we learned of your intentions to depart from our midst. As citizens you were highly respected by a wide circle of friends and as neighbors we believed you to be of the highest type, but what is our loss is anothers gain.

As a tangible expression of the esteem in which you were held in the community we would ask you, Mr. and Mrs. Hogarth to accept these gifts and also Melville this gift. Wishing you health and prosperity in your new home.

Signed on behalf of the community; Chas. Doupe, Cephus Hindle, Chas. Best.

ONTARIO AT INTERNATIONAL

Ontario Grain Growers have forwarded to the International Grain and Hay Show at Chicago more than one hundred entries of grain, grass seeds and corn. There were more entries for grain this year than in the record year of 1930 when Ontario growers won a championship, two reserve championships and forty other prizes. The province is particularly well represented in the clover and grass seed classes, there being 16 entries of red clover, nine in soy beans and eight in alsike and seven in field beans.

Due to the changes in corn borer regulations, Ontario corn growers were able to exhibit corn this year. Some 20 entries of corn of exceptionally high quality were forwarded to Chicago this year. The results of judging in the grain classes will be watched with keen interest by Ontario growers and exhibitors.
