### Problast team battles back

On Saturday afternoon Orono Problast Pee Wees met up with the Cimco team from Bowmanville. Orono scored early with a rush out of their own end by defenceman Jordan McDonnell, who received the pass from Neale Aziz. Centre Matt Puddicombe was quick to follow looking for a rebound. The boys were quick to find out that they were evenly matched teams and that goals in this game were going to be earned. Orono put another goal on the scoreboard early in the second period by Tyler

Johanson with the assist going to Neale Aziz. Bowmanville quickly responded with two of their own to tie the game at two a piece.

The third period brought a more physical game to the ice surface. Both teams found themselves killing penalties. Players like Adam Duke, Kevin Shoenmaker, Alex Shkuratoff and Daniel Stavrakos did an excellent job killing penalties. Anthony Bortolazzo and Patrick Langley provided great offence on our power plays but Bowmanville were able to

score on a powerplay. Later in the third on an Orono power play Chris Hermenson nets one off a pass from Brian Dillon to tie the game. Orono goalie Patrick Rempel did an outstanding job to keep his team in the game. Good work boys your getting better with every game. *by K.S.*

### Acoustic Peewees shine

The Orono Leafs beat Bowmanville's Bryan Barry 4-1.

Ty Simpson opened up the scoreboard assisted by Dustin Hinchey. Within 1 minute, Bowmanville answered back as they snuck one in the corner on Andrew Gilbank. That is all Bowmanville would get as goalie Andrew closed the net the rest of the game. Harley McColl was like a steamroller as he aggressively stole the puck and carried it up the ice and pushed his way through the Bowmanville team. Stosh Fabricius received his pass and cashed it in to end the first period 2-1 for Orono.

Orono was making some fine passes in front of the net, with Derek Snow, Ryan Skillen and Jordan Pegutter all trying to cash in but to no avail.

Brian Knapp skated end to end and was awarded Orono's third goal for his efforts. Harley McColl and Breanne Collier each picked up an assist when Chad Moore tucked the last goal in on the top corner.

Defence was strong with Scott Duquette digging in the corners and Cory Weiss clearing the puck out of his end. *-JM*

### Allin's Orchard Midgets return to winning ways

On November 30th, Woodville came into town to supply the opposition. A slow start in the first period saw Crashley making some big saves to keep his team in the game. With only about 3 minutes left in the first frame, Nick Fallis potted the first goal on some nice cycling from Chris Moffat and Andy Bangay. With just 27 seconds left in the period, Steve Hicks buried the second goal from Doug Garlick and Chris Moffat.

The second frame saw a long parade of penalties for both

teams and no scoring.

Woodville was putting the pressure on the Orono boys for the whole third period. Brian Pisani broke up a two on one with a nice slide which blocked up the shot. Crashley was kept busy making saves on numerous odd man rushes by Woodville. With 7:56 left in the third period, Woodville finally solved Orono's goaltending with a deflected shot beating Ian. The visitors kept applying pressure but the boys hung on for a 2-1 victory!
