ROWLANDS' MACASSAR OIL,

To Messrs. Rowland and Son, 20, Hatton Garden, London.

GENTLEMEN,—I consider it almost an imperative duty to state the efficacy of your excellent MACASSAR OIL. For the last fifteen years I have been bald, occasioned by a dreadful fever whilst in India. I have used almost every means to procure a head of hair again, but all my efforts seemed fruitless, until accidentally a friend advised the use of your valuable "Hair Restorer" (I can give no better name,) and after using a 3s. 6d. bottle, every symptom of a new head of hair began to show itself, to the surprise both of myself and family. I resolved on having another, and obtained a 7s. bottle: before the whole of which was used, I had, and have now, as handsome a head of hair as ever a man enjoyed; and I earnestly recommend that all who have not tried this most excellent Oil, will not fail to do so.

I am, Sirs, your most obedient servant,
J. WALKER, Colonel.

IMPORTANT INFORMATION.

Unprincipled Individuals, for the sake of gaining a trifle more profit, vend the most SPURIOUS COMPOUNDS under the names of "MACASSAR OIL," "KALYDOR," and "ODONTO," some under the *implied* sanction of Royalty, and the Government Departments, with similar attempts at Deception; they copy the *labels, advertisements*, and *testimonials (substituting fictitious* Names and Addresses for the real,) of the original preparations. It is therefore highly necessary to see that the word "ROWLANDS" is on the Wrapper of each article.

The genuine Articles are, with ROWLANDS' celebrated PERFUMERY, SOAPS, BRUSHES, &c. &c., Imported *only* by Messrs ROSSIN, BROTHERS & Co., Toronto, Canada, in small Cases, suitable for Chemists and Perfumers. On purchasing *elsewhere, beware of fraudulent imitations!!*

CAUTION.

A. ROWLAND & SON,

20, Hatton Garden, London,

BEG to Caution the Nobility and Gentry against being misled by the attempts of some Shopkeepers, who, to compounds of their own manufacture give the titles of "MACASSAR OIL," "KALYDOR," and "ODONTO"—some under the *implied* sanction of Royalty, and the *Government Departments* with similar attempts at Deception, while they copy the Labels, Bills, Advertisements, and Testimonials (substituting *fictitious* Names and Addresses for the real) of the Original Preparations. The *only Genuine* "MACASSAR OIL," "KALYDOR," and "ODONTO," are "ROWLANDS," and the Wrapper of each bears the Name of "ROWLANDS" preceding that of the Article, with their Signature at the foot, in *Red Ink*, thus—

Prince Albert, the whole of the Royal Family of Great Britain, and of every Court of the civilized world, and the high esteem in which it is universally held, together with numerous Testimonials constantly received of its efficacy afford the best and surest proofs of its merits. EIGHT HUNDRED THOUSAND

ACRES OF LAND IN THE Huron Tract.

NOTICE TO OLD SETTLERS, EMIGRANTS AND OTHERS.

THE CANADA COMPANY have again thrown open all their Lands in the HURON TRACT for disposal, by way of LEASE for TEN YEARS—NO MONEY BEING REQUIRED DOWN. The Rent payable on the 1st February in each year, is not much more than the interest upon the upset price of the Land—the right to purchase the Freehold at any time within the ten years, at a fixed price named in Lease, is secured to the Settler, who could thus save all further payments of Rents.

The Huron District is known to be one of the most healthy and fertile Tracts of Land in Canada—it has more than doubled its population within four years. The Huron Tract in the year 1842, contained 7,101 souls—in June last year the Huron District numbered 14,983 souls, according to the Official returns.

The above Lands are in Blocks, therefore affording facility for the undivided settlement of Families, of Old Settlers and their Friends.

Maps, Printed particulars, and every requisite information upon the Huron and the Canada Company's other Lands in the Province, will be furnished FREE OF CHARGE, by application (if by letter, post paid) to the Canada Company's Office, at Toronto, and Goderich and Strafford, in the Huron District.
