THE CAPITAL of the Company is £500,000. All the Directors are Shareholders of the Company.

THE PROFITS

ADVANTAGES.
Among other advantages held out by this Company, to which the attention of the public is especially requested, the following may be particularized:—

I.—The *Security of a large guaranteed Capital.*

II.—The *Moderate rate of Premium,* which may be paid yearly or half-yearly, at the option of the party assuring.

III.—The *increased facilities to the assured* as regards *Residence and Travelling*—the limits being generally very extensive; and in particular *the assured being at liberty to pass by Steam vessels, or sailing packets betwixt any North American port and any European port, at any time of the year, without extra charge.*

The assured need thus be under no apprehensions of losing the benefits of their policies, by the omission—perhaps inadvertent—on their part, to give the notice required by other Companies, of their intention to cross the Atlantic.

IV.—The *prompt dispatch in the disposal of business*—the Board of Directors, at Montreal, being invested with full powers to examine into, and accept of proposals, putting the Company on the risk at once, without communicating with the parent Board.

VI.—The fact of the Company being *wholly a Life* Assurance Office—unconnected with either Fire or Marine Insurance.

Copies of the Company's Prospectus—Tables of Rates for Assurance—WITH PROFITS—without Profits—for Single Lives—Joint Lives and Survivorships—for the whole term of Life, or for a limited period—together with every other information—may be obtained on application at the Offices of the Company.

DONEGANA'S HOTEL
1847.

THE Propietor of this Establishment, which may now be said to have no rival on the Continent of America, begs to return his numerous Friends and Patrons, his most sincere thanks, for the support so generously accorded to him, since his removal from St. Paul Street, to the present Establishment, in

NOTRE DAME STREET,
(The house formerly the property of WM. BINGHAM, Esq., and afterwards the Vice-Regal residence of *Lords* DURHAM and SYDENHAM.)

During the past year the whole of this
IMMENSE ESTABLISHMENT
Has been completed in the first style of decoration, and with every provision for the comfort of visitors. The FURNITURE is of the most costly description, and the provision for Attendance of such a description as more to resemble the arrangements in the Mansion of a man of rank and fortune, than those usually met with in Hotels.

THE SITUATION
Is central, and within an easy distance of the Champ de Mars, the Cathedrals, Bishop's Church and Palace, the Banks, the Government Offices, the Mess Houses of the different Regiments, and Offices of the different Military Departments, the City Hall, Court House and other public buildings. It is on an elevated site, with abundance of air and light, and has from its front a splendid view over the magnificent expanse of the mighty St. Lawrence, while the eye is relieved by the deep dells and wooded shades of the beautiful Island of St. Helen's and the distant mountains of the Eastern Townships.

Among the conveniences will be found
SIX BATHING ROOMS,
AND A
BILLIARD ROOM.

The TABLE will be supplied with every delicacy for the season, and while the proprietor will spare no expense to give satisfaction to all who may honor him with their patronage, the large number which the extent of his Establishment enables him to accommodate, will admit of his charges being very reasonable.

CARRIAGES
Will be always in attendance to convey parties to and from the Steamboat Wharves, and the Upper Canada and other Stage Offices. And the Proprietor will spare no exertion to make his New Establishment continue worthy of the liberal patronage which he received as Lessee of Donegana's.
J. M. DONEGANA.

EIGHT HUNDRED THOUSAND
ACRES OF LAND
IN THE
Huron Tract.

NOTICE TO OLD SETTLERS, EMIGRANTS AND OTHERS.

THE CANADA COMPANY have again thrown open all their Lands in the HURON TRACT for disposal, by way of LEASE for TEN YEARS—NO MONEY BEING REQUIRED DOWN. The Rent payable on the 1st February in each year, is not much more than the interest upon the upset price of the Land—the right to purchase the Freehold at any time within the ten years, at a fixed price named in the Lease, is secured to the Settler, who should thus save all further payments of Rents.

The Huron District is known to be one of the most healthy and fertile Tracts of Land in Canada—it has more than double its population within four years. The Huron Tract in the year 1842, contained 7,101 souls—in June last year the Huron District numbered 14,983 souls, according to the Official returns.

The above Lands are in Blocks, therefore affording facility for the undivided settlement of Families, of Old Settlers and their Friends.

Maps, Printed particulars, and every requisite information upon the Huron and the Canada Company's other Lands in the Province, will be furnished FREE OF CHARGE, by application (if by letter, post-paid) to the Canada Company's Office, at Toronto, and Goderich and Stratford, in the Huron District.
