THE CAPITAL of the Company is £500,000. All the Directors are Shareholders of the Company.

THE RATES

THE PROFITS
Of the Company will be ascertained and divided at certain intervals, when each Policy having a right to participate in the Profits, will share in the Fund to be allocated for Division among the Assured.

ADVANTAGES.
Among other advantages held out by this Company, to which the attention of the public is especially requested, the following may be particularized:—

I.—The *Security of a large guaranteed Capital.*

II.—The *Moderate rate of Premium*, which may be paid yearly or half-yearly, at the option of the party assuring.

III.—The *increased facilities to the assured* as regards *Residence and Travelling*—the limits being generally very extensive; and in particular *the assured being at liberty to pass by Steam vessels, or sailing packets betwixt any North American port and any European port, at any time of the year, without extra charge.*

The assured need thus be under no apprehensions of losing the benefits of their policies, by the omission—perhaps inadvertent—on their part, to give the notice required by other Companies, of their intention to cross the Atlantic.

IV.—The *prompt dispatch in the disposal of business*—the Board of Directors, at Montreal, being invested with full powers to examine into, and accept of proposals, putting the Company on the risk at once, without communicating with the parent Board.

V.—The *Exemption from Stamp Duty, Entrance Fee, or any other Expense in effecting Assurances.*

VI.—The fact of the Company being *wholly a Life* Assurance Office—unconnected with either Fire or Marine Insurance.

Copies of the Company's Prospectus—Table of Rates for Assurance—WITH PROFITS—without Profits—on Single Lives—Joint Lives and Survivorships—for the whole term of Life, or for a limited period—together with every other information—may be obtained on application at the Offices of the Company.

DONEGANA'S HOTEL.
1847.

THE Propietor of this Establishment, which may now be said to have no rival on the Continent of America, begs to return to his numerous Friends and Patrons, his most sincere thanks, for the support so generously accorded to him, since his removal from St. Paul Street, to the present Establishment, in

NOTRE DAME STREET,
(The house formerly the property of Wm. Burnham, Esq., and afterwards the Vice-Regal residence of Lords Durham and Sydenham.)

During the past year the whole of this IMMENSE ESTABLISHMENT Has been completed in the first style of decoration, and with every provision for the comfort of visitors. The FURNITURE is of the most costly description, and the provision for Attendance of such a description as more to resemble the arrangements in the Mansion of a man of rank and fortune, than those usually met with in Hotels.

THE SITUATION
Is central, and within an easy distance of the Champ de Mars, the Cathedrals, Bishop's Church and Palace, the Banks, the Government Offices, the Mess Houses of the different Regiments, and Offices of the different Military Departments, the City Hall, Court House and other public buildings. It is on an elevated site, with abundance of air and light, and has from its front a splendid view over the magnificent expanse of the mighty St. Lawrence, while the eye is relieved by the deep dells and wooded shades of the beautiful Island of St. Helen's and the distant mountains of the Eastern Townships.

Among the conveniences will be found
SIX BATHING ROOMS.
AND A
BILLIARD ROOM.

The TABLE will be supplied with every delicacy of the season, and while the proprietor will spare no expense to give satisfaction to all who may honor him with their patronage, the large number which the extent of his Establishment enables him to accommodate, will admit of his charges being very reasonable.

CARRIAGES
Will be always in attendance to convey parties to and from the Steamboat Wharves, and the Upper Canada and other Stage Offices. And the Proprietor will spare no exertion to make his New Establishment continue worthy of the liberal patronage which he received as Lessee of Rasco's.

J. M. DONEGANA.

He assures them that he will spare no pains to add to their comfort, health, and recreation.

Since the close of the last season, the house and grounds have undergone many important alterations and improvements, which, it is hoped, will add to the comfort and convenience of Visitors.—The Dining room has been considerably enlarged, and the Bar removed from the house.

The Subscriber is happy to state that Miss Murray, whose attention to visitors is so well known, will still remain at the Springs.

The Caledonia Springs present the great advantage of a variety of Medicinal Waters, acknowledged by the most eminent of the Faculty to be, each of their kind, unrivalled in their efficacy for the cure of diseases, and invigorating qualities.

The Salt and Sulphur Baths are in full operation, from the use of which the most extraordinary benefits have been derived.

The Stages will leave Montreal every Morning, Sunday's excepted, and arrive at the Springs in the Evening.

The charges of the Canada House will be the same as last year, namely:—

By the Month	£6 0 0
By the Week	1 15 0

EIGHT HUNDRED THOUSAND
ACRES OF LAND
IN THE
Huron Tract.
NOTICE TO OLD SETTLERS, EMIGRANTS AND OTHERS.

THE CANADA COMPANY have again thrown open all their Lands in the HURON TRACT for disposal, by way of LEASE for TEN YEARS—NO MONEY BEING REQUIRED DOWN. The Rent payable on the 1st February in each year, is not much more than the interest upon the upset price of the Land—the right to purchase the Freehold at any time within the ten years, at a fixed price named in the Lease, is secured to the Settler, who could thus save all further payments of Rents.

The Huron District is known to be one of the most healthy and fertile Tracts of Land in Canada—it has more than doubled its population within four years. The Huron Tract in the year 1842, contained 7,101 souls—in June last year the Huron District numbered 14,983 souls, according to the Official returns.

The above Lands are in Blocks, therefore affording facility for the undivided settlement of Families, of Old Settlers and their Friends.

Maps, Printed particulars, and every requisite information upon the Huron and the Canada Company's other Lands in the Province, will be furnished FREE OF CHARGE, by application (if by letter, post-paid) to the Canada Company's Office, at Toronto, and Goderich and Strafford, in the Huron District.

GENTLEMEN,—I consider it almost an imperative duty to state the efficacy of your excellent MACASSAR OIL. For the last fifteen years I have been bald, occasioned by a dreadful fever whilst in India. I have used almost every means to procure a head of hair again, but all my efforts seemed fruitless, until accidentally
