

Reid's Royal Midgets hard to beat

Charlie Reid's Royal LePage Midget hockey team started the year off on a positive note with a 4-0 win against O.P.G. on Oct. 14 in Orono. Point earners for the game were Adam Wood assisted by Scott Henderson, Justin Westerink assisted by Cam Richardson. The next 2 points were also put on the board by Cam Richardson assisted by Matt Wong-Fong and Dan Reilly. Cam Delorme helped by moving the puck up to the opponent's end for the last goal.

The second game of the season for the squad was played on November 4. This time

they didn't walk away winners, but the team managed to net three pucks. The first goal was netted by the starting shift, Matt Lewis assisted by Scott Henderson up from defense man Dan Reilly. The visiting team Motor City Crane kept the pressure up and slipped in three points of their own before the team could find the net again in the third period. Cam Richardson and Adam Wood managed 2 points in the third, but Motor City Crane popped 3 more in leaving the final score at 6-3 for Motor City Crane.

The team hit the ice again on November 10, this time trying

the new Courtice ice surface out. The home team this time was Detox Environmental. Detox started the scoring off with 2 points in the first period, Orono took over with 3 points in the second, the first by Cam Richardson unassisted, the second by Scott Henderson assisted by Adam Wood and the third by Adam assisted by Scott up from Matt Wong-Fong. Detox tied it up

at the 12:45 mark of the third period but Orono's Cam Delorme broke the tie. The team worked hard to keep the lead finishing the game with a 4-3 win.

November 18 the squad played on their home ice again, this time losing 4-3 against Motor City Saturn. Orono's Scott Henderson netted all three points, assisted by Matt Smit and Adam Wood,

and the third point was unassisted.

Sunday November 23 Orono played Dairy Queen but lost, 2-0

On December 2nd Orono faced Hobb, Bakker, Bergin and lost 3-2.

Acoustics trounce Preston, 4-2

Orono's Peewee Acoustics trounced Bowmanville's Preston the Mover 4-2, in Saturday's action packed game.

The first period saw no scores, but early in the second Ryan Skillen nabbed the puck and passed it over to Brian Knapp who whisked it up the ice along the boards to deliver it out in front of the Bowmanville net to Ty Simpson who sliced it in the goal.

Goalie, Andrew Gilbank, kept his goal empty for the first two periods. The third period held most of the action with both teams scoring and earning penalties. Orono was the first to score with a perfectly executed wrap around by Ty Simpson. Orono won the face off immediately following the goal and left-winger Derek Snow zoomed up the ice, catching the puck with his blade, deking out the defense and

slamming it in the net.

Orono's fourth and final goal came out of a cluster around the Bowmanville net with Harley McColl passing the puck to Stosh Fabricus who buried it in the mesh.

With seven minutes left and the score at 4-0 Bowmanville struggled to make a come back and succeeded in getting two well played goals, both times they were on a power play. The time was down to one minute and Bowmanville pulled their goalie in a futile attempt to grab two more goals, but the buzzer went with the score 4-2.
