DR. TOWNSEND'S
SARSAPARILLA.
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

This Extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

GREAT FALL AND WINTER MEDICINE.

The great beauty and superiority of this Sarsaparilla over all other medicine is, while it eradicates disease, it invigorates the body. It is one of the very best Fall and Winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of severe cases of disease; at least 20,000 of these were considered incurable.

More than 3,000 cases of Chronic Rheumatism;
2,000 cases of Dyspepsia;
4,000 cases of General Debility and Want of Energy;
7,000 cases of the different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of Liver Complaint;
1,500 cases of Disease of the Kidneys and Dropsy;
8,000 cases of Consumption;

And thousands of cases of diseases of the blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c., &c., together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from Physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable Druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the preventive of disease, known. It undoubtedly saved the lives of more than

5,000 Children the past Season!

As it removed the cause of disease, and prepared them for the Summer season. It has never been known to injure in the least the most delicate child.

RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

☞ Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him:

Dr. Townsend—I have used one bottle of your Sarsaparilla, and find it is excellent in its effects upon a Chronic Rheumatic pain, to which I am subject, from an injury occasioned several years ago, in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal physicians, and recommend your Sarsaparilla.

SETH TERRY.

Hartford, March 12, 1845.

CONSUMPTION CURED.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Dr. Townsend—Dear Sir: Nearly twenty years ago I took a violent cold, which settled on my lungs, and affected me severely, indeed, finally it became a constant hacking cough, but not so severe as to prevent me from attending to my business. Within the last few years it increased on me gradually. At last I became reduced—I breathed with difficulty, and raised with my cough much bad matter, and for the last nine months previous to using your Sarsaparilla, had regular night sweats; indeed, my friends and myself supposed that I would die with the Consumption; but I have the happiness to inform you that, to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It relieved me gradually, and I am now enjoying much better health than I have before in 20 years. I had almost entirely lost my appetite, which is also returned. You are at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old, had a very bad cold the whole of last Winter. We became very much alarmed on her account. While using the medicine, I gave her some of it, and it soon entirely relieved her, as well as myself, and she is as well now, as any child I ever saw. She was also full of little blotches; it took them away, and her skin is smooth and fair now, and I am satisfied she recovered her health from using your excellent medicine. S. W. CONANT, 444 Bowery.

GIRLS, READ THIS.

You who have pale complexions, dull eyes blotches on the face, rough skin, and are "out of spirits, use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckels and blotches, and give you animation sparkling eyes, fine spirits, and beautiful complexion—all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Leucorrhœa or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general Prostration of the system, no matter whether the result of inherent cause, or produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us.—Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend—My wife being greatly distressed by weakness and General Debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me.—In a short period it removed her complaints, and restored her health. Being grateful for the benefits she received, I take pleasure in thus acknowledging it, and recommending it to the public.

M. D. MOORE, Cor. Grand and Lydius sts.

Albany, Aug. 17, 1844.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the turn of life," should neglect to take it, as it is a certain preventative for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the diseases to which women are subject.

It braces the whole system, renews permanently the natural energies—by removing the impurities of the body—not so far stimulating the system as to produce a subsequent relaxation, which is the case of most medicines taken for female weakness and disease.

SCROFULA CURED.

This Certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four bottles; it took them away, for which I feel myself under deep obligation.

Yours, respectfully, ISAAC W. CRAIN, 106 Wooster-st.

RAHWAY, Jan. 25, 1847.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the said Sarsaparilla. I have continued taking it, and find that I improve every day. I believe that it saved my life, and would not be without it under any consideration. G. W. McLEAN.

PRINCIPAL OFFICE 126 FULTON ST.

This Sarsaparilla is used with the most perfect success in Rheumatic Complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief; this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

New York, Dec. 11 1846.

To DOCTOR TOWNSEND—

SIR: I think it my duty to return you my own sincere thanks for the benefits I have experienced by the use of your Extract of Sarsaparilla. I was afflicted for many months with Rheumatic pains, and also inflammation of the liver, the sufferings which I endured from these diseases rendered my life a burden to me. I tried every remedy that was prescribed for me, from three of the best physicians in the city, but without receiving any permanent benefit. I considered myself incurable, but by the advice of a friend was induced to try your Compound. I had but faint hopes of success; but I am happy to say, I had not taken more than half a bottle before I experienced relief. this induced me to persevere in its use, and two bottles have effected an entire cure. It is now some months since I used your Remedy, and I am grateful and happy to say I never enjoyed better health.

I shall take great pleasure in recommending it to the afflicted, for by its use I firmly believe my life was saved.

With the greatest respect allow me to subscribe myself your grateful friend,

WILLIAM B. MORGAN, 43 Canal street, corner of Broadway.

DR. TOWNSEND: I was attacked with a distressing pain in my hip joint, so bad that I could not walk without my crutches; and most of the time I was obliged to keep my bed. I tried several remedies, but they did not relieve me. I then called on one of our first physicians, he did not help me. I heard of your Sarsaparilla, and obtained a bottle, and in a few days it entirely cured me, and I am as well now as ever.

LIVER COMPLAINT.

The following is from a respectable merchant, and is positive evidence that Dr. Townsend's Sarsaparilla is the most effective remedy ever known for eradicating disease. Dr. Thwing is brother of Messrs. C. & F. W. Thwing, exchange-brokers, 37 Wall st., who, if necessary, will vouch for the facts contained in the certificate. There is no mistake, thousands and thousands of cases of disease are continually cured, and by the use of his medicine.

New York, Sept 9 1847.

DR. TOWNSEND—*Dear Sir:*—I am constrained as an act of justice, to publicly acknowledge the great benefits I have received from the use of your Sarsaparilla. Being in town about two years since, in a very weak and debilitated state. My disease was a chronic inflammation of the liver and stomach, and, as many thought, consumption; I was so reduced that I had very little hope of recovery. Hearing and reading considerable of the effects of your medicine, I resolved to try it, though I entertained a prejudice against advertised remedies. I had taken the medicine but a short time, and began to recover gradually, and continued to get better, and am now well. Indeed I am so much improved that my friends scarcely recognised me when I returned to the city. You are at liberty to publish this if you think it will extend the use of your excellent remedy.

T. THWING.

LOST HER SPEECH.

The annexed certificate tells a simple and truthful story of suffering and relief. There are thousands of similar cases in this city and Brooklyn, and yet there are thousands of parents let their children die for fear of being humbugged or to save a few shillings.

BROOKLYN, Sept. 13 1847.

DR. TOWNSEND:—I take pleasure in stating, for the benefit of those whom it may concern, that my daughter, two years and six months old, was afflicted with general debility and loss of speech. She was given up as past recovery by our family physician; but fortunately I was recommended by a friend to try your Sarsaparilla. Before having used one bottle she recovered her speech and was enabled to walk alone, to the astonishment of all who were acquainted with the circumstance. She is now quite well and in much better health than she has been for 18 months past.

JOSEPH TAYLOR. 128 York-st., Brooklyn.

FITS! FITS!! FITS!!!

Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable farmer in Westchester:—

FORDHAM, August 13, 1847.

DR. TOWNSEND—Dear Sir: I have a little girl seven years of age, who has been several years afflicted with fits; we tried almost every thing for her, but without success; at last, although we could find no recommendation in your circulars for cases like hers, we thought as she was in very delicate health, we would give her some of your Sarsaparilla and are very glad we did, for it not only restored her strength, but she has had no return of the fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful.

Yours, respectfully, JOHN BUTLER, Jun.

THE REV JOHN SEYER,

Of Jersey City, an old and respectable clergyman of the Baptist Denomination—handed in the following certificate at Dr. Townsend's office, 126 Fulton Street on Saturday. It speaks for itself.

DR. TOWNSEND—*Dear Sir:* I am constrained to give you a statement of the benefit I derived from using Sarsaparilla, believing by so doing, I shall render a benefit to those who are suffering as I have been. I was reduced for many months by the dyspepsia, so much that it was with difficulty for me to walk or keep about. I also had a tetter which covered the most part of my body, which was extremely troublesome and sore; it got to be almost a scab, I used quite a number of remedies for both the complaints but I received little or no benefit until I took your preparation of Sarsaparilla, which through the kindness of Providence has restored me to more than my usual health, as I am now enjoying better than I have for a number of years. I am now 68 years of age. I believe it to be an invaluable medicine, and I commend it to my numerous acquaintances, which are very large, as I have been a minister for a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has been to me.

JOHN SEYER, Jersey City.

LUNATIC ASYLUM.

James Cummings, Esq., one of the Assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

RHEUMATISM.

This is only one more than four thousand cases of rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe chronic cases are weekly eradicated by its extraordinary virtues:

BLACKWELL'S ISLAND, Sept. 14, 1847.

DR. TOWNSEND—*Dear Sir:* I have suffered terribly for nine years with the rheumatism; considerable of the time I could not eat, sleep, or work; I had most distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they done me more than one thousand dollars worth of good—I am so much better. Indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours, respectfully, JAMES CUMMINGS.

TWO CHILDREN SAVED.

Very few families, indeed—in fact we have not heard of one—that used Dr. Townsend's Sarsaparilla in time, lost any children the past summer, while those that did not sickened and died. The certificate we publish below is conclusive evidence of its value, and is only another instance of its saving the lives of children:

DR. TOWNSEND—*Dear Sir:* I had two children cured by your Sarsaparilla of the summer complaint and dysentary; one was only 15 months and the other 3 years. They were very much reduced, and we expected they would die; they were given up by two respectable physicians. When the doctor informed us that we must lose them we resolved to try your Sarsaparilla. we had heard so much of, but had but little confidence, there being so much stuff advertised that is worthless; but we are very thankful that we did, for it undoubtedly saved the lives of both. I write this that others may be induced to use it.

Yours respectfully, JOHN WILSON, Jr.

Myrtle-avenue, Brooklyn, Sept. 15, 1847.

METHODIST CLERGYMAN.

The following was sent to our agent in Rahway by the Rev. O. Tunison, of the Methodist E. Church—one of the most learned and respected in the Methodist Connection—and is another evidence of the wonderful effects of *Dr. Townsend's Sarsaparilla* on the system.

FRIEND PEARSON.—Having for some time past (as you are aware) experienced great general debility of my system, attended with constant and alarming irritation of the throat and lungs, I was at your own instance, and in consequence of having read Captain McLean's decided testimony in its behalf, induced to try Dr. Townsend's far famed Sarsaparilla. I tried it, I confess, more in the *hope* than in the *confidence* of its proving efficacious; but I am bound in candor now to acknowledge that I had not tried it long before I began to experience its salutary effects; and I may now say with Captain McLean, that "I would not be without it for any consideration." It has done me more good than any previous remedy I have tried, and if this statement is deemed by you of any importance you have my full consent to make it public. J. O. TUNISON.

DR. BARKER'S
LAXATIVE PILLS,
FOR BILIOUS COMPLAINTS, PAINS IN THE HEAD.

Giddiness, Sickness, Jaundice, Obstructions, Confinement of the Bowels, &c. &c.

The great demand for these Pills is a sufficient guarantee for their usefulness in the above complaints. Numerous testimonials could be given if necessary, from persons of the highest respectability, who have used them. *No Family should be without them in cases of sudden Sickness.*

OF the numerous diseases to which the human [illegible] symptoms of which are not seriously aggravated by a confined state of the Bowels, and to this alone many owe their origin and continuance. The preserving the alimentary Canal free from obstruction is a point of such primary importance, that every degree of neglect is followed by more or less of inconvenience or suffering. When habitual costiveness prevails the cheerful vigor of health is soon impaired, sometimes by slow degrees, and at other times more rapidly, diseases make their inroads on the constitution; and in numberless instances, particularly where the habits are sedentary, or where free living is indulged, permanent ill health is the painful result. It must be obvious to the most superficial observer, that when the functions of nature now alluded to are not performed with due regularity, assistance must be obtained from art. Aperient Medicines then become indispensably necessary, and must be had recourse to until the necessity for such aid ceases.

But it is a question of considerable importance, what Laxative shall be employed? The list of Aperient Medicines is numerous, but their effects on the system vary considerably; some exert their influence chiefly on the exhalent vessels, or on some part of the bowels only, whilst the action of others extends more or less to the whole of the intestinal canal. The latter class of aperients is evidently the best adapted to obviate the habitual confinement of the Bowels, as they apply that additional excitement, which nature then requires to assist her in the performance of her accustomed functions.

It is precisely on this latter principle that the Pills now offered to the public are formed; and as their activity can be increased or lessened, merely by taking a larger or smaller quantity, they not only furnish an Aperient Medicine proper for general use in a Family, but are also well calculated to answer most of the purposes for which purgative remedies are necessary.

The Pills are not, however, recommended as a SPECIFIC for the cure of ALL diseases; such preposterous statements are worse than ridiculous, and are only put forth for deception. But they will prove a Valuable Remedy for that confined state of the Bowels which lays the foundation of much suffering, for those occasional obstructions to which all are liable, and for all those disorders which arise from an overloaded state of the stomach and alimentary canal. Consequently decided benefit will be derived from their use in Giddiness and Pains in the Head, accompanied with Nausea, or Sickness; in all Head-Aches where Costiveness prevails; in Flatulencies, Bilious Attacks, the commencement of Cholic, the early stages of Jaundice, and in promoting the expulsion of Worms.—They require no confinement or change in the diet—moderate exercise will assist their operation—and experience has proved that, as an Aperient, they are safe and efficacious, may be taken by adults and children, and also in every stage of pregnancy. To children of five years of age and upwards, they may be readily given in pulp of apple orange, or jelly, and thus disguised, they are much more easy of exhibition than Powders or other disagreeable medicines.

Prepared and sold ONLY at the Atheneum Book Store, Kingston.

Sold in Boxes at 1s. 3d. and 2s. 6d. each.

☞ The chief object of the Proprietor in advertising these Pills, is to make them generally useful in a country where Dispensaries are scarce; with this object, and to avoid any charge of Empiricism, a Recipe, containing their component parts, is pasted on each Box, whereby Medical Men may use them, if they see fit, and persons at a distance can get them prepared at any Apothecary's Shop.

J. WINER'S PECTORAL
Syrup of Horehound
AND ELECAMPANE.

FOR the speedy and effectual cure of Coughs, Colds, Asthma, Spitting of Blood Whooping Cough, Croup or Hives, Consumption, Pleurisy, Hoarseness, Pains and Soreness of the Breast and Lungs. Branchitis, a disease that is sweeping hundreds to a premature grave, under the fictitious name of Consumption, can be cured by this medicine. The usual symptoms of this disease, (Bronchitis) are cough, soreness of the Lungs or Throat, hoarseness, difficulty of breathing, Asthma, Hectic Fever, spitting up Phlegm or matter, and sometimes blood. It is nothing more than an inflamation of the fine skin which lines the inside of the whole of the wind tubes, or air vessels which run through every part of the Lungs.

The peculiar virtues of this compound have for a long time attracted the attention of the medical profession and public; and a lively interest has recently been directed to the development of their active powers and pulmonaric qualities, which the proprietors are now able to gratify, and present this medicine [illegible] the most safe and valuable remedy ever discovered and adapted to all diseases of the Lungs, when any of the functions do not perform their natural or healthy action.

It is universally believed that God, in his Providence, has not afflicted His children with pain and disease, without at the same time giving them something in the garden of nature that will not only medicate, but in many cases entirely relieve them. With these views strongly impressed on our minds, every one should feel a great desire to investigate, to the utmost of his power, the great arena of nature, and to draw from that source that instruction which the wisdom of man has failed to attain.

In presenting this article to the public, the proprietors were influenced by the hope that a medicine prepared with much care and strict regard to the chemical properties of its several ingredients, should take the place of thousands of irresponsible nostrums of the day, with which the country is deluged.

☞ The use of one bottle of the Syrup will be sufficient to convince the most sceptical of its beneficial effect.

Prepared and sold by J. Winer, Hamilton, Canada West; and John Wimer & Co., 83 Maiden Lane, N. Y.; for sale at the Atheneum Book Store, N. Palmer's, and C. Heath's Kingston; and by all respectable Druggists throughout Canada.

WINER'S CANADIAN VERMIFUGE,

WARRANTED in all cases, the best remedy ever yet discovered for Worms; it not only destroys them but invigorates the whole system, and carries off the superabundant slime or mucus so prevalent in the stomach and bowels, especially of those in bad health. It is harmless in its effects on the system, and the health of the patient is always improving by its use, even when no worms are discovered. The medicine being palatable, no child will refuse to take it, not even the most delicate. Plain and practical observations upon diseases resulting from worms, accompany each bottle.

Prepared and sold by J. Winer, Hamilton Canada West; and John Winer & Co., 83 Maiden Lane, N. Y.; for sale at the Atheneum Book Store, N. Palmer's, & C. Heath's, Kingston; and by all the respectable Druggist throughout Canada. 25-6m

ROWLANDS' MACASSAR OIL.

IS celebrated throughout the world for its genial and nourishing qualities for the *Human Hair!* It produces and restores *hair; stops it from falling off or turning grey; restores Grey Hair to its original color; frees it from scurf and dandruff,* and renders it *soft, silky, curly,* and *glossy.* For CHILDREN, it is especially recommended as forming the basis of a BEAUTIFUL HEAD OF HAIR! and rendering the use of the fine-comb unnecessary. Price 3s 6d., 7s.; Family Bottles (equal to 4 small,) 10s. 6d., and double that size, 21s. per bottle.

To Messrs Rowland and Son, 20, Hatton Garden, London.

GENTLEMEN,—I consider it almost an imperative duty to state the efficacy of your excellent Macassar Oil. For the last fifteen years I have been bald, occasioned by a dreadful fever whilst in India. I have used almost every means to procure a head of hair again, but all my efforts seemed fruitless, until accidentally a friend advised the use of your valuable "Hair Restorer" (I can give no better name,) and after using a 3s. 6d. bottle, every symptom of a new head of hair began to show itself, to the surprise both of myself and family. I resolved on having another, and obtained a 7s. bottle: before the whole of which was used, I had, and have now, as handsome a head of hair as ever a man enjoyed: and I earnestly recommend that all who have not tried this most excellent Oil, will not fail to do so.

I am, Sirs, your most obedient servant, J. WALKER, Colonel.

It is therefore highly necessary to see that the word "ROWLANDS'" is on the Wrapper of each article.

BEG to Caution the Nobility and Gentry against being misled by the attempts of some Shopkeepers, who, to compounds of their own manufacture give the titles of "MACASSAR OIL," "KALYDOR," and "ODONTO"—some under the *implied* sanction of Royalty, and the *Government Departments* with similar attempts at Deception, while they copy the Labels, Bills, Advertisements, and Testimonials (substituting *fictitious* Names and Addresses for the real) of the Original Preparations.
